

Old Highway 99 North Illumination

Old Highway 99 North (MP 6.19 – 6.63)

Last Updated August 21, 2015

Project Vicinity Map

Project Number: ES50510-10		Project Length: .44 Miles
Type of Project: Safety Improvement		Construction: 2016
Project Description:	Install energy efficient LED street lighting to improve visibility for traffic and pedestrians accessing Old Highway 99 North during peak periods.	
Status:	In Design	
Traffic Impacts:	Traffic impacts should be minimal during construction of the project. It is anticipated that there may be single lane closures during construction, but the roadway will remain open to traffic.
