THIS AGREEMENT ("Agreement") made this 26 day of October, 1998, between CASCADE BANK ("Lender"), AMY SCHREIBER, BERTRAM M. SCHREIBER and WILLIAM M. RECITALS

1. Lender will be making a loan to Lessors relating to real property located at the property commonly known as Mount Vernon Center, Mount Vernon, Washington (hereinafter referred to as the "Property" and/or the "Premises"). Said loan will be evidenced by a promissory note, secured by a Deed of Trust and Assignment of Rents and Security Agreement (hereinafter collectively referred to as the "Deed of Trust"), which will convey an interest, for security purposes,

to Lender in the Property. The legal description for said Property is attached hereto as Exhibit A and incorporated herein by this reference.

2. Lessors are or will be the owner in fee simple of the Property, subject to the Deed of Trust.

3. Tenant entered into a lease with Lessors' predecessor in interests and rents a portion of the Property ("Leased Premises"), which is located at the property commonly known as: Mount Vernon Center, 1806 Riverside Drive, Suite E, Mount Vernon, Washington. Tenant's commercial lease ("Lease") for the Leased Premises was effective January 1, 1995.

4. Lender desires that Tenant attorn to Lender and Lender's assigns, and Tenant is willing to attorn to Lender and its assigns provided Lender and its assigns agree not to disturb Tenant's right of possession and quiet enjoyment provided Tenant is fully in compliance with the Lease.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, Tenant, Lessors and Lender agree as follows:

1. Subordination. The Deed of Trust, Subject to the terms of this Agreement, as to all obligations recited as being secured thereby, and any renewals, modifications or extensions thereof, shall be and remain at all times a lien or charge on the Property, prior and superior to the lien or charge of the Lease.

2. Nondisturbance. Lender agrees with Tenant that, so long as conditions do not exist entitling Lessors to declare the lease at end and/or terminated, Tenant's possession or enjoyment of the Premises shall not be interfered with by Lender in a foreclosure action, sale or other action or proceeding instituted under or in connection with the Deed of Trust. It is expressly the intent of the parties that Tenant shall not be disturbed in its possession and use of the Property under the Lease for any reason other than expiration or termination of the Lease in accordance with its terms or other eviction of Tenant in accordance with the Lease and applicable law.

3. Foreclosure. In the event Lender forecloses under the terms of any loan documents or the Deed of Trust with the current or future Landlords of the Premises, Lender shall give Tenant written Notice of such action simultaneously with the giving of any notice to Landlords in regards thereto.

4. Attornment. In the event of foreclosure, exercise of any power of sale or exercise of any other remedy under any loan document encumbering the Property, Tenant agrees to accept and attorn to Lender or Lender's assigns or any purchaser from Lender or any purchaser at foreclosure or trustee's sale as the new owner of the Premises. So long as Tenant is not in default under the

Lease, said Lease shall, with regard to the Property, continue in full force and effect as a direct lease between Lender or its successors and assigns and Tenant.

5. Security Deposits and Prepaid Rents. Tenant acknowledges that Lender shall not be liable or responsible for the return of any security deposit or prepaid rents which may have been paid to the present or future Landlords. Tenant agrees it will not prepay Landlords' rent more than one month in advance under the terms of the Lease. If Lender or any other person acquires fee title to the Property, Lender or such other person will be entitled to the next month's rent regardless of any prepayment of Tenant to Landlords for more than one month in advance. Tenant and Landlords shall not modify the Lease without Lender's advance written consent, which such consent shall not be unreasonably withheld and shall be deemed given unless Lender gives written notice to Tenant and describes with particularity the basis therefore within ten (10) days of Lender's receipt of a request for modification.

6. Transfer of Premises. In the event of the transfer of the property through foreclosure, exercise of any power of sale, exercise of rights under any loan document encumbering the Property or any transfer or assignment of Lender's interest therein, the purchaser or assignee shall take such interest free and clear of any prior or existing default of the Landlords under the terms of the Lease. Lender or the new owner will assume and perform the obligations of the landlords as of the date Lender or the new owner obtains title, so long as Tenant is in full compliance with the Lease.

7. Right to Receive Rent. If Lender, prior to its acquisition of Landlords' title to the Property, shall at any time exercise the right to receive the rent from Tenant as granted under the Note or Deed of Trust, Lender shall not thereby become obligated to Tenant for the performance of any of the terms, covenants or conditions under the Lease except as contained in this Agreement. Landlords and Tenant agree with Lender that Tenant shall pay the rent directly to the Lender upon Tenant's receipt of written notice from Lender of the exercise of such rights and Landlords hereby authorize and direct Tenant to make all such payments to Lender. Notwithstanding any such exercise, Landlords shall remain liable to Tenant for the performance of Landlords' obligations under the Lease. Landlords hereby acknowledge and agree that payment of the rent by Tenant to Lender pursuant to the preceding provisions shall satisfy Tenant's rent obligations under the Lease to the extent of any such payment. Tenant shall not be required to pay rent to Lender to the extent that Tenant would not be required to pay rent to Landlords under the terms of the Lease.

8. Landlords Default. Notwithstanding anything in the Lease, Tenant hereby agrees that Tenant will notify the Lender, so long as the Lender is the holder of the Deed of Trust, in writing, of any default of the Landlords under the Lease which would entitle Tenant to cancel the Lease or abate the rent payable thereunder. No notice of cancellation or abatement under the Lease shall be effective unless:

(a) Lender has received notice at their office address as set forth below (or at such other place hereafter designated to tenant from time to time in writing) and

(b) Lender has been afforded an opportunity to cure Landlords' default under the Lease within the applicable grace period provided by the Lease.

Tenant agrees that performance by Lender or its respective nominee, designee or assignee of any provision of the Lease shall satisfy any conditions of Tenant requiring performance by the Landlords and if there is a default which is not capable of being cured by Lender and Lender has instituted legal proceedings to foreclose the Deed of Trust, Tenant agrees to waive such past defaults as to Lender or their respective nominee, designee or assignee. Nothing contained herein shall obligate Lender to perform the Landlords' obligations under the Lease until such time as Lender shall become the owner of the mortgage premises.

9. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto and cannot be changed or terminated orally.
