These designations are subject to the following terms:

1. Lot 1 is designated as open space recreational/amenities (OS-RA) per SCC 14.06.118(9)(a)(iv). It currently contains a public riding arena. The applicants applied for and received a special use permit to operate the riding arena from Skagit County in August 1994. The applicants intend to continue to operate the facility as a public riding arena. The arena is subject to the conditions of approval for SPU 94 010. The remainder of Lot 1 will continue to be used for agriculture which may include but is not limited to pasture for horses and cattle. The designation shall continue until the lot is needed for future urban growth as determined through the Comprehensive Plan amendment process. Maintenance of Lot 1 shall be the sole responsibility of the owner of Lot 1. No additional covenants, conditions or restrictions shall be associated with this lot.
2. Lot 3 is designated as open space future development (OS-FD) per SCC 14.06.118(9)(a)(iii). It will continue to be used for on-going agricultural purposes at the discretion of the owner. Those uses may include but are not limited to pasture for horses and cattle. The designation shall continue until the lot is needed for future urban growth as determined through the Comprehensive Plan amendment process. Maintenance of Lot 3 shall be the sole responsibility of the owner of Lot 3.
3. The right to use and possession of those lots designated for Open Space shall reside in the owner of said lot and his heirs, successors, assigns and invitees.
