WITNESSETH:

In consideration of their mutual covenants, agreements and undertakings hereinafter contained, the parties hereto do mutually agree to that which is hereinafter set forth, upon and subject to the following terms, conditions, covenants and provisions:

1. PROPERTY SUBJECT TO THIS LEASE AGREEMENT

Failure of the parties to mutually agree on such an extension or new lease payment shall not be deemed a default by either party.

3. BUSINESS PURPOSE / BASE LINE ACTIVITY

a. Business Purpose: It is understood and agreed that Lessee intends to use the Premises for constructing a multiple unit leasehold aircraft hanger condominium project and selling the units so created, and to conduct such other activities as are incidental and reasonably related thereto. Owners of units may engage in commercial activities that are in full compliance with all applicable provisions of this Lease, laws and regulations and only after reaching written agreement with Lessor concerning the type of activity and manner by which it is conducted. It is further understood that the above activities are the only type of activities to be conducted upon the Premises. Failure to perform the above type of activities or cessation of such activities or the carrying on of other type(s) of unauthorized activities shall constitute a material default by Lessee of this Lease. Lessee shall at all times operate on the Premises in a manner which will assure the safe, lawful and healthful use of the Premises. Lessee agrees that it will not disturb the Lessor or any other tenant of the Lessor by making or permitting any disturbances or any unusual noise, vibration or other condition on or in the Premises.

b. Baseline Activity: Lessee currently employs zero (0) permanent full-time employees on-site.

4. RENT

Commencing on January 1, 2005 or when said building is substantially complete, whichever is sooner, Lessee shall pay to Lessor, in lawful money of the United States, without any set-off or deduction, in addition to taxes, assessments, and other charges required to be paid hereunder by Lessee, an initial rent for the Premises OF SEVEN HUNDRED SEVENTY-ONE DOLLARS and SEVENTY-EIGHT CENTS (\$771.78) per month, plus leasehold tax and drainage fees. The rent for each month shall be paid to the Lessor in advance on or before the first day of each and every month of the term of this Lease, and shall be payable at such place as the Lessor may hereinafter designate. The rent may be further adjusted by the addition of other sums and charges specified elsewhere in this Lease. The Lessor shall have all of the same rights and remedies with respect to any additional rent or charges in the event of nonpayment or late payment as are available to it in the event of nonpayment or late payment of the rent. The rent shall be adjusted as provided in the below section entitled PERIODIC RENT ADJUSTMENTS.

5. PERIODIC RENT ADJUSTMENTS

Rent shall be adjusted on July 1<sup>st</sup> of every year during the lease term. The adjustment shall be according to the procedures set forth in the sections entitled PROCEDURE TO DETERMINE ADJUSTED RENT – CPI.

6. PROCEDURE TO DETERMINE ADJUSTED RENT - CPI

On July 1<sup>st</sup> of each year during the lease term rent shall be adjusted according to the procedures set forth below in this paragraph:

a. Definitions: The adjusted rent rate(s) shall be determined in accordance with the formula set forth below. In applying the formula, the following definitions apply:

1) "Bureau" means the U.S. Department of Labor, Bureau of Labor Statistics or any successor agency.

2) "Price Index" means the Consumer Price Index for all Urban Consumers (Seattle-Tacoma-Bremerton) issued from time to time by the Bureau, or any other measure hereafter employed by the Bureau in lieu of the price index that measures the cost of living or if said Bureau should cease to issue such indices and any other agency of the United States should perform substantially the same function, then the indices issued by such other agency.

3) "Current Index" means the Price Index for the month of April most recently preceding the Change Date.

4) "Prior Year Index" means the Price Index for the month of April one year prior to the Current Index.

b. Formula: The adjusted rent shall be determined by multiplying the rent rate(s) being adjusted by a multiplier equal to the change in the Price Index since the last adjustment computed as follows:

◆  $(\text{Current Index}) \div (\text{Prior Year Index}) = (\text{Change in Price Index})$

◆  $(\text{Change in Price Index}) \times (\text{Rent being adjusted}) = (\text{Adjusted Rent})$

◆ The Price Index (1967 = 100) for April was 194.3.

7. SECURITY FOR RENT

To secure the rent hereunder, Lessee agrees to furnish to Lessor a cash deposit in an amount equal to two (2) months' Rent or other security approved by Lessor prior to July 1, 2004; *provided*, that Lessee may receive a full refund of its deposit at such time as it provides Lessor with documentation that its expenses on improvements constructed on the Premises total or exceed ten thousand four hundred fifty dollars and fifty-six cents (\$10,450.56). Lessor shall refund any security deposit still in its possession to Lessee within thirty (30) days of termination of this Lease, less any amounts owed to Lessor due to Lessee's failure to meet its obligations under this Lease.

