

Parks and Recreation Advisory Board

Preliminary Minutes for May, 2012

In attendance: Mike Elde, John Semrau, Liz McNett Crowl, Elizabeth Detillion, Kevin Loy, Chris Allen, and Brian Adams

The April minutes were passed with minor changes and the agenda was passed with no further additions. The presentation by the Skagit Land Trust regarding the Barney Lake acquisition, including portions of the Centennial Trail, was postponed until June.

Board Discussion

The board discussed Barney Lake and the Centennial Trail. There was interest and support from the board about the acquisition, especially in regards to the trail segment. The board would like to have a formal presentation by the Skagit Land Trust before making a recommendation for the commitment of special pathways funds.

Clear Lake: The master plan process for new development was discussed. The master plan process is scheduled for September of 2012.

Cleveland Park: the design for trees, playground, and general overall plan was discussed. The board would like to invite Dave Towne and Patrik Dylan to the next meeting to present the site plan

Staff Report

Brian handed out packets showing designs and plans for the NSRA bridge and other upcoming park projects.

The meeting was adjourned at 8:15pm.
