ARTICLE I.
COVENANTS AND AGREEMENTS OF GRANTOR

Grantor hereby covenants and agrees:

1.1 Maintenance of the Property. The Property shall be maintained in good condition at all times. Grantor shall promptly make all necessary repairs, replacements, and renewals so that the value of the Property shall be maintained. Grantor shall not commit or permit any waste on the Property. Grantor shall comply with all laws, ordinances, regulations, and private restrictions affecting the Property. To the extent that the Property constitutes commercial property, Grantor shall operate the Property in such manner as to prevent deterioration of the land and improvements including fences, except for reasonable wear and tear from proper use. Grantor shall not demolish or remove any improvements from the Property without the written consent of Beneficiary.

1.2 Required Insurance. Grantor shall at all times provide, maintain, and keep in force, or cause to be provided, maintained, and kept in force, the following policies of Insurance:

(a) Insurance against loss or damage to the building and improvements situated on the Property (the "Improvements") by fire and any of the risks covered by insurance of the type now known as "All Risk" including flood, boiler and machinery (but excluding earthquake), in an amount not less than 100 percent of the full replacement cost of the Improvements (exclusive of the cost of excavations, foundations, and footings below the lowest basement floor), and with not more than \$10,000.00 deductible from the loss payable for any casualty. The policies of insurance carried in accordance with this subparagraph a. shall contain the "Replacement Cost Endorsement";

(b) Insurance against loss or damage to the Personal Property by fire and other risks covered by insurance of the type now known as "All Risk";

(c) Such other insurance and in such amounts as may, from time to time, be reasonably required by Beneficiary and consistent with industry standards, including, without limitation, rent loss and/or business interruption insurance; and

(d) All policies of insurance required by the terms of this Deed of Trust shall contain an agreed amount (coinsurance waiver) endorsement and an endorsement or agreement by the insurer that any loss shall be payable in accordance with the terms of such policy notwithstanding any act or negligence of Grantor (if and to the extent such agreement is commercially available) which might otherwise result in forfeiture of said insurance and the further agreement of the insurer waiving all rights of set-off, counterclaim, or deductions against Grantor (Non-Contributory Standard Mortgage Clause and Lender's Loss Payable Endorsement - Form 438 BFU NS or CP 12- or their equivalent).

1.3 Delivery of Policies - Payment of Premiums Proceeds.

(a) All policies of insurance shall be issued by companies rated "A-X" or above by A.M. Best Company (or a comparable rating by any comparable successor rating agency) and which are legally qualified to issue such insurance. All policies of insurance shall have attached thereto a lender's loss payable endorsement for the benefit of Beneficiary in form satisfactory to Beneficiary. Grantor shall furnish Beneficiary with certificates of all policies of required insurance. If Beneficiary consents to Grantor providing any of the required insurance through blanket policies carried by Grantor and covering more than one location, then Grantor shall furnish Beneficiary with a certificate of insurance for each such policy setting forth the coverage, the limits of liability, the name of the carrier, the policy number, and the expiration date.

(b) At least 30 days prior to the expiration of each such policy, Grantor shall furnish Beneficiary with evidence satisfactory to Beneficiary of the payment of premium and the reissuance of a policy continuing insurance in force as required by this Deed of Trust. All such policies shall contain a provision that such policies will not be canceled or materially amended with respect to the Property, which term shall include any reduction in the scope or limits of coverage without at least 30 days' prior written notice to Beneficiary. In the event Grantor fails to provide, maintain, keep in force, or deliver and furnish to Beneficiary the policies of insurance required by this section, Beneficiary may procure such insurance or single-interest insurance for such risks covering Beneficiary's interest, and Grantor will pay all premiums thereon promptly upon demand by Beneficiary and, until such payment is made by Grantor, the amount of all such premiums shall be secured by this Deed of Trust.

(c) In the event of loss, Grantor shall immediately notify Beneficiary, who may make proof of loss if it is not made promptly by Grantor. Proceeds shall be paid directly to Beneficiary who may compromise with any insurance company and make a final settlement which shall be binding upon Grantor. Beneficiary may, at its election, apply the proceeds to the reduction of the indebtedness secured hereby or to the restoration or repair of the Property.

1.4 Assignment of Policies Upon Foreclosure. In the event of foreclosure of this Deed of Trust or other transfer of title or assignment of the Trust Estate in extinguishment, in whole or in part, of the debt secured hereby, all right, title, and interest of Grantor in and to all policies of insurance required by Section 1.2 shall

inure to the benefit of and pass to the successor in interest to Grantor or the purchaser or grantee of the Trust Estate.

