2.3 Maintenance of Rights of Way, Easements and Licenses. Grantor will maintain, preserve and renew all rights of way, easements, grants, privileges, licenses and franchises reasonably necessary for the use of the Mortgaged Property from time to time. Upon any material failure to maintain the Mortgaged Property in accordance with the provisions of the Loan Agreement and this Deed of Trust, and after notice to Grantor of such failure, which is not cured by Grantor within thirty (30) days of receipt of such notice, Beneficiary, at its option, may enter the Mortgaged Property and cause reasonable repair and maintenance work to cure such material failure to be performed at the cost of Grantor.

Grantor agrees to execute and deliver to Beneficiary such additional instruments in form and substance satisfactory to Beneficiary, as may hereafter be reasonably requested by Beneficiary to further evidence and confirm such assignment. Nevertheless, subject to the terms of this Section, Beneficiary grants to Grantor a revocable license to collect the Receipts. Upon the occurrence of an Event of Default, the license granted to Grantor herein shall be automatically revoked and Beneficiary shall immediately be entitled to receive all Receipts and to exercise or enforce, or seek to exercise or enforce, or avail itself of, any and all of the rights, powers, privileges, authorizations or benefits assigned and transferred to Beneficiary hereunder, whether or not Beneficiary enters upon or takes control of the Mortgaged

Property. Upon the cure of the Event of Default which gave rise to the revocation and provided that no Default or Event of Default is then in existence, the license shall be reinstated unless Lender has sooner exercised its remedies hereunder. Beneficiary is hereby granted and assigned by Grantor the right, at its option, upon the revocation of the license granted herein to enter upon the Mortgaged Property in person, by agent or by court-appointed receiver to collect the Receipts. Any Receipts collected after the revocation of the license herein granted may be applied toward payment of the Obligations in such priority and proportion as Beneficiary, acting reasonably, shall deem proper. It is further the intent of Grantor and Beneficiary that the Receipts hereby absolutely assigned are no longer, during the term of this Deed of Trust, property of Grantor or property of any estate of Grantor as defined in Section 541 of the Bankruptcy Code. The term "Receipts" as used herein shall mean the gross receipts without deduction or offsets of any kind.

3.7.2 The lien, security interest and pledge of the Receipts is deemed perfected upon the recording of this Deed of Trust and that the forwarding of a notice to Grantor and/or the other parties to such Agreements after the occurrence of an Event of Default, advising Grantor of the revocation of Grantor's license to collect such Receipts, shall be sufficient action by Beneficiary to (1) enforce the perfected lien on or security interest in or pledge of the Receipts, (2) take possession thereof and (3) entitle Beneficiary to immediate and direct payment of the Receipts, for application as provided in this Deed of Trust, all without the necessity of any further action by Beneficiary, including, without limitation, any action to obtain possession of the Mortgaged Property or any portion thereof.

3.7.3 All Agreements executed after the date of this Deed of Trust, except as provided in the Loan Agreement, shall provide that they are subordinate to this Deed of Trust and that the lessee agrees to attorn to Beneficiary; provided, however, that nothing herein shall affect Beneficiary's right to designate from time to time any one or more Agreements as being superior to this Deed of Trust and Grantor shall execute and deliver to Beneficiary and shall cause to be executed and delivered to Beneficiary from each other party under such Agreement any instrument or agreement as Beneficiary may deem necessary to make such Agreement superior to this Deed of Trust.

3.7.4 Grantor shall not, without the prior written consent of Beneficiary or in accordance with the terms and conditions of the Loan Agreement, enter into any lease or license agreement for all or any significant portion of the Real Property Collateral. At any time that Grantor shall enter into an Agreement, Grantor shall, at the request of Beneficiary, cause the other parties thereto, and any Guarantor thereunder to execute and deliver to Beneficiary a Consent and Agreement in the form then currently being generally used by Beneficiary.

3.7.5 With respect to any Agreement (other than as provided in the Loan Agreement), (a) Grantor shall not, without the prior written consent of Beneficiary, except in the ordinary course of business: (i) alter, amend, change or waive the terms of any such Agreement or cancel, terminate, abridge, release a party thereto or otherwise modify the terms of any such Agreement, whether by written document, course of dealing or otherwise, (ii) consent to any assignment of or subletting under any such Agreement, (iii) cancel, terminate, abridge or

otherwise modify any guaranty of any such Agreement or the terms thereof, or (iv) collect or accept prepayments of installments of Receipts in advance of the due date thereof, and (b) Grantor shall enforce (not including termination) in the ordinary course of business at its cost and expense the obligations of the other parties under the Agreements and the obligations of any Guarantor under any Guarantee, to the full extent thereof.

