

Skagit County trains Master Composter Recycler volunteers to educate the community about home composting, recycling, and waste reduction. Each Master Composter/Recycler will receive 30 hours of free materials and training. In exchange for the training, each Master Composter/Recycler **commits to give back 40 hours of volunteer time** involved with educational outreach projects during the calendar year.

**Training Dates and Location:** Please check the MCR webpage at [www.skagitcounty.net/recycle](http://www.skagitcounty.net/recycle) for details about this year's program.

Do you compost at home? Which method? Do you contribute the compost to your garden, if you have one?

Do you compost curbside (throw food scraps into your green waste cart)?

Do you recycle? What system do you use (drop-off, or curbside, other)?

Describe why you are interested in becoming a Master Composter/Recycler volunteer:

Are you comfortable speaking in public? If not, what are some of your personal strengths, hobbies or skills that you could contribute to the community?

Where did you hear about this program? Please check all that apply.