1.5 Indemnification; Subrogation; Waiver of Offset.

(a) If Beneficiary is made a party defendant to any litigation concerning this Deed of Trust or the Trust Estate or any part thereof or interest therein, or the occupancy thereof by Grantor, then Grantor shall indemnify, defend, and hold Beneficiary harmless from all liability, loss, cost, or damage, by reason of said litigation, including reasonable attorney fees and expenses incurred by Beneficiary in any such litigation, whether or not any such litigation is prosecuted to judgment.

(b) Grantor waives any and all right to claim or recover against Beneficiary, its officers, employees, agents, and representatives, for loss of or damage to Grantor, the Trust Estate, Grantor's property, or the property of others under Grantor's control from any cause insured against or required to be insured against by the provisions of this Deed of Trust.

(c) All sums payable by Grantor hereunder shall be paid without notice, demand, counterclaim, setoff, deduction, or defense and without abatement, suspension, deferment, diminution, or reduction; and the obligations and liabilities of Grantor hereunder shall in no way be released, discharged, or otherwise affected (except as expressly provided herein) by reason of (i) any damage to or destruction of or any condemnation or similar taking of the Trust Estate or any part thereof; (ii) any restriction or prevention of or interference with any use of the Trust Estate or any part thereof; (iii) any title defect or encumbrance or any eviction from the Property or the Improvements or any part thereof by title paramount or otherwise; (iv) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation, or other like proceeding relating to Beneficiary, or any action taken with respect to this Deed of Trust by any trustee or receiver of Beneficiary, or by any court, in any such proceeding; or (v) any other occurrence whatsoever, whether similar or dissimilar to the foregoing and whether or not Grantor shall have notice or knowledge of any of the foregoing. Except as expressly provided herein, Grantor waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deferment, diminution, or reduction of any sum secured hereby and payable by Grantor.

1.6 Taxes and Liens. Grantor shall pay before they become delinquent all taxes and assessments levied against or on account of the Trust Estate and shall pay as due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Trust Estate free of any liens having priority over or equal to the interest of Beneficiary under this Deed of Trust except for "Permitted Encumbrances" as defined in Section 1.10, the lien of taxes and assessments not delinquent, and except as hereinafter otherwise provided. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Beneficiary's interest in the Trust Estate is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within 15 days after the lien arises or, if a lien is filed, within 15 days after Grantor has notice of the filing, secure the discharge of the lien or deposit with Beneficiary cash or a sufficient corporate surety bond or other security satisfactory to Beneficiary in an amount sufficient to discharge the lien plus any costs, attorney fees, or other charges that could accrue as a result of a foreclosure or sale under the lien. The assessor or tax collector of the county in which the Property is located is authorized to deliver to Beneficiary a written statement of the property taxes assessed or owing at any time.

1.7 Reserves. During the existence of any event of default hereunder, Beneficiary may require Grantor to maintain reserves for payment of taxes (including special assessments and other charges against the Trust Estate by governmental or quasi-governmental bodies) or premiums on property insurance or both. The reserves shall be created by payment each month to Beneficiary of an amount determined by Beneficiary to be sufficient to produce by the date they are due amounts equal to the estimated taxes and insurance premiums to be paid. If at the time that payments are to be made the reserve for either taxes or insurance premiums is insufficient, Grantor shall upon demand pay such additional sum as Beneficiary shall determine to be necessary to cover the required payment. If Grantor desires to carry a package plan of insurance that includes coverage in

addition to that required under this Deed of Trust, Beneficiary, if allowed by law, may at its option establish and administer a reserve for that purpose. In such event the premium attributable to the required insurance coverage shall be quoted separately, and Beneficiary may permit Grantor to furnish a certificate of insurance rather than deposit the policy as required above. If at any time Beneficiary holds an insufficient amount in the insurance reserve to cover the premium for the entire package policy, Beneficiary may, at its discretion, pay only that portion of the premium attributable to the required insurance coverage. If the blanket policy does not permit such partial payment, Beneficiary may use the reserve funds for the premium on a new, separate policy providing the required insurance coverage and allow the package policy to lapse. Beneficiary shall not charge a service charge for collecting reserves and paying taxes and insurance premiums. The reserves shall not constitute a trust. Grantor agrees that Beneficiary may commingle reserve funds with other funds of Beneficiary and need not invest them for the benefit of Grantor. Grantor agrees that Beneficiary need not pay Grantor interest on reserves, unless applicable statutes require payment of interest notwithstanding any contrary agreement.