3.7.6 With respect to each Agreement Grantor shall (i) observe and perform each and every provision thereof on Grantor's part to be fulfilled or performed under each Agreement and not do or permit to be done anything to impair the value of the Agreement as security for the Loan, including surrender or voluntary termination of any lease, (ii) promptly send to Beneficiary copies of all notices of default which Grantor shall send or receive thereunder, (iii) enforce all of the terms, covenants and conditions contained in each Agreement in the ordinary course of business, (iv) execute and deliver, at the request of Beneficiary, all such further assurances, confirmations and assignments in connection with the Mortgaged Property as Beneficiary shall, from time to time, require, and (v) upon request, furnish Beneficiary with executed copies of all Agreements, and (vi) not perform any act or execute any other instrument that might prevent Beneficiary from enjoying and exercising any of its rights and privileges evidenced hereby. Grantor shall from time to time upon request of Beneficiary, deliver to Beneficiary a list of all Agreements, with terms, rent, payments, information on all parties and other information required by Beneficiary which shall be certified as true and correct by Grantor.

3.7.7 Grantor hereby indemnifies and holds Beneficiary harmless from and against any all liability, loss, cost, damage, or expense which Beneficiary may incur by reason of this assignment of rents and leases, or for any action taken by Beneficiary hereunder, or by reason or in defense of any and all claims and demands whatsoever which may be asserted against Beneficiary arising out of the leases or with respect to the rents regardless of whether the claims or causes of action of whatever nature are founded in whole or in part upon the negligence (either act or omission) of Beneficiary except to the extent they arise out of the gross negligence or willful misconduct of Beneficiary. In the event Beneficiary incurs any such liability, loss, cost, damage, or expense, the amount thereof, together with all reasonable attorneys' fees will be payable by Grantor immediately without demand and will be deemed a part of the Obligations secured hereby.

3.7.8 Beneficiary's acceptance of this assignment shall not, prior to entry upon and taking possession of the Mortgaged Property by Beneficiary, be deemed to constitute Beneficiary a "mortgagee in possession," nor obligate Beneficiary to appear in or defend any proceeding relating to any of the Agreements or to the Mortgaged Property, take any action hereunder, expend any money, incur any expenses, or perform any obligation or liability under the Agreements, or assume any obligation for any deposits delivered to Grantor by any lessee and not delivered to Beneficiary. Beneficiary shall not be liable for any injury or damage to person or property in or about the Mortgaged Property. This Section 3 shall not place responsibility upon Beneficiary for control, care, management or payment of taxes with respect to any property which is the subject of the Agreements or make Beneficiary responsible or liable for any negligence in the management, operation, or control of said property resulting in any loss or damage.

3.7.9 Grantor hereby irrevocably authorizes and directs the parties under the Agreements to pay all Receipts to Beneficiary upon written demand by Beneficiary, without further consent of Grantor and regardless of whether Beneficiary has taken possession of any other portion of the Mortgaged Property, and the tenants may rely upon any written statement delivered by Beneficiary to the tenants. Any such party is hereby authorized by Grantor to rely upon and comply with any notice or demand by the Beneficiary for the payment to the Beneficiary of any amounts that may be or become due under the Agreement to which it is a party, or for the performance of any obligations under such Agreement. Grantor agrees that any party following such instructions from Beneficiary shall not be liable to Grantor or any person claiming under Grantor, for making any payment or rendering any performance to Beneficiary. No party shall have any obligation or right to inquire whether any default has actually occurred or is then existing. **BY ITS EXECUTION OF THIS DEED OF TRUST, GRANTOR AGREES TO INDEMNIFY, DEFEND AND HOLD HARMLESS ANY PARTY FROM ANY LOSS, DAMAGE OR CLAIM ARISING FROM SUCH PARTY MAKING ANY PAYMENT OR TAKING ANY ACTION IN RELIANCE UPON THE TERMS HEREOF.** Beneficiary agrees that it shall not exercise its rights under this Section 3.7.9 except after occurrence of an Event of Default.

