Roger E. Pederson timely filed a Request for Reconsideration in the captioned appeal. The Hearing Examiner has considered the Request and determined that it is without merit.

The Examiner concludes that no material legal error has occurred and no factual issue has been overlooked that would change the previous decision. See SCC 14.06.180.

The Examiner notes that a typographical error appears in Finding #8 of the decision. The case reference should be "PL02-0542."

The Request for Reconsideration is denied.

SO ORDERED, this 12th day of October, 2006.