8. LATE CHARGES

Lessee hereby acknowledges that late payment by Lessee to the Lessor of rent, or any other sums due hereunder will cause the Lessor to incur costs not otherwise contemplated by this Lease. Accordingly, if any installment of rent or any other sum due from Lessee shall not be received by the Lessor within ten (10) days after such amount shall be due, then, without any requirement for notice to Lessee, Lessee shall pay the Lessor a late charge equal to 5% of such overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs the Lessor will incur by reason of late payment by Lessee. Acceptance of such late charge by the Lessor shall in no event constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent the Lessor from exercising any of the other rights and remedies granted hereunder. In the event that a late charge is payable in this Lease or otherwise, whether or not collected, for three (3) installments of rent in any 12 month period, then rent shall automatically become due and payable quarterly in advance, rather than monthly notwithstanding the above section entitled RENT or any other provision of this Lease to the contrary. In addition to the late charges provided for in this section, interest shall accrue on rent, or any other sums due hereunder, at the rate of one and one-half percent (1 1/2%) per month from the date due until paid.

9. CONSTRUCTION OF IMPROVEMENTS

Lessee intends to construct a multiple unit aircraft hanger condominium on the Premises. Said unit shall include at least one finished restroom facility, built to A.D.A. requirements, to serve the hanger users in the building. Construction of the building shall be substantially complete by December 31, 2004. Appropriate landscaping to be approved by the Lessor shall be a necessary part of any improvements. These improvements and any others Lessee intends to construct on the Premises, shall be at Lessee's cost. Lessee shall not commence construction of any improvements or alterations (alterations include, but are not limited to structural changes, painting of the exteriors of structures, changes to wiring and plumbing) or install any fixtures (other than fixtures

which can be removed without injury to the Premises), including landscaping installation, without prior written consent of Lessor and subject to any and all conditions in such approval. Lessee shall submit to Lessor all plans and specifications relating to such construction of improvements, alterations, landscaping or installation of any fixtures (other than fixtures which can be removed without injury to the Premises), in accordance with development standards from time to time adopted by the Port Commission. The construction of all improvements, alterations, landscaping and/or installation of fixtures shall be carried out by Lessee in a first-class manner at its sole cost and expense, and in full compliance with all federal, state, county and other governmental statutory and regulatory requirements. Until the expiration or sooner termination of this Lease, title to any improvements situated and constructed by Lessee on the Premises and any alteration, change or addition thereto, as well as title to fixtures and articles of personal property attached to or used in connection with the Premises by Lessee, shall remain solely in Lessee.

#### 10. DISPOSITION OF IMPROVEMENTS AT END OF LEASE

Lessee shall have the right to remove all equipment, personal property and trade fixtures which may have been placed upon the premises by Lessee during the period of this lease, provided that the same are removed upon conclusion of the lease and that the lease is in good standing. Any such equipment, personal property and trade fixtures not removed from the premises by the conclusion of the lease shall revert to Lessor. All other improvements shall become the property of the Lessor. If Lessee does not remove all equipment, personal property and trade fixtures which have been placed on the premises by Lessee during the period of this Lease and Lessor wants the property removed, then the same shall be removed and stored at Lessee's expense and Lessor shall recover any costs and expenses from the Lessee resulting from the removal. Following removal of said described property, the premises shall then be restored by Lessee to a condition requiring Lessor to only undertake normal excavation for construction of a new building, or to such other condition approved by Lessor prior to termination of this lease.

#### 11. CONDITION OF THE PREMISES

Lessee has inspected the property, and the sub-surface conditions, and accepts the property in its present condition; is not relying upon any covenants, warranties or representations of Lessor as to its condition or usability, except Lessor's right to grant a lease of the property; and agrees to make any changes in the Premises necessary to conform to federal, state and local law applicable to Lessee's use of the Premises.

