NOTE: The ownership of a Mr. George Chemalis, possibly in Parcel One of this survey, is not defined or part of this survey.

Note: Interior property lines were determined by a combination of property description, existing usage and parole testimony. A new point of beginning was created by using the above stated evidence of location.

### SURVEYOR'S NOTE:

This parcel had chain of title ambiguities at the time of the original survey in 1981. It is my understanding that subsequent court actions have cleared title to the record parcel to the Lincolns at this time.

### DESCRIPTION NOTE:

The record descriptions are lengthy and no longer applicable due to subsequent agreements as noted. Therefore it is not depicted hereon.
