

Meeting called to order at 1:30 PM.

Gabrielle hands out the reconciliation reports and cumulative results of the April Special election to each canvassing board member. Gabrielle reports one discrepancy in the election wherein two ballots came in one envelope, and it was not caught until it was fully separated from the envelope it came out of, at which point we were unable to correlate which envelope it came from, so it had to be counted. Everything else went well and balanced evenly. We had 1,124 duplications this election because of voters turning in voter pamphlets in lieu of actual ballots; those voted pamphlets had to be duplicated onto actual ballots and were then counted.

Sandy Perkins reads Oath of Authenticity out loud; all board members sign the oath of authenticity.

Jason moves to accept the reconciliation report; all in favor; motion passes unanimously. Sandy moves to reject the challenged ballots; all in favor; motion passes unanimously. Ron moves to accept reports and certify the election; all in favor; motion passes unanimously. Sandy moves to approve meeting minutes from last election; all in favor; motion passes unanimously.

No public comments.

Sandy reads the remainder of certification of canvassing board (see Oath of Authenticity for full text).

Meeting adjourned at 1:39 PM.
