EXHIBIT B

SUBJECT TO:

Schedule "B-1"

P-102213

EXCEPTIONS:

A. DEDICATION CONTAINED ON THE FACE OF THE PLAT, AS FOLLOWS:

Declare this plat and dedicate to the public forever all roads and ways, except private and corporate roads, shown hereon with the rights to make all necessary slopes for cuts and fills, and the right to continue to drain said roads and ways over and across any lot or lots, where water might take a natural course, in the original reasonable grading of roads and ways shown hereon. Following original reasonable grading of roads and ways hereon, no drainage waters on any lots shall be diverted or blocked from their natural course so as to discharge upon any public road right-of-way, or to hamper road drainage. Any enclosing of drainage waters in culverts or drains or rerouting shall be done by and at the expense of such owner.

"Jennifer Lane" and "Kim's Place", shown hereon as corporate roads (Tract A) are to be held in individual ownership by the owners of the lots served by the corporate roads. The cost of construction and maintaining all roads not herein dedicated as county roads and all access roads to the plat, unless the same are dedicated as county roads, shall be the obligation of all of the owners of the lots in the plat and/or of any additional plats that may be served by said roads, streets and/or alleys, and the obligation to maintain shall be concurrently the obligation of any corporation in whom title of said roads, streets, and/or alleys be held. In the event that the owners of any of these lots or the corporate owners of any of the roads, streets, or alleys of this plat or any additional plats served by these roads, streets, and/or alleys shall petition the Board of County Commissioners to include these roads, street, and/or alleys in the road system, said petitioner shall be obligated to being the same to the county road standards in all respects prior to acceptance by the county.

B. WATER PIPELINE EASEMENT CONTAINED ON THE FACE OF THE PLAT, AS FOLLOWS:

Easements are granted to Public Utility District No. 1 of Skagit County, Washington, a municipal corporation, its successors or assigns, the perpetual right, privilege, and authority enabling the PUD to do all things necessary or proper in the construction and maintenance of a water line, lines or related facilities, including the right to construct, operate, maintain, inspect, improve, remove, restore, alter, replace, relocate, connect to and locate at any time a pipe or pipes, line or lines or related facilities, along with necessary appurtenances for the transportation of water over, across, along, in and under the lands as shown on this plat together with the right of ingress to and egress from said lands across adjacent lands, of the grantor; Also, the right to cut and/or trim all brush, timber, trees or other growth standing or growing upon the lands of the grantor which, in the opinion of the district, constitutes a menace or danger to said line or to persons or property by reason of proximity to the line.

EXHIBIT B

Schedule "B-1"

P-102213

EXCEPTIONS CONTINUED:

B. (Continued):

The grantor agrees that title to all timber, brush, trees, other vegetation or debris trimmed, cut, and removed from the easement pursuant to this agreement is vested in the district.

Grantor, its heirs, successors, or assigns hereby conveys and agrees not to construct or permit to be constructed structures of any kind on the easement area without written approval of the general manager of the district. Grantor shall conduct its activities and all other activities on grantor's property so as not to interfere with, obstruct or endanger the usefulness of any improvements or other facilities, now or hereafter maintained upon the easement or in any way interfere with, obstruct or endanger the district's use of the easement.

C. NATURAL RESOURCE LAND DESIGNATION CONTAINED ON THE FACE OF THE PLAT, AS FOLLOWS:

This property lies within 300 feet of land designated resource lands by Skagit County. A variety of natural resources land activities occur in the area that may be inconvenient or cause discomfort to area residents. This may arise from the use of chemicals, or from spraying, pruning, harvesting, or extraction, which occasionally generates dust, smoke, noise, and odor. Skagit County has established resource uses as priority uses on designated natural resource lands, and residents of adjacent property should be prepared to accept such inconveniences or discomfort from normal necessary natural resource land operations when performed in compliance with best management practices and local, state, and federal law.

D. TRACT "A" UTILITY EASEMENT CONTAINED ON THE FACE OF THE PLAT, AS FOLLOWS:

A utility easement being over, under and across Tract "A" is hereby reserved for and conveyed to Puget Sound Energy, Cascade Natural Gas Corp., GTE Northwest, Northland Cable TV, and their respective successors and assigns in which to construct, operate, maintain, repair, replace and enlarge under ground pipes, conduits, cables and wires with necessary or convenient underground or ground mounted appurtenances thereto for the purpose of serving this subdivision and other property with electric, gas, telephone and other utility service, together with the right to enter upon the streets, lots, tracts and spaces at all times for the purposes herein stated. Tract "A" is also reserved for sewer and water easements to serve the lots within this subdivision.
