Owner will notify the manufacturer in the event of any alarms or abnormal conditions and operate the system in accordance with the standards septic system guidelines. As required by the installer and manufactureer.

If effluent samples are required by the local health department having jurisdiction, the cost of such samples and analysis are the responsibility of the property owner. If septic tank pumping is required, the cost of such pumping shall remain the responsibility of the property owner.

Residential properties will be monitored and annually serviced at a cost of \$20.00 per mo., billed annually at \$240.00 (price subject to change, good for all systems installed through Jan 1, 1999 thru Jan 1, 2000). The cost to renew this contract will not exceed 2% of the prior year's cost. The Commercial properties will be monitored and annually serviced at a cost to be determined at the time of site evaluation.

Your state or local Health Department may require additional separate equipment to function in conjunction with equipment manufactured by Thomas, Inc. Thomas Inc. is not responsible for the servicing, mechanical, or electrical safety of such equipment that is not manufactured or supplied with the aerobic treatment unit by Thomas, Inc. Particular care should be used in evaluating the electrical or mechanical safety of equipment manufactured by separate manufacturers. This may include, but not be limited to electrical control panels or pumps.

At the option of Thomas, Inc., the sole and exclusive liability of this company shall be a refund of the service contract purchase price for the year. In no event shall Thomas, Inc. be liable for any direct or indirect, incidental, consequential or special damages whatsoever arising out of this agreement by a prevailing party in any arbitration, action or appeal. Court awarded decisions will be assigned by the County of Skagit, in Washington State. This agreement will be governed by and construed under the laws of the State of Washington.