Lessor: Port of Skagit County  
Lessee: Dean Holt Construction, LLC (Lot 18: T-Hanger Condo)

12. LESSEE WILL OBTAIN PERMITS

Lessee shall be solely responsible for obtaining and complying with all permits, approvals or licenses required for the operation and conduct of Lessee's business activities and the construction, installation, erection and/or operation of any structures, facilities or equipment, including but not limited to, items constituting alterations or defined as trade fixtures on the Premises. If Lessee fails to obtain and comply with such permits, then Lessee accepts full responsibility for any and all costs incurred by the Lessor, including actual attorney's fees, occasioned by Lessor pursuing Lessee's default for its failure to obtain and/or comply with such permits. Lessee agrees to hold the Lessor harmless from any liability and to fully reimburse expenses of the Lessor for Lessee's failure to obtain and/or fully comply with any necessary permit.

13. INSURANCE COVERAGE

a. Casualty Insurance: Lessee shall at Lessee's expense maintain on all improvements belonging to Lessor and on all of Lessee's personal property and leasehold improvements and alterations on the premises, casualty insurance, with extended coverage in the amount of their replacement value.

b. Liability Insurance: Lessee shall, at its own expense, maintain throughout the term of this lease, proper liability insurance with a reputable insurance company or companies satisfactory to the Lessor in the minimum of \$1,000,000 single limit liability, and a comprehensive general liability broadening endorsement (and hereafter in such increased amounts to be comparable and consistent with the going or standard coverage in the area for comparable business operations).

c. Any unit owner, prior to and while, engaging in commercial activity shall at its own expense obtain and keep in force a policy of comprehensive general liability insurance with a reputable insurance company or companies satisfactory to Lessor in the minimum of \$1,000,000 single limit for injury and property damage.

d. Certificates: The Lessor shall be named as one of the insured, and shall be furnished a copy of such policy or policies or certificate(s) of coverage, or both, at the Lessor's election. Each certificate of insurance shall provide that the insurance policy or policies are not subject to cancellation without at least thirty (30) days advance written notice of such cancellation having been first given to the Lessor.

14. WAIVER OF SUBROGATION

The Lessor and Lessee hereby mutually release each other, and their respective successors or assigns, from any liability and waive all right of recovery against each other

Lessor: Port of Skagit County  
Lessee: Dean Holt Construction, LLC (Lot 18: T-Hanger Condo)

from any loss from perils insured against under their respective fire insurance contracts, including any extended coverage endorsements thereto. Provided, that this section shall be inapplicable if it would have the effect, but only to the extent that it would have the effect, of invalidating any insurance coverage of Lessor or Lessee.

15. HOLD HARMLESS PROVISIONS, LIABILITY AND INDEMNITY

The Lessor, its officers, employees and agents, shall not be liable for any injury (including death) or damage to any persons or to any property sustained or alleged to have been sustained by the Lessee or by others as a result of any condition (including existing or future defects in the premises), or occurrence whatsoever related in any way to the premises or related in any way to the Lessee's use of the premises or Lessee's performance under this lease, except to the extent of such damage caused solely by negligence of the Lessor. Lessee agrees to defend and hold and save the Lessor, its officers, employees and agents, harmless from any and all liability or expense (including expense of litigation) in connection with any such items of actual or alleged injury or damage.

Any unit owner, shall, prior to engaging in commercial activity, agree in writing that: (1) it shall fully indemnify and hold harmless the Lessor from any claim by a third person for injury or property damage related to the commercial activity; and (2) waiving any claim against the Lessor for injury or property damage, except where such a claim is based upon the sole negligence of Lessor.

16. OFF STREET PARKING

Lessee agrees not to use any public streets, rights of way or other properties not included in this Lease for the parking of vehicles.

17. ADVERTISING AND SIGNS

No signs or other advertising matter, symbols, canopies or awnings shall be installed, attached to or painted on the Premises without the prior written approval of the Lessor's executive director, or the executive director's designee.

18. EQUAL OPPORTUNITY

The Lessee covenants and agrees that in the performance of this Lease, the Lessee shall conduct its activities in a manner that will assure fair, equal and nondiscriminatory treatment of all persons regardless of race, creed, sex, marital status or ethnic origin. #### 19. LAWS AND REGULATIONS

The Lessee agrees, at its sole cost and expense, to conform to, comply with and abide by all lawful rules, codes, ordinances, requirements, orders, directions, laws and regulations of the United States, the State of Washington, and any municipality or agency of any of said entities, including rules and regulations of Lessor, including without limitation those relating to environmental matters, now in existence or hereafter promulgated, applicable to the Lessee's use and operation of said Premises, including the construction of any improvements thereon, and not to permit said Premises to be used in violation of any of said rules, codes, laws or regulations. All provisions of this Lease, except those inconsistent with a month-to-month tenancy and Subsection (b), entitled "Rent and Terms," hereof shall remain in effect during such hold over period.

b. Rent and Terms. During such tenancy, the Lessee agrees to pay to Lessor a monthly rent equal to one and one-quarter (1-1/4) times the most recently required monthly rent amount applicable for the month in which the term hereof expired or was terminated.

#### 21. ENVIRONMENTAL PROVISIONS

a. Lessee covenants to defend, indemnify, and hold Lessor harmless from any imposition or attempted imposition by any person upon Lessor of any obligation or cost ("liability") of whatever form, including, without limitation, damages; claims; governmental investigations, proceedings or requirements; attorney fees in investigation, at trial or administrative proceeding, or on appeal; witness or consultant costs; or any other liability to the extent that such liability arises from a violation, or alleged violation, or from the failure to satisfy a requirement, or alleged requirement, of any Hazardous Material Regulation and/or any environmental or land use law or regulation or arising from the release, spillage, or any other mishandling or misuse of any Hazardous Material causing damage to the property of, or resulting in injury to, any third any person, and proximately resulting from use of the Premises during the term of this Lease, and without regard to when the liability is asserted.

b. In like manner as in subsection (a.) above, so Lessor shall indemnify Lessee solely for liability proximately resulting from use of the Premises prior to the commencement of this Lease, or from conditions caused by Lessor subsequent to the Commencement Date.

c. Lessor represents and Lessee acknowledges that Lessor has visually inspected the Premises for legally impermissible Hazardous Material contamination and that none was apparent on the surface of the Premises from a visual inspection as of the date of this Lease. Lessee releases any and all claims against Lessor for the costs to remediate, or pay damages or penalties to any third party due to, any Hazardous Material Contamination which henceforth may be discovered on the Premises, including payment of all attorney fees and claims of loss of, or interference with, use of the premises; *provided* that should Hazardous Material contamination be discovered on the Premises during the course of construction of Lessee's contemplated improvements and should such contamination materially interfere with Lessee's intended use of the Premises and not be caused by Lessee, its contractors or its agents, Lessee may, as its sole remedy with respect to Lessor, terminate this Lease as to that lot upon which such contamination is discovered.

d. Any other provision of this Lease to the contrary notwithstanding, Lessee's breach of any covenant contained in this section shall be an event of default empowering Lessor, in addition to exercising any remedy available at law or in equity, to terminate this Lease and to evict Lessee from the Premises forthwith in the manner provided by law and herein.

e. Lessee shall notify Lessor within twenty-four (24) hours of its discovery of any release of a reportable quantity of any Hazardous Material, or of the receipt by Lessee of any notices, orders or communications of any kind from any

governmental entity which relate to the existence of or potential for Hazardous Material or environmental pollution of any kind existing on or resulting from the use of the Premises or any activity conducted thereon. If Lessee fails to comply with any of the requirements of this section, Lessor may undertake, without cost or expense to Lessor, any actions necessary to protect Lessor's interest including steps to comply with such laws.

22. MAINTENANCE / COMMIT NO WASTE

The Lessee shall at all times during the term of this Lease maintain the Premises in good condition and shall, at its sole cost and expense, keep the Premises and the adjoining driveways, walkways and landscaping neat, clean and in a safe and sanitary condition. Lessee agrees not to allow conditions of waste and refuse to exist on the premises.

23. UTILITIES

Lessee agrees to contract with the appropriate provider and pay for all public utilities which shall be used in or charged against the Premises, and to hold the Lessor harmless from such charges. With regard to utilities provided by the Lessor including drainage, Lessee will pay to Lessor according to the Lessor's or Skagit County Drainage Utility/Drainage District 19's established rate.

24. LIENS AND INSOLVENCY

Lessee shall keep the Premises free from any liens arising out of work performed, materials furnished, or obligations incurred by Lessee. 25. TAXES

26. COSTS AND ATTORNEYS' FEES

recover a reasonable attorney's fee and to be reimbursed for such costs and expenses as may have been incurred by such prevailing party.

## 27. TERMINATION

Upon termination of this lease or any extension thereof, whether by expiration of the stated term or sooner termination thereon as herein provided, Lessee shall surrender to Lessor said premises peaceably and quietly and in the condition required under the paragraphs entitled MAINTENANCE/COMMIT NO WASTE and DISPOSITION OF IMPROVEMENTS AT END OF LEASE.

