On March 17, 2010, the Examiner issued a decision granting with conditions the application of Travis Lundgren for a Special Use Permit to operate a limited kennel. On March 25, 2010, counsel for the applicant filed a Request for Partial Reconsideration of the decision.

The Request sought reconsideration and elimination of Findings of Fact 7 and 8 and Conditions 4 and 5. The referenced Findings and Conditions relate to a requirement to construct an enclosed building for the containment of the adult dogs at night.

The Examiner has considered the Request and concludes that no material legal error has occurred and that no material factual issued has been overlooked that would change the previous decision. SCC 14.06.180.

Accordingly, the Request for Partial Reconsideration is denied.

SO ORDERED, this 13th day of April, 2010.

Wick Dufford, Hearing Examiner