1.8 Expenditures by Beneficiary. If Grantor shall fail to comply with any provision of this Deed of Trust, Beneficiary may, at its option, on Grantor's behalf take the required action and any amount that it expends in so doing shall be added to the indebtedness secured hereby. Amounts so added shall be payable on demand with interest at the rate specified in the Note, if more than one interest rate is applicable, to portions of the unpaid balance at the highest rate applicable to any portion of the principal balance of the Note (the "Note Rate") from the date of expenditure. The rights provided for in this section shall be in addition to any other rights or any remedies to which Beneficiary may be entitled on account of the default and Beneficiary shall not by taking the required action cure the default so as to bar it from any remedy that it otherwise would have had.

1.9 Utilities. Grantor shall pay or cause to be paid when due all utility charges which are incurred by Grantor for the benefit of the Trust Estate or which may become a charge or lien against the Trust Estate for gas, electricity, water or sewer services furnished to the Trust Estate and all other assessments or charges of a similar nature, whether public or private, affecting the Trust Estate or any portion thereof, whether or not such assessments or charges are liens thereon.

1.10 Warranty; Defense of Title. Grantor warrants that Grantor holds merchantable title to the Property in fee simple, free of all encumbrances other than the encumbrances described on Exhibit A attached hereto (hereinafter referred to as "Permitted Encumbrances"). Grantor warrants and will forever defend the title against the claims, other than Permitted Encumbrances, of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Beneficiary under this Deed of Trust, Grantor shall defend the action at Grantor's expense. If any Permitted Encumbrance is a lien, Grantor shall pay any sums and do any other acts necessary to prevent a default or prevent any action or condition which with the lapse of time, the giving of notice, or any other action of a creditor, would be a default or enable any creditor to declare a default or foreclose any Permitted Encumbrance which is a lien.

1.11 Condemnation. If all or any part of the Trust Estate is condemned, Beneficiary may at its election require that all or any portion of the net proceeds of the award be applied on the indebtedness secured hereby. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorney fees necessarily paid or incurred by Grantor and Beneficiary in connection with the condemnation. If any proceeding in condemnation is filed, Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor hereby assigns to Beneficiary the net proceeds of any condemnation award.

1.12 Imposition of Tax. The following shall constitute taxes to which this paragraph applies:

(a) A specific tax upon deeds of trust or upon all or any part of the indebtedness secured by a deed of trust.

(b) A specific tax on the owner of property covered by a deed of trust which the taxpayer is authorized or required to deduct from payments on the deed of trust

(c) A tax on premises covered by a deed of trust chargeable against Beneficiary under the deed of trust or the holder of the note secured.

(d) A specific tax on all or any portion of the indebtedness secured hereby or on payments of principal and interest made by a Grantor under a deed of trust.

If any federal, state, or local tax to which this paragraph applies is enacted subsequent to the date of this Deed of Trust, this shall have the same effect as a default and Beneficiary may exercise any or all of the remedies available to it in the event of a default unless the following conditions are met:

(a) Grantor may lawfully pay the tax or charge imposed; and

(b) Grantor pays the tax or charge within 30 days after notice from Beneficiary that the tax law has been enacted.

1.13 Inspections. That Beneficiary, or its agents, representatives or workmen, are authorized to enter at any reasonable time upon or in any part of the Property for the purpose of inspecting the same and for the purpose of performing any of the acts it is authorized to perform under the terms of any of the Loan Documents.

1.14 No Waiver. By accepting payment of any obligation herein mentioned after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other obligations herein mentioned or to declare default for failure so to pay.