## 28. DEFAULT AND RE-ENTRY

Time is of the essence of this agreement. (i) If (a) any rent or other payment due from Lessee hereunder remains unpaid for more than ten (10) days after the date it is due; (b) Lessee files a voluntary petition in bankruptcy or makes a general assignment to the benefit of, or a general arrangement with, creditors; (c) there is an involuntary bankruptcy filed against Lessee that has not been dismissed within thirty (30) days of filing; (d) Lessee becomes insolvent; or (e) a receiver, trustee, or liquidating officer is appointed for Lessee's business; or (ii) If Lessee violates or breaches any of the other covenants, agreements, stipulations or conditions herein, and such violation of breach shall continue for a period of thirty (30) days after written notice of such violation or breach is sent to Lessee, then Lessor may at its option, declare this Lease forfeited and the term hereof ended, or without terminating this Lease elect to re-enter and attempt to relet, in which event Lessee authorizes Lessor to relet the premises or any part thereof for such term or terms (which may be for a term extending beyond the term of this Lease) and at such rent or rents and upon such other terms and conditions as Lessor in its sole discretion deems advisable. Upon each such reletting, all rents received by Lessor from such reletting shall be applied, first, to the payment of any amounts other than rent due hereunder from Lessee to Lessor; second, to the payment of any costs and expenses of such reletting and renovation, including brokerage fees and attorneys' fees; third, to the payment of rent due and unpaid hereunder, and the residue, if any shall be held by Lessor and applied to payment of future rent as the same may become due and payable hereunder. If rent received from such reletting during any month are less than that to be paid during that month by Lessee hereunder, Lessee shall pay any such deficiency to Lessor, and Lessee covenants and agrees to pay Lessor for all other expenses resulting from its default, including, but not limited to, brokerage commissions, attorneys fees and the reasonable cost of converting the premises for the benefit of the next Lessee. Delinquent rent and other payments shall bear interest at the rate of eighteen percent (18%) per annum from the date due until paid. In the event of any default hereunder and entry in, or taking possession of, the premises, Lessor shall have the right, but not the obligation, to remove from the premises all personal property located therein, and may store the same in any place selected by Lessor.

including but not limited to a public warehouse, at the expense and risk of the owners thereof, with the right to sell such stored property, without notice to Lessee, after it has been stored for a period of thirty (30) days or more, with the proceeds of such sale to be applied to the cost of such sale and to the payment of charges for storage, and to the payment of any other sums of money which may then be due from Lessee to Lessor under any of the terms hereof.

## 29. ASSIGNMENT AND SUBLEASE

Lessee shall not, by operation of law or otherwise, assign or sublease any portion of the premises without Lessor's prior written consent. The consent of Lessor to any assignment or sublease shall not in any manner be construed to relieve Lessee from: (1) the requirement to obtain Lessor's express written consent to any other or further assignment or sublease; (2) its duties and obligations under the Lease. As a condition to any assignment or sublease, Lessor may revise the rent to be consistent with its then current rent policy.

The foregoing notwithstanding, Lessee represents that it intends to subject the Premises to a single condominium regime under the provisions of the Washington Condominium Act, and that it intends to comply fully with the provisions of RCW 64.34.220. The Condominium Declaration ("Declaration") shall be subordinate to this Lease, apply to all buildings and units constructed by Lessee and shall provide for a single condominium association to include all buildings, units and unit owners. Lessee shall provide to Lessor for its approval a true copy of the proposed Declaration not less than twenty (20) days after mutual acceptance of this Lease. Pursuant to RCW 64.34.220(2) and (3), the Declaration shall provide that the condominium association shall collect from unit owners rent and that it shall, in any event, pay rent hereunder for all the condominium owners and act as the owners' exclusive representative. Further, the Declaration shall provide that no unit owner shall: (1) have standing to intervene in any judicial proceeding between Lessor and Lessee; (2) be entitled to partially cure any default by Lessee; or (3) be entitled to engage in commercial activity on the premises unless in full compliance with all applicable laws and only after reaching a written agreement with Lessor concerning, at a minimum, the type of activity and the manner it is conducted as set forth in the section entitled BUSINESS PURPOSE/ BASE LINE ACTIVITY, and meeting the requirements of the section entitled HOLD HARMLESS PROVISIONS, LIABILITY AND INDEMNITY and the section entitled INSURANCE COVERAGE, of this Lease. The Declaration shall not be recorded nor any portion of the improvements sold unless and until the Declaration is approved by Lessor, which approval shall not be unreasonably withheld.

Following the creation of the condominium, Lessee may assign its rights and obligations hereunder to the unit owners association of the condominium which will become the Lessee under this Lease for all purposes, from the moment of its incorporation;
