E. MATTERS DISCLOSED AND/OR DELINEATED ON THE FACE OF THE FOLLOWING PLAT/SUBDIVISION:

Plat/Subdivision Name: Lake View Heights
Recorded: April 12, 2006
Auditor's No.: 200604120075

Said matters include but are not limited to the following:

1. The right to make all necessary slopes for cuts and fills, and the right to continue to drain said roads and ways over and across any lot or lots, where water might take a natural course, in the original reasonable grading of the roads and ways shown hereon. Following original, no drainage waters on any lot or lots shall be diverted or blocked from their natural course so as to discharge upon any public road. Any enclosing of drainage waters in culverts or drains rerouting shall be done by and at the expense of such owner.

2. Easements are granted to Public Utility District No. 1 of Skagit County, Washington, a municipal corporation, its successors or assigns, the perpetual right, privilege and authority enabling the District to do all things necessary or proper in the construction and maintenance of a water, and communication line, lines or related facilities including the right to construct, operate, maintain, inspect, improve, remove, restore, alter, replace, relocate, connect to and locate at any time a pipe or pipes, line or lines or related facilities along with necessary appurtenances for the transportation of water, and communication lines or other similar public services over, across, along in and under the lands as shown on this plat together with the right of ingress to and egress from said lands across adjacent lands of the grantor. Also, the right to cut and/or trim all brush or other growth standing or growing upon the lands of the grantor which, in the opinion of the District, constitutes a menace or danger to said line(s), or to persons or property by reason or proximity to the line(s). The grantor agrees that title to all brush, other vegetation or debris trimmed, cut and removed from the easement pursuant to this agreement is vested in the District.

Grantor, its heirs, successors or assigns hereby conveys and agrees not to construct or permit to be constructed structures of any kind on the easement area without written approval of the General Manager of the District. Grantor shall conduct its activities and all other activities on grantor's property so as not to interfere with, obstruct or endanger the usefulness of any improvements or other facilities, now or hereafter maintained upon the easement or in any way interfere with, obstruct or endanger the District's use of the easement.

3. Maintenance of the private road that gives access from Walker Valley Road to Lots 2 through 6 of this short plat shall be shared equally by all property owners. Any future lots created by subdivision of any lot in this short plat shall be subject to equal maintenance share. Maintenance can be discussed by the property owners on a once a year basis and any maintenance needed will be passed by a majority vote, one vote per lot.

4. Plat name and number and date of approval shall be included in deeds and contracts.

5. All private roads, easements, community utilities and properties shall be owned and maintained by the owners of the properties served by the facilities and kept in good repair and adequate provisions shall be made for appropriate pro-rata contributions for such maintenance by any future land divisions that will also use the same private road, per SCC 14.18.200 (6)(A).

6. No building permit shall be issued for any residential and/or commercial structures which are not at the time of application, determined to be within an official designated boundary of Skagit County Fire District.

7. In no case shall the county accept a dedication or any obligation as to any such road, street and/or alley until the same and all roads, streets, and/or alleys connecting to the same to the full current county road system have been brought up to full county road standards and a right-of-way deed has been transferred to and accepted by the county.

8. All runoff from impervious surfaces, roof drains shall be directed so as not to adversely affect adjacent properties.

9. A Skagit County address range has been applied to the road system in this subdivision. At the time of application for building and/or access, Skagit County GIS will assign individual addresses in accordance with the provisions of Skagit County Code 15.24.

10. A Lot of Record Certification has been issued for all lots included in this subdivision. By virtue of recording this land division and issuance of the lot certification, all lots therein shall be considered lots of record for conveyance and development purposes unless otherwise