1.15 Accounting. Grantor will keep and maintain or will cause to be kept and maintained in accordance with sound accounting practice accurate and proper books of record and account relating to the Property. Grantor shall permit Beneficiary to examine the books of account and other records of Grantor, to discuss the affairs, finances and accounts of Grantor and to be informed as to the same by Grantor, all at such reasonable times and intervals as Beneficiary may desire. At the request of Beneficiary, Grantor will, at its own cost and expense, furnish to Beneficiary within 90 days after the end of each fiscal year, annual financial statements of Grantor and copies of the balance sheet and operating statements relating to the Property for such year, in reasonable detail and in form and substance satisfactory to Beneficiary. In addition, at the request of Beneficiary, Grantor shall furnish Beneficiary, within 30 days from the end of each calendar month, a rent roll, including but not limited to a listing of each tenant, the space occupied, the amount of rent and the expiration of the lease, together with unaudited statements setting forth rental income (itemized as to source, itemized operating expenses, and net income before federal income taxes) relating to the Property for such month, certified to as being correct by Grantor. In the event Grantor fails to furnish any of the financial statements hereinabove required, Beneficiary may cause an audit to be made of Grantor's books and records, at Grantor's sole cost and expense.

1.16 Repayment of Advances. Upon receipt of notice, the Grantor shall repay immediately all sums expended or advanced hereunder by or on behalf of Beneficiary or Trustee, with interest from the date of such advance or expenditure at the Note Rate, and the repayment thereof shall be secured hereby. Failure to repay such expenditure or advance and interest thereon within 10 days of such notice will, at Beneficiary's option, constitute an event of default hereunder; or Beneficiary may, at its option, commence an action against Grantor for the recovery of such expenditure or advance and interest thereon, and in such event Grantor agrees to pay, in addition to the amount of such expenditure or advance, all costs and expenses incurred in such action, together with a reasonable attorney's fee at trial and on appeal.

1.17 Use of Property. The Property is not used principally or primarily for agricultural or grazing purposes and this Deed of Trust does not secure an obligation incurred primarily for personal, family or household purposes.

ARTICLE II.
SECURITY AGREEMENT; FIXTURE FILING

2.1 Creation of Security Interest. Grantor hereby grants to Beneficiary a security interest in (a) the Personal Property located on or at the Property, including without limitation any and all property of similar type or kind hereafter located on or at the Property for the purpose of securing all obligations of Grantor contained in any of the Loan Documents, (b) the Cash Collateral, and (c) all other Property in which a security interest may be granted under the Uniform Commercial Code - Secured Transactions of Washington (collectively, the "Secured Property"). The Secured Property does not include any of the inventory, equipment, fixtures, and other personal property (including proceeds of the foregoing) located on or at the Property that are not owned by Grantor.

2.2 Warranties, Representations, and Covenants of Grantor. Grantor hereby warrants, represents and covenants as follows:

(a) Except for the security interest granted hereby, Grantor is, and as to portions of the Secured Property to be acquired after the date hereof will be, the sole owner of the Secured Property, free from any adverse lien, security interest, encumbrance or adverse claims thereon of any kind whatsoever. Grantor will notify Beneficiary of, and will defend the Secured Property against, all claims and demands of all persons at any time claiming the same or any interest therein.

(b) Grantor will not lease, sell, convey or in any manner transfer the Secured Property without the prior written consent of Beneficiary.

(c) The Secured Property is not used or bought for personal, family or household purposes.

(d) The Personal Property will be kept on or at the Property and Grantor will not remove the Personal Property from the Property without the prior written consent of Beneficiary, except such portions or items of Personal Property which are consumed or worn out in ordinary usage, all of which shall be promptly replaced by Grantor with an article of equal suitability owned by Grantor free and clear of any lien or security interest except such as may be approved in writing by Beneficiary.

(e) Grantor is organized under the laws of the State of Washington, and Grantor will not change its jurisdiction of organization without giving Beneficiary at least 30 days' prior written notice.

(f) At the request of Beneficiary, Grantor will join Beneficiary in executing one or more financing statements and renewals and amendments thereof pursuant to the Uniform Commercial Code - Secured Transactions of Washington in form satisfactory to Beneficiary, and will pay the cost of filing the same in all public offices wherever filing is deemed by Beneficiary to be necessary or desirable.

(g) All covenants and obligations of Grantor contained herein relating to the Trust Estate shall be deemed to apply to the Secured Property whether or not expressly referred to herein.

(h) This Deed of Trust constitutes a security agreement as that term is used in the Uniform Commercial Code - Secured Transactions of Washington.

2.3 Fixture Filing. This Deed of Trust constitutes a financing statement filed as a fixture filing in the Official Records of the County in which the Property is located with respect to any and all fixtures included within the term "Trust Estate" as used herein and with respect to any goods or other personal property that may now or hereafter become such fixtures.

