2. Easements are granted to Public Utility District No. 1 of Skagit County, Washington, a municipal corporation, its successors or assigns, the perpetual right, privilege and authority enabling the District to do all things necessary or proper in the construction and maintenance of a water and communication line, lines or related facilities, including the right to construct, operate, maintain, inspect, improve, remove, restore, alter, replace, relocate, connect to and locate at any time a pipe or pipes, line or lines or related facilities, along with necessary appurtenances for the transportation of water and communication lines or other similar public services over, across, along, in and under the lands as shown on this Plat together with the right of ingress to and egress from said lands across adjacent lands of the Grantor; also, the right to cut and/or trim all brush, or other growth standing or growing upon the lands of the grantor which, in the opinion of the District, constitutes a menace or danger to said line(s) or to persons or property by reason of proximity to the line(s). The Grantor agrees that title to all brush, other vegetation or debris trimmed, cut and removed from the easement pursuant to this agreement is vested in the District.

Grantor, its heirs, successors or assigns hereby conveys and agrees not to construct or permit to be constructed structures of any kind on the easement area without written approval of the General Manager of the District. Grantor shall conduct its activities and all other activities on Grantor's property so as not to interfere with, obstruct or endanger the usefulness of any improvements or other facilities, now or hereafter maintained upon the easement or in any way interfere with, obstruct or endanger the District's use of the easement.

3. Easements for the purpose of conveying local storm water runoff and sanitary sewer are hereby granted in favor of all abutting private lot owners in the areas designated as private drainage or private sewer easements. The maintenance of private easement established and granted herein shall be the responsibility of and the costs thereof shall be borne equally by the present and future owners of the abutting private lot owners and their heirs, owners, personal representatives and assigns.

Tract A is hereby dedicated as open space and drainage tract. The City of Mount Vernon is hereby granted the right to enter said easements and Tract A for emergency purposes at its own discretion.

4. Setbacks Front Yard – 25' on arterial streets and 20' on all others, corner lots and through lots shall observe the minimum setback on both streets.

Side Yard – 5', the total of the two side yards shall be a minimum of 15'.

Rear Yard – 20'. Building envelopes are shown on Sheet 4 of 4.

5. Sewage Disposal – City of Mount Vernon

Water – Skagit County PUD

Power – Puget Sound Energy

Telephone – Verizon

Gas – Cascade Natural Gas

8. Lot 14 is subject to an easement, as shown, for ingress – egress, drainage and utilities over under and across for the benefit of all lots within the plat and the City of Mount Vernon for access to the sewer pump station located on Tract C. No structures or fences may be built in this easement. Said easement is shown and dimensioned on Sheet 3 of 4.

9. Subject to the Declaration of Covenants, Conditions and Restrictions as recorded under AFN 200505050093, which establishes ownership and maintenance responsibilities for the private drainage and sewer facilities, Tracts A, B and D, trails, landscaping and other common amenities that lie within the Plat of "North Hill".

10. A portion of this plat lies within Flood Zone A-1 as shown on FEMA Map 530158-001-8, dated January 3, 1985. The base flood elevation appears to be 37 feet, NGVD 29. The contour as shown hereon reflects ground conditions in September 2003. Contact the lead agency for finished floor elevations within the flood plain.

11. The City of Mount Vernon is hereby granted and conveyed access over and across Tract A for access to the drainage facilities and sewer pump station (Tract C). Said Tract A is also for the mutual use of the homeowners association for ingress, egress and utilities over, under and across for present and any future amenities or improvements.

12. Tract A is subject to an easement for ingress, egress and utilities over, under and across for the benefit of Lot 28.

13. At this time the sanitary sewer pump station that serves this plat has not been completed. Only the developer of this plat may apply for building permits at this time. No certificate of occupancy will be issued for any homes built in this plat until the sanitary sewer pump station has been completed and accepted by the City Council.

14. No building permits shall be issued on Lots 26, 27 or 28 until all utilities, private roads and access areas have been constructed.

15. Tracts A, B and D and the trail easement area located on Lot 26 shall be maintained by the homeowners association.

16. An easement is hereby reserved for and granted to the City of Mount Vernon, Skagit County Public Utility District No. 1, Puget Sound Energy, Verizon Northwest, Cascade Natural Gas Corporation, and AT&T Broad Band and their respective successors and assigns under and upon the exterior 10 feet of all lots and tracts abutting all public roads and rights of way as shown hereon in which to install, lay, construct, renew, operate, maintain and remove utility systems, lines, fixtures and appurtenances attached thereto for the purpose of providing utility services to the subdivision, together with the right to enter upon the lots and tracts at all times for the purposes stated, with the understanding that any grantee shall be responsible for all unnecessary damage it caused to any real property owner in the subdivision by the exercise of rights and privileges herein granted.

17. The maintenance of private landscape easements established and granted herein shall be the responsibility of and the costs thereof shall be borne equally by the present and future owners of Lots 1 – 28 and their heirs, owners personal representatives and assigns.

18. Delineation of building envelope areas.

19. Delineation of utility, drainage, sewer and landscape easements affecting various lots and portions of subject plat. Said plat should be reviewed for full particulars pertaining to such matters.
