**EXCEPTIONS:**

A. SUBJECT to the exceptions and reservations contained in Deed from the State of Washington under which title to portion of said premises comprising tide lands is claimed; whereby the grantor saves, excepts and reserves all oils, gases, coal, ores, minerals, fossils, etc., together with the right to enter upon said lands for the purpose of opening, developing and working mines, etc., provided that no rights shall be exercised under this reservation until provision has been made by the State, its successors or assigns, for full payment of all damages sustained by owner by reason of such entering.

B. Right of the general public to the unrestricted use of all the waters of a navigable body of water not only for the primary purposes of navigation, but also for corollary purposes, including (but not limited to) fishing, boating, bathing, swimming, water skiing and other related recreational purposes, as those waters may affect the tidelands, shorelands, or adjoining uplands, and whether the level of the water has been raised naturally or artificially to a maintained or fluctuating level, all as further defined by the decisional law of this state. (Affects all of the premises subject to such submergence.)

C. Terms, provisions and reservations under the Submerged Land Act (43 USCA 1301 through 1311) and the rights of the United States of America to regulate commerce, navigation, flood control, fishing and production of power.

D. Any lien or liens that may arise or be created in consequence of or pursuant to an act of the Legislature of the State of Washington entitled " an ACT prescribing the ways in which waterways for the uses of navigation may be excavated by private contract, providing for liens upon lands belonging to the State, granting rights of way across lands belonging to the State", approved March 9, 1893.

E. MATTERS AS DISCLOSED AND/OR DELINEATED ON THE FACE OF THE FOLLOWING RECORDED SURVEY:
