Survey Notes

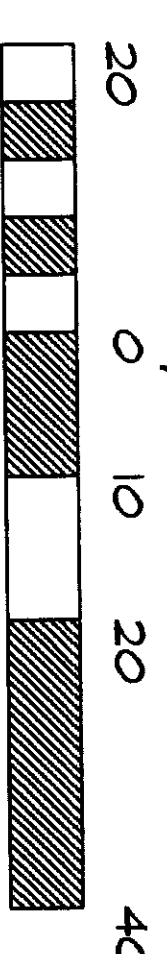

This survey has been prepared from a closed random traverse using an electronic instrument measuring angles to 3 seconds of arc and distances rounded to hundredths of feet.

The purpose of this survey has been to locate, describe and remark or set monuments as required to mark the four principle corners of the property described left.

All found monuments were observed to agree with plat and prior survey dimensions within one tenth of a foot except as noted.

Bearings are oriented to that Record of Survey recorded under Auditor's File Number 970813001, records of Skagit County, Washington.