ARTICLE III.
ASSIGNMENT OF LEASES AND RENTS

3.1 Assignment. Grantor hereby assigns to Beneficiary and grants to Beneficiary a security interest in all Leases as security for performance of all obligations secured by this Deed of Trust.

3.2 Covenants of Performance. Grantor covenants and agrees as follows:

(a) Grantor shall observe, perform, and discharge, duly and punctually, all of the obligations of the Leases on the part of Grantor to be kept, observed, and performed; and shall give prompt notice to Beneficiary of any failure on the part of Grantor to observe, perform, and discharge same.

(b) Grantor shall notify and direct in writing each and every present or future tenant or occupant of the Property or any part thereof that any security deposit or other deposits heretofore delivered to Grantor have been retained by Grantor or assigned and delivered to Beneficiary as the case may be.

(c) Grantor shall enforce the performance of each and every obligation, term, covenant, condition, and agreement in the Leases by any tenant to be performed, and shall notify Beneficiary of the occurrence of any material default under the Leases.

(d) Grantor shall appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Leases or the obligations, duties, or liabilities of Grantor or any tenant thereunder at the expense of Grantor.

3.3 Prior Approval for Actions Affecting Leases. Grantor, without the prior written consent of Beneficiary, further covenants and agrees as follows:

(a) Grantor shall not receive or collect any Cash Collateral from any present or future tenant of the Property or any part thereof for a period of more than one month in advance (whether in cash or by promissory note) nor pledge, transfer, mortgage, grant a security interest in, or otherwise encumber or assign future payments of Cash Collateral.

(b) Grantor shall not waive, forgive, excuse, condone, discount, set off, compromise, or in any manner release or discharge any tenant under any Leases having a term in excess of one year or from any obligations, covenants, conditions, and agreements by such tenant to be kept, observed, and performed, including the obligation to pay the Cash Collateral thereunder in the manner and at the place and time specified therein.

(c) Grantor shall not cancel, terminate, or consent to any surrender of any of the Leases having a term in excess of one year, nor commence any action of ejectment or any summary proceedings for dispossession of the tenant under any such Leases, nor exercise any right of recapture of the Property provided in any such Leases, nor modify or in any way alter the terms thereof.

(d) Grantor shall not lease any part of the Property for a term in excess of one year, nor renew or extend the term of any Leases of the Property other than month-to-month rental agreements unless an option therefor was originally so reserved by tenants in the Leases.

3.4 Rejection of Leases. Grantor further covenants and agrees as follows;

(a) In the event any tenant under the Leases should become the subject of any proceeding under the United States Bankruptcy Code or any other federal, state or local statute which provides for the possible termination or rejection of the Leases assigned hereby, Grantor covenants and agrees that in the event any of the Leases are so rejected, no damage settlement shall be made without the prior written consent of Beneficiary, which shall not be unreasonably withheld.

(b) Grantor will request that any check in payment of damages for rejection or termination of any such Lease will be made payable both to the Grantor and Beneficiary.

(c) Grantor hereby assigns any such payment to Beneficiary and further covenants and agrees that upon request of Beneficiary, it will duly endorse to the order of Beneficiary any such check, the proceeds of which will be applied to any portion of the indebtedness secured by this Deed of Trust in such manner as Beneficiary may elect.

3.5 License to Collect Cash Collateral. As long as there shall exist no default by Grantor hereunder, Grantor shall have the right under a license granted hereby (but limited as provided herein) to collect, but not prior to accrual, all of the Cash Collateral arising from or out of said Leases or any renewals, extensions and replacements thereat or from or out of the Property or any part thereof. Grantor shall receive such Cash Collateral and hold the Cash Collateral, together with the right and license herein granted as a trust fund to be applied, and Grantor hereby covenants to so apply them, as required by Beneficiary, firstly to the payment of taxes and assessments upon the Property before penalty or interest is due thereon; secondly to the costs of insurance, maintenance and repairs required by the terms of this Deed of Trust; thirdly to satisfaction of all obligations under the Leases; and fourthly to the payment of interest, principal and any other sums becoming due under the Note and Deed of Trust, before using any part of the same for any other purposes. Upon the conveyance by Grantor and its successors and assigns of Grantor's interest in the Property, all right, title, interest and powers granted under the license aforesaid shall automatically pass to and may be exercised by each subsequent owner.

