EASEMENT GRANT

This Easement Grant is made between JAMES COMPANY LLC and JAMES DARIN and AMY LOUISE JENSEN, (hereinafter referred to as the "Grantors"), and JOHN D. PETH & SONS INC., JAMES COMPANY LLC, JAMES DARIN and AMY LOUISE JENSEN, husband and wife, (hereinafter referred to as the "Grantees").

The following recitals of fact are a material part of this instrument:

A. The Grantors are the sole owners in fee simple of a tract of land which is hereinafter referred to as "Burdened Parcels" and which is legally described as follows :

See attached Exhibit A.

B. The Grantees are the sole owners of land which is hereinafter referred to as "Benefited Parcels" and which are legally described as follows :

See attached Exhibit B.

C. The Grantors wish to grant and the Grantees wish to receive an easement over, under and across portions of Burdened Parcels. The easement is hereinafter referred to as the "Easement Area" and which is described as follows:

See attached Exhibit C.

D. Under the easement grant, Grantors are required to keep the water supplied from said water wells free from impurities which might be injurious to the public health.

Now, therefore, in consideration of One Dollar and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the following grants, agreements, covenants and restrictions are made by the Grantors:

1. GRANT OF EASEMENT. The Grantors hereby grant to the Grantees, as and for an easement appurtenant to the Benefited Parcels, a perpetual easement for ingress and egress for the installation, maintenance and operation of water wells upon, over, under and across the Easement Area, identified in Exhibit C.

2. RESTRICTIONS ON USE OF EASEMENT AREA. Use of the Easement Area is intended to be consistent with the needs of lawful residential use of the Benefited Parcels, but is not confined to present uses of Benefited Parcels, the present buildings thereon, or present means of transportation or of supplying utility services.

Grantors agree and covenant that Grantors, his heirs, successors and assigns will not construct, maintain, or suffer to be constructed or maintained upon the said land of Grantors and within 100 (One Hundred) feet of the existing wells herein described, any potential source of contamination, such as septic tanks and drainfields, sewer lines, underground storage tanks, roads, railroad tracks, vehicles, structures, barns, feed stations, grazing animals, enclosures for maintaining fowl or animal manure, liquid or dry chemical storage, herbicides, insecticides, hazardous waste, or garbage of any kind or description.

3. ADDITIONS TO DOMINANT ESTATE. The easement contained herein shall also become appurtenant to any land which is contiguous to the Benefited Parcels and that may hereafter come into common ownership with the Benefited Parcels. An area physically separated from the Benefited Parcels but having access thereto by means of public ways or private easements, rights or licenses shall be deemed to be contiguous to the Benefited Parcels.

4. DIVISION OF DOMINANT ESTATE. If the Benefited Parcels are hereafter divided by lawful separation of ownership or by lease, all parts shall enjoy the benefit of the easements hereby created.

5. RUNNING OF BENEFITS AND BURDENS. The grant of easement contained herein, along with any and all benefits and burdens arising therefrom, and all covenants, conditions, restrictions and reservations included herein are intended to become, and by the recordation of this instrument shall be conclusively deemed to be legal and equitable servitudes which shall run with the land of the above-described Parcels owned by Grantors and Grantees, and which shall be binding upon the Parcels, and upon their respective owners and occupiers, and upon the respective heirs, personal representatives, successors and assigns of such parties, through all successive transfers of the Parcels and/or the granting of any security interests therein, without requirement of further specific reference or inclusion in deeds, contracts or security instruments, and regardless of any subsequent forfeiture, foreclosures, or sales under security instruments, or of any forfeiture, foreclosures, or sales instituted for nonpayment of governmental tax, levy or assessment of any kind.

6. CONSTRUCTION. The rule of strict construction does not apply to this grant. This grant shall be given a reasonable construction so that the intention of the parties to confer usable rights of enjoyment in the Grantees are carried out.

IN WITNESS WHEREOF the Grantors have caused this instrument to be executed this ^{AS 9th 14th} 7 day of September, 2000.
