24. Easement provisions contained on the face of said plat, as follows:

- 1) The developer reserves a utility easement for the installation of utilities including water, power, gas, cable and telephone over, across and under a 40-foot strip in area E located between North Deception Shores Drive and the Quiet Cove Road right-of-way easement as shown hereon. The purpose of this easement is to allow the future extension of utilities to the properties along said Quiet Cove Road Southerly and adjacent to the PUD. Said 40-foot easement as shown hereon may be moved or relocated for topographic reasons within said area E to accommodate the installation of said utilities causing the least interference and disturbance to said area E.
- 2) Developer hereby reserves in area E two drainfield easement sites for the purpose of location two separate and independent single family residential drainfields or one single drainfield site that shall accommodate two single family residential connections for the use, benefit and enjoyment of three parcels or property as shall be determined by the developer which are Southerly and adjacent to the PUD; TOGETHER WITH a 20 foot easement over and across said area E that will access and connect said drainfield site(s) to the adjacent lot or lots utilizing said drainfield site(s). The exact location of said drainfield easement sites and the benefited properties shall be determined by the developer with the approval of the Skagit County Health Department. Upon construction, installation and connection to a drainfield site, a drainfield agreement and covenant describing the drainfield area, the 20-foot easement connecting the lot to the drainfield and the lot utilizing said drainfield site shall be recorded as a binding easement and covenant, as to Area E and the lot connecting to said drainfield. The drainfield agreement and covenant shall provide that the lot connecting to said drainfield shall keep and maintain the drainfield in good condition and repair subject to Skagit County Health Department Rules and Regulations at the cost and expense of the owner of the lot connecting thereto.
- 3) Developer reserves an easement 50 feet in width for road right-of-way and utility purposes over, across and under that portion of area C between the Southwesterly end of Deception Shores Drive North and the Southwesterly boundary of the PUD, with the centerline of said 50-foot easement being the centerline of North Deception Shores Drive as extended to said Southwesterly boundary of the PUD. This easement herein reserved by the developer is for the benefit of the developer and the developers successors and assigns, and the developer may transfer and assign said easement to the Southwesterly adjoining property owner so that said adjoining property may have access, ingress and egress, together with utilities through the PUD.

continued.....

200405190039

SCHEDULE B-001

Page 6

- 4) Developer hereby reserves an easement 20 feet in width over and across area A between Quiet Cove Road (vacated Peoria Avenue) to the East of said area A and North Deception Shores Drive to the West of said Area A as shown hereon. The easement shall provide access, ingress and egress from Quiet Cove Road to North Deception Shores Drive and said easement is for the benefit of the developer and developer's successors and assigns. Said 20-foot easement as shown in said area A may be moved or relocated within said area A for topographic reasons to accommodate access, ingress and egress to North Deception Shores Drive, causing the least interference and disturbance to said area A,
- 5) Developer reserves an easement in area E as shown hereon for an existing 10,000 gallon water storage tank, together with a 20-foot wide easement over and across said area E that will access said water storage tank, for the benefit of the properties along Quiet Cove Road Southerly and adjacent to the PUD.
- 6) An utility easement is hereby reserved for and granted to Cascade Natural Gas within area A said easement to be 10 feet in width, the centerline of which is to be defined by the constructed gas line. Cascade Natural Gas reserves the right to enter upon said area A for the purposes of installation, construction, review, operation and maintenance of said gas line.
- 7) NOTE: The easements reserved by the developer herein are for the benefit of the developer and the developers successors and assigns, and the developer may transfer and assign said easements for the benefit and use and enjoyment of the property owners owning adjacent property or property in the immediate vicinity of Deception Shores P.U.D. As shall be determined by the developer, and the easements and the reservations contained herein shall constitute permanent easements and covenants running with the land.
- 8) NOTE: The location of the easements as shown on the map herein is an approximation of the location of said easements and said easements may be moved or relocation to accommodate the installation or construction of the anticipated improvements or relocation of the easements will not result in substantial or greater interference to the common areas.
- 9) NOTE: The easements referred to herein by these notes and as located and described on the face of the P.U.D. map are hereby fully incorporated in and made a part of the declaration of covenants, conditions, restrictions, easements and reservations of Deception Shores P.U.D. as though fully set herein.
- 10) NOTE: Property owners within the P.U.D. reserve the right to access beach by footpath in area "E". The location of which can be determined by said property owners based on topographic conditions and access limitations.

continued.....

