FARM AND AGRICULTURAL LAND MEANS EITHER:

- (a) A parcel of land or contiguous parcels of land in one ownership of twenty or more acres or multiple parcels of land that are contiguous and total 20 or more acres devoted primarily to the production of livestock or agricultural commodities for commercial purposes, or enrolled in the Federal Conservation Reserve program or its successor administered by the United States Department of Agriculture.
- (b) Any parcel of land or contiguous parcels that are five acres or more but less than twenty acres devoted primarily to agricultural uses, which has produced a gross income from agricultural uses equivalent to two hundred dollars or more per acre each year for three of the five calendar years preceding the date of application for classification under this chapter; or
- (c) Any parcel of land or contiguous parcels that are less than five acres devoted primarily to agricultural uses which has produced a gross income of fifteen hundred dollars or more each year for three of the five calendar years preceding the date of application for classification under this chapter.

Agricultural lands also include noncontiguous parcels from one to five acres, but otherwise constituting an integral part of farming operations conducted on the land.

Agricultural lands also include land, not to exceed 20% of classified land, that has incidental uses compatible with agricultural purposes, and also the land on which appurtenances necessary to the production, preparation or sale of the agricultural products exist in conjunction with the lands producing such products.

STATEMENT OF ADDITIONAL TAX, INTEREST, AND PENALTY DUE UPON REMOVAL OF CLASSIFICATION

1. Upon removal of classification, an additional tax shall be imposed which shall be due and payable to the county treasurer 30 days after removal or upon sale or transfer, unless the new owner has signed the Notice of Continuance. The additional tax shall be the sum of the following:
 - (a) The difference between the property tax paid as "Farm and Agricultural Land" and the amount of property tax otherwise due and payable for the last seven years, had the land not been so classified; plus
 - (b) Interest upon the amounts of the difference (a), paid at the same statutory rate charged on delinquent property taxes.
 - (c) A penalty of 20% shall be applied to the additional tax if the classified land is applied to some other use, except through compliance with the property owner's request for withdrawal process, or except as a result of those conditions listed in (2) below.
2. The additional tax, interest, and penalty specified in (1) above shall not be imposed if removal resulted solely from:
 - (a) Transfer to a governmental entity, in exchange for other land located within the State of Washington.
 - (b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power.
 - (c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of such property.
 - (d) Official action by an agency of the State of Washington or by the county or city where the land is located disallowing the present use of such land.
 - (e) Transfer of land to a church when such land would qualify for property tax exemption pursuant to RCW 84.36.020.
 - (f) Acquisition of property interests by State agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 (See RCW 84.34.108(5)(f)).
 - (g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(d) (farm homesite value).