ARTICLE IV.
REMEDIES UPON DEFAULT

4.1 Events of Default. Any of the following events shall be deemed an event of default hereunder:

(a) Default shall be made in the payment of any installment of principal or interest on the Note or any other sum secured hereby when due and any applicable grace period shall have expired; or

(b) After deducting all costs, fees and expenses of Trustee and of this Trust, including costs of evidence of title and reasonable counsel fees in connection with sale, Trustee shall apply the proceeds of sale to payment of all sums expended under the terms hereof, not then repaid, with accrued interest, all other sums then secured hereby and the remainder, if any, shall be paid into court in the manner provided by law.

4.4 Sale of Personal Property. Beneficiary shall give Grantor reasonable notice of the time and place of any public sale of any Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten days before the time of the sale or disposition.

4.5 Due on Sale or Increase in Interest Rate on Sale. Grantor agrees and acknowledges that the indebtedness evidenced by the Note is personal to Grantor, and that except for the Management Agreement between Grantor and Ad-West Realty Services, Inc. dated as of June 1, 2001 (the "Ad-West Agreement"), Grantor's personal responsibility, control and management of the Property is a material inducement to Beneficiary to agree to enter into this transaction. Any conveyance of the whole or any part of the Property, whether by deed, contract, further encumbrance, or otherwise (except liens for taxes which are not yet due and payable), lease of the same (other than a lease of any portion of the space in the improvements on the Property in the ordinary course of business without an option to purchase), or assignment or delegation of Grantor's control or management of the Property (other than the existing Ad-West Agreement), without Beneficiary's prior written consent, or any transfer of capital stock, partnership or membership interests in Grantor without Beneficiary's prior written consent (except as permitted under Article XII, Section (i) of the Loan Agreement) shall be deemed to increase the risk of Beneficiary, and Beneficiary or other holder may declare the entire unpaid balance immediately due and payable, or, at its sole option, it may consent to such conveyance, lease, assignment or delegation of control or management of the Property, or transfer of capital stock, partnership or membership interest in writing and may increase the interest rate on the Note, change the maturity date of the Note, modify the loan terms, or impose whatever other conditions it shall deem necessary to compensate it for such increased risk. Any increase in interest shall entitle the holder to increase monthly payments on the loan evidenced by the Note so as to retire the obligation within the original stipulated time. In the event Grantor shall request the consent of Beneficiary in accordance with the provisions of this Section 4.5, Grantor shall deliver a written request to Beneficiary, together with such information as Beneficiary may reasonably request regarding such conveyance, further encumbrance, lease, assignment or delegation of control or management of the Property, or transfer of capital stock, partnership or membership interest and shall allow Beneficiary 30 days to evaluate such request. In the event Beneficiary approves such conveyance, encumbrance, lease, assignment or delegation of control or management of the Property, or transfer of capital stock, partnership or membership interest, Grantor shall pay Beneficiary a processing fee in an amount to be determined by Beneficiary but in no event less than \$500.00 to compensate Beneficiary for its costs in processing such request. Consent as to any one transaction shall not be deemed to be a waiver of the right to require consent to any further or successive transaction. The execution and delivery by the Grantor of any limited liability company agreement, joint venture agreement, partnership agreement, declaration of trust, option agreement, management contract, or other instrument whereunder any person, corporation, or other entity may become entitled, directly or indirectly, to the possession or enjoyment of the Property, or the income or other benefits derived or to be derived therefrom, or the control or management of the Property, shall in each case be deemed to be a conveyance or assignment of Grantor's interest in the Property for the purposes of this section, and shall require the prior written consent of Beneficiary.

In the event ownership of the Property or any portion thereof becomes vested in a person other than Grantor herein named, Beneficiary may, without notice to Grantor herein named, whether or not Beneficiary has given written consent to such change in ownership, deal with such successor or successors in interest with reference to this Deed of Trust and the obligations secured hereby, in the same manner as with Grantor herein named, without in any way vitiating or discharging Grantor's liability hereunder or the obligations hereby secured.

4.6 Attorney Fees. In the event suit, action, or arbitration proceeding is instituted to enforce any of the terms of this Deed of Trust Beneficiary shall be entitled to recover from Grantor such sum as the court or arbitrator may adjudge reasonable as attorney fees at trial, on any appeal, and in any bankruptcy proceeding. All

reasonable expenses incurred by Beneficiary that are necessary at any time in Beneficiary's opinion for the protection of its interest or the enforcement of its rights, including without limitation, the cost of searching records, obtaining title reports, surveyors' reports, demanding payment, attorneys' opinions, or title insurance, whether or not any court action is involved, shall become a part of the indebtedness secured hereby, payable on demand, and shall bear interest at the Note Rate from the date of expenditure until paid.

