RE: Lot of Record Certification PL07-0902
Parcel P67565
Lot 29, Plat of Moores Garden

Dear Mrs. Moores:

This office has determined, based on the information submitted, that Parcel P67565, is a Lot of Record. However, it should be noted that the Lot of Record Certification is limited to conveyance only and at this time does not include Certification for development.

The determination of Conveyance Only is based on review of Skagit County Code 14.16.850. Enclosed please find a copy of this Section.

Skagit County Code requires processing of a Reasonable Use Application prior to residential development on a parcel less than the minimum lot size and not qualifying for any of the exemptions noted in the ordinance.

The subject property is currently zoned Rural Reserve. The Rural Reserve zoning designation has a minimum lot size of ten (10) acres. The subject property appears to be approximately 9,600 sq. ft., and is considered substandard to the zoning designation and does not appear to comply with any of the noted exemptions. Thus, in order for residential development to occur it will be necessary to apply for and receive a Reasonable Use Certification.

Enclosed please find a Reasonable Use Application. The fee for this application is \$ 300.00, plus approximately \$ 100.00 publishing cost, plus approximately \$ 43.00 for the recording of the final document. The basis for approving or denying a Reasonable Use Certification is the completed Lot Certification process.

The processing time of a Reasonable Use Application is approximately eight weeks. Included in the processing is notification of all adjacent property owners within 300 ft and two separate notices published in the Skagit Valley Herald. In order to notify the adjacent property owners, the applicant of a Reasonable Use Application is required to provide stamped, addressed envelopes as part of the complete application.

Enclosed please find an unrecorded copy of the Lot Certification and a Reasonable Use Exemption Application. The original of the Lot Certification has been forwarded to the Skagit County Auditor's Office for recording. When the original is received by this office from the Auditor, it will be forwarded to you.

If you have any questions, please feel free to contact this office.

Sincerely,

Grace Roeder, Associate Planner
Planning & Development Services
