Public Comments:

Christian Burns queries about 'question and comment' time; Gabrielle clarifies.

Cody Hart: Prior to this meeting, he submitted emails to Skagit County canvassing board, first was notification that on Nov 18th he was informed of/documented election observers locked out of election department and ballot processing happening after normal working hours. After multiple attempts of having observers enter over half hour period, no one accommodated that. Secondly, Cody provided notification this morning that in August 2022 Primary the canvassing board identified over 200 ballots rejected based on signatures that don't match. Cody notified board they are obligated under WAC 434-292-0115 to address issue; if fraud may have been issued, must be referred to sheriff and prosecuting attorney; as canvassing board, you are obligated to do so as legislature instructed. In regard to observers being locked out: I did notify you of RCW 29A 60.210, that ballots that were mishandled should be recanvassed. You have a chance to remedy what occurred and Cody is asking you to do so. WAC 434-262-0115. You are obligated as canvassing board if you believe criminal act may have occurred, must refer matter to sheriff and prosecuting attorney. Cody is notifying you all that if you do not do as the legislative body has instructed you, you will be in violation of your oath of office, this matter will escalate to litigation and you will be removed from office.

Christian Burns: The realization that this is the first canvassing board during the General Election meeting that's followed the law when it comes to public meeting act, that is really shocking that that info has not been shared in any kind of news story of the paper. Just want to make sure that that gets into the minutes. Now that we are to be following the law. And again, referring to that Secretary of State report that came out in 2019 that was signed by the auditor, that said "yes, we understand we violated these things," --I'm paraphrasing so look up report "yes this is accurate and moving forward we will do that." This didn't happen in 2020 and here was no canvassing board manual in 2020.

No other public comment; Meeting adjourned at 2:43 PM.

Cody asks if all people have identified themselves; introductions were not made at the beginning of the meeting. Gabrielle Clay, Elections Supervisor; Jason D'Avignon, Civil Deputy Prosecutor; Peter Browning, County Commissioner Position 2; Emily Humbert, Certified Elections Administrator.