SCHEDULE B-001

Page 7

- 11) At no time shall PSE's existing transmission line easement (shown hereon). Be used for storage of flammable or volatile material or placement of any buildings or other structures, including but not limited to, the following: Decks, patios, septic drain fields, and outbuildings of any nature. At no time shall PSE's access to the transmission lines or structures along the easement area be permanently blocked off or unduly restricted.
- 12) The developer or future P.U.D. lot owners must pay for any and all costs associated with changes in vertical line clearance, re-stabilization of any electrical structure or anchor, or facilities access as a result of uses that do not comply with PSE conditions or restrictions outlined hereon or as noted as approved construction plans.
- 13) Transmission or distribution lines have been or will be constructed, operated, and maintained within the PSE (PSE) easement area said facilities may require tree and brush cutting within the adjacent to the easement right-of-way. PSE retains the right to cut, remove and dispose of any and all brush, tress and other vegetation presently existing upon the easement area. PSE shall also have the right to control, on a continuing basis and by any prudent and reasonable means, the establishment and growth of bushes, tress and other vegetation upon the easement areas which in the opinion of PSE, interfere with the exercise of PSE rights or create a hazard to PSE's systems. PSE shall have the right to cut, trim remove, and dispose of any trees located on the property outside. The easement area, which could, in PSE's sole judgment, interfere with or create a hazard to PSE's Systems. PSE Shall prior to the exercise of such rights, identify such trees and make a reasonable effort to give prior notice that such trees will be cut, trimmed, removed or disposed of (Except that shall have no obligation to identify such trees or give such prior notice when trees are cut, trimmed, removed or otherwise disposed of in response to emergency conditions). Owners shall be entitled to no compensation for trees cut, trimmed, removed or disposed of except for the actual market value of merchantable timber (if any) cut and removed from the property by PSE. All shrubs and trees to be situated in the easement area must be of a low growing variety which normally do not exceed 15 feet in height at maturity.

25. Notes on the face of the plat as follows:

- A. This plat may depict existing occupational indicators in accordance with W.A.C. CH. 332.130. These occupational indicators may indicate a potential for claims of unwritten title ownership. The legal resolution of ownership based upon unwritten title claims has not been resolved by the file number 9610300097 for additional boundary information.
- B. Sewage Disposal – Except for lots that are unable to obtain septic design approval or where the developer may require septic systems to be installed in a common area outside of the lot, each lot within Deception Shores PUD is to have an individual septic drainfield system. Those lots unable to obtain septic design approval or those lots the developer may require have a septic drainfield system outside of the lot will locate and install a septic drainfield system or connect to a community drainfield system in area C or such other common area within Deception Shores PUD as shall be determined by the developer, subject to the approval of the Skagit County Health Department.
- C. Alternate on-site disposal systems may have special design, construction and maintenance requirements. See Skagit County Health Officer for details.
- D. NOTE: Areas within 30 foot slope buffer and 100 foot building setback line will require GED-Technical analysis and report prior to allowance of structural encroachment by Skagit County Building Department.

26. Planned Unit Development note on the face of the plat, as follows:

Each of the lots within Deception Shores PUD are to have individual septic drainfield systems designed within each lot, except that Lots 7 and 8. To the extent said lots are unable to obtain septic design approval. That may be located within said lots. May locate a septic drainfield in area E subject to the review and approval of the Skagit County Health Department.

27. Easement provisions contained on the face of said plat, as follows:

An easement is hereby reserved for and granted to Puget Sound Energy, Northland Cable Television Company, GTE Northwest, Cascade Natural Gas and their respective successors and assigns under and upon the exterior ten feet parallel and adjacent to the street frontage of all lots. Unless shown otherwise, in which to install, lay, construct, review, operate and maintain underground conduits, cables and wires with the necessary facilities and other equipment for the purpose of the subdivision and other property with electric, television, telephone, and gas service. Together with the right to enter upon lots at all time for the purposes stated.