ARTICLE V.
MISCELLANEOUS

5.1 Governing Law. This Deed of Trust shall be governed by the laws of the State of Washington. In the event that any provision or clause of any of the Loan Documents conflicts with applicable laws, such contracts shall not affect other provisions of such Loan Documents which can be given effect without the conflicting provision, and to this end the provisions of the Loan Documents are declared to be severable.

5.2 Modification. This instrument cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.

5.3 Inspections and Appraisals. Beneficiary or its agents may enter upon the Property at any reasonable times to inspect or appraise it, whether or not any default exists hereunder. If Grantor refuses to permit such inspection or appraisal, Beneficiary may specifically enforce performance of this provision. Grantor agrees to pay the cost of all appraisals required by Beneficiary in its sole discretion (a) to comply with (i) any applicable statute or regulation, or (ii) the request or directive (whether or not having the force of law) of any regulatory authority with jurisdiction over Beneficiary, (b) to comply with Beneficiary's policies concerning appraisals, or (c) at any time after the occurrence of an event of default. All such appraisal costs shall become a part of the indebtedness secured hereby and shall be payable on demand, together with interest thereon at the highest rate applicable to any such indebtedness.

5.4 Reconveyance by Trustee. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of the Note to Trustee for cancellation and retention and upon payment by Grantor of Trustee's fees, Trustee shall reconvey to Grantor, or the person or persons legally entitled thereto, without warranty, any portion of the Trust Estate then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in any reconveyance may be described as "the person or persons legally entitled thereto."

5.5 Notices. Whenever Beneficiary, Grantor or Trustee shall desire to give or serve any notice, demand, request or other communication with respect to this Deed of Trust, each such notice, demand, request or other communication shall be in writing and shall be effective only if the same is delivered by personal service or mailed by registered or certified mail, postage prepaid, return receipt requested, addressed to the address set forth at the beginning of this Deed of Trust. Any communication which is mailed as provided above shall be deemed delivered 72 hours after mailing. Any party may at any time change its address for such notices by delivering or mailing to the other parties hereto, as aforesaid, a notice of such change.

5.6 Acceptance by Trustee. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.

5.7 Captions. The captions or headings at the beginning of each section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

5.8 Invalidity of Certain Provisions. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Trust Estate, the unsecured or partially secured portion of the debt shall be completely paid prior to the payment of the remaining and secured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid on and applied

to the full payment of that portion of the debt which is not secured or fully secured by the lien of this Deed of Trust. Further, the invalidity or unenforceability of any portion or provision of this Deed of Trust shall in no way affect the validity or enforceability of the remainder hereof.

5.9 Subrogation. To the extent that proceeds of the Note are used to pay any outstanding lien, charge or prior encumbrance against the Trust Estate, such proceeds have been or will be advanced by Beneficiary at Grantor's request and Beneficiary shall be subrogated to any and all rights and liens owned by any owner or holder of such outstanding liens, charges and prior encumbrances, irrespective of whether such liens, charges or encumbrances are released.

5.10 No Merger. If both the lessor's and lessee's estates under any lease or portion thereof which constitutes a part of the Trust Estate shall at any time become vested in one owner, this Deed of Trust and the lien created hereby shall not be destroyed or terminated by application of the doctrine of merger and, in such event, Beneficiary shall continue to have and enjoy all of the rights and privileges of Beneficiary as to the separate estates. In addition, upon the foreclosure of the lien created by this Deed of Trust on the Trust Estate pursuant to the provisions hereof, any leases or subleases then existing and created by Grantor shall not be destroyed or terminated by application of the law of merger or as a matter of law or as a result of such foreclosure unless Beneficiary or any purchaser at any such foreclosure sale shall so elect. No act by or on behalf of Beneficiary or any such purchaser shall constitute a termination of any lease or sublease unless Beneficiary or such purchaser shall give written notice thereof to such tenant or subtenant

5.11 Late Charge. Grantor recognizes that default by Grantor in making the payments under the Note and/or in any of the other Loan Documents when due will result in Beneficiary incurring additional expense servicing the loan, loss to Beneficiary of the use of the money due, and frustration to beneficiary in meeting its other loan commitments. In the event that any payment or portion thereof is not paid within 15 days after the date it is due, Beneficiary may collect, and Grantor agrees to pay with such payment, a "late charge" of 5 percent of any overdue amount as liquidated damages for the additional expense of handling such delinquent payments. Such late charge represents the reasonable estimate of Beneficiary and the Grantor of a fair, average compensation due to the failure of the Grantor to make timely payments. Such late charge shall be paid without prejudice to the right of Beneficiary to collect any other amounts provided to be paid or to declare a default hereunder.

