RE: Lot of Record Certifications:

PL08-0063, East ½ only of Parcel P21345

PL08-0145, West ½ only of Parcel P21345

PL08-0146, P21354, 21328 & 100140 as one parcel

Dear Mr. Cecotti:

Thank you for your patience during the lengthy review of the above Lot of Record Certifications. The determination for a Lot of Record is based on review of the conveyance documents submitted, including, but not necessarily limited to: the legal description contained in each conveyance document, including all contiguous property ownership; assessing when parcels came together; when parcels were separated; and what County regulations, if any, were in effect at the time of conveyance of any specific legal description.

This office has completed review of the above noted application and based on information submitted the following determinations have been made:

Lot of Record Certification PL08-0063, East ½ Only of Parcel P21345:

Lot Certification PL08-0063 is comprised of the legal description for only the East ½ of Parcel P21345. This determination is based on review of legal descriptions of property as conveyed.

Parcel P21345 is assessed at approximately 31.9 acres. The East ½ of this parcel is described as the East ½ of the Northeast ¼ of the Southwest ¼ of Section 10. This is considered a "subdivisional" description and would be considered as a "subdivisional 20 acre tract". The current zoning is Agricultural-Natural Resource Land. This zoning designation has a minimum lot size of 40 acres, at approximately 15 acres for the East ½ only; this Lot of Record is considered substandard in size to the zoning designation. This Lot of Record may be conveyed individually, or in combination with parcels associated with Lot of Record, PL08-0145, or PL08-0146. However individually, this Lot of Record is not eligible for residential development.

Lot of Record PL08-0145, West ½ Only of Parcel P21345 (new):

Lot Certification PL08-0145 is comprised of the legal description for only the West ½ of Parcel P21345. This determination is based on review of legal descriptions of property as conveyed.

Parcel P21345 is assessed at approximately 31.9 acres. The West ½ of this parcel is described as the West ½ of the Northeast ¼ of the Southwest ¼ of Section 10. This is considered a "subdivisional" description and would be considered as a "subdivisional 20 acre tract". The current zoning is Agricultural-Natural Resource Land. This zoning designation has a minimum lot size of 40 acres, at approximately 15 acres for the West ½ only; this Lot of Record is considered substandard in size to the zoning designation. This Lot of Record may be conveyed individually, or in combination with parcels associated with Lot of Record, PL08-0063, or PL08-0145. However individually, this Lot of Record is not eligible for residential development.

It should be noted that if the two Lot Certifications were combined, Parcel P21345 could be considered as a "subdivisional 40 acre tract" and eligible for residential development.

Lot of Record Certification PL08-0146, Parcels P16789 and 16790 (new):

Lot Certification PL08-0146 is comprised of Parcels P21354, 21328, and 100140 as a single unit, as Tract B of Short Plat 8-78. The subject property is approximately 27 acres in size, with an existing residence and various other buildings. Again, the zoning is Agricultural-Natural Resource Land and at 27 acres is considered substandard in size to the zoning designation. However, being part of an approved subdivision, this parcel is considered eligible for residential development. This parcel may be conveyed individually or in combination with the other above noted Lots of Record.

Enclosed please find copies of all documents submitted for review; copies of unrecorded Lot of Record PL08-0063, PL08-0145, PL08-0146. The original Lot Certifications have been forwarded to the Skagit County Auditor's Office for recording. At such time as the originals are received by this office, the originals and invoices for application and recording fees for the two new Lot Certifications will be forwarded.

If you have any questions, please feel free to contact this office.