5.12 Hazardous Substances.

(a) Grantor represents and warrants to Beneficiary that to the best of Grantor's knowledge after due and diligent inquiry, no hazardous or toxic waste or substances are being stored on the Property or any adjacent property nor have any such waste or Substances been stored or used on the Property or any adjacent property prior to or during Grantor's ownership, possession or control of the Property. Grantor agrees to provide written notice to Beneficiary immediately upon Grantor becoming aware that the Property or any adjacent property, ground or surface water, or air is being or has been contaminated with, or is being threatened with, hazardous or toxic waste or substances. Grantor will not knowingly cause nor permit any activities or conditions on the Property which directly or indirectly could result in the Property or any other property, ground or surface water, or air becoming contaminated with or threatened with contamination with hazardous or toxic waste or substances, or which constitute a violation of any law or regulation pertaining to hazardous or toxic waste or substances. For purposes of this Deed of Trust, the term "hazardous or toxic waste or substances" means any substance or material defined or designated as hazardous or toxic wastes, hazardous or toxic material, a hazardous, toxic or radioactive substance or other similar term by any applicable federal, state or local statute, regulation or ordinance now or hereafter in effect, including without limitation the statutes listed below:

(c) Beneficiary and its representatives may upon not less than ten days' prior written notice to Grantor, enter the Property at any time for the purpose of conducting an environmental audit that is necessary in Beneficiary's reasonable business judgment to comply with applicable banking or environmental laws, regulations, and directives, committing only such injury to the Property as may be necessary to conduct the environmental audit. Beneficiary shall not be required to remedy any such injury or compensate Grantor therefor. Grantor shall cooperate in all respects in the performance of the audit. Grantor shall pay the costs of any environmental audit if either a default exists under this Deed of Trust at the time Beneficiary arranges to have the audit performed or the audit reveals a default pertaining to hazardous substances. If Grantor refuses to permit Beneficiary or its representatives to conduct an environmental audit on the Property, Beneficiary may specifically enforce performance of this provision.

5.13 Handicapped Access.

(a) Grantor agrees that the Property shall at all times strictly comply to the extent applicable with the requirements of the Americans with Disabilities Act of 1990, the Fair Housing Amendments Act of 1988, all state and local laws and ordinances related to handicapped access, and all rules, regulations, and orders issued pursuant thereto including, without limitation, the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities (collectively "Access Laws"). As a condition precedent to the obligation of Beneficiary to disburse any funds with respect to the loan secured hereby, Beneficiary may require a certificate of Access Law compliance and indemnification in a form reasonably acceptable to Beneficiary. Beneficiary may also require a certificate of Access Law compliance from an architect, engineer, or other third party acceptable to Beneficiary.

(b) Notwithstanding any limits set forth herein or in any other document on Grantor's obligation to obtain Beneficiary's approval of alterations of the Property, Grantor shall not alter the Property in any manner which would increase Grantor's responsibilities for compliance with the applicable Access Laws without the prior written approval of Beneficiary. The foregoing shall apply to tenant improvements constructed by Grantor or by any of its tenants. Beneficiary may condition any such approval upon receipt of a certificate of Access Law compliance from an architect, engineer, or other person acceptable to Beneficiary.

(c) Grantor agrees to give prompt notice to Beneficiary of the receipt by Grantor of any complaints related to violation of any Access Laws and of the commencement of any proceedings or investigations which relate to compliance with applicable Access Laws.

(d) Grantor shall indemnify, defend, and hold harmless Beneficiary from and against any and all claims, demands, damages, costs, expenses, losses, liabilities, penalties, fines, and other proceedings including without limitation reasonable attorney fees and expenses arising directly or indirectly from or out of or in any way connected with any failure of the Property to comply with applicable Access Laws. The obligations and liabilities of Grantor under this section shall survive any termination, satisfaction, assignment, entry of a judgment of foreclosure, delivery of trustee's deed in a nonjudicial foreclosure proceeding, or delivery of a deed in lieu of foreclosure.