3.7.10 Upon the occurrence of a material default by any party under any Agreement (a "**Default Condition**") which continues for thirty (30) days after such occurrence or such shorter period as may be required under the Agreement involved, or an Event of Default, Beneficiary shall have the right at its option to enforce and to exercise any or all of its rights hereunder or otherwise, whether or not Beneficiary has possession of the property which is the subject of the Agreement, and without notice to Grantor, and shall have the immediate and continuing right to cause Grantor to make and deliver, or to make and deliver on behalf of Grantor, any and all timber deeds, releases, bills of sale or other documents required thereunder, to collect and receive all sums which may become due to Grantor or to which Grantor is now or shall hereafter become entitled or may demand or claim, arising from or out of any such Agreements, to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the Agreements and to do any and all other things whatsoever which Grantor is, or may become, entitled to do under any Agreements in order to realize fully the rights, entitlements and benefits of Grantor thereunder, including without limitation, the right and authority to (i) demand, sue for, receive, collect all amounts that may be or become payable to Grantor under the Agreements; (ii) exercise and enforce by suit or otherwise compliance with and any remedies for non-compliance, with respect to other parties to the Agreements for breaches of the terms and conditions of the Agreements; (iii) compromise or give acquittance for amounts due under the Agreements; (iv) take any action or actions or institute, appear in and defend any proceedings which Beneficiary may deem to be necessary or advisable in connection with the Agreements; (v) delegate any and all rights and powers given to Beneficiary by this Deed of Trust; and (vi) use such measures, legal or equitable, and take such actions, as in its sole discretion, may be necessary to perform the obligations of Grantor under the Agreements or carry out and effectuate the provisions of this Deed of Trust. All such actions shall be taken at the expense of the Grantor, and Grantor agrees to reimburse Beneficiary for all amounts expended, including legal and other professional fees, together with interest thereon from the date of expenditure at the Default Rate stated in the Notes, upon demand, which amounts shall be

secured hereby. Further, Beneficiary shall have full power and authority, and Grantor does hereby constitute Beneficiary as Grantor's true and lawful attorney-in-fact, irrevocably, with full power (in the name of Grantor, or otherwise), coupled with an interest, whether or not Beneficiary has taken possession of the property which is the subject of the Agreements, to take any or all of the above actions.

3.7.11 Upon Grantor's request, Grantor shall keep Beneficiary reasonably informed as to the status of the Agreements and the compliance by the parties thereto with their respective obligations thereunder. Grantor shall give Beneficiary copies of any notices or communications of a material substantive nature to or from any other party to the Agreements, including, without limitation, any such notices or communications claiming any default, breach or violation by any party thereto.

3.8 Transfer or Further Encumbrance of the Collateral.

3.8.1 Grantor shall not, without the prior written consent of Beneficiary, or in accordance with the Loan Agreement, sell, convey, alienate, mortgage, encumber, pledge or otherwise transfer the Mortgaged Property or any part thereof, or permit or suffer the Mortgaged Property or any part thereof other than sand and gravel to be sold, conveyed, alienated, mortgaged, encumbered, pledged or otherwise transferred. A sale, conveyance, alienation, mortgage, encumbrance, pledge or transfer of the Mortgaged Property within the meaning of this Section and as set forth in the Loan Agreement shall be deemed to include (i) an installment sales agreement wherein Grantor agrees to sell the Mortgaged Property or any part thereof for a price to be paid in installments, (ii) an agreement by Grantor leasing all or a substantial part of the Mortgaged Property or a sale, assignment or other transfer of, or the grant of a security interest in, Grantor's right, title and interest in and to any Agreements or any Receipts, or (iii) the voluntary or involuntary sale, conveyance, encumbrance, pledge, hypothecation, dilution or transfer of any direct or indirect ownership or beneficial interest in Grantor, or a change in control of Grantor, which is not permitted under the Loan Agreement.

3.8.2 Any purchaser, transferee or future ground lessee of a substantial portion of the Mortgaged Property pledged and assigned herein shall be deemed to have assumed and agreed to pay the Secured Obligations and to have assumed and agreed to be bound by and to keep, observe, perform and comply with all covenants, agreements, conditions and provisions of this Deed of Trust (including, without limitation, the terms of this Section) unless Beneficiary specifically agrees in writing to the contrary. Without limiting the generality of the foregoing, each such purchaser, transferee, lessee, pledgee and assignee shall be deemed to have made and agreed to each waiver, consent, authorization, direction and appointment made by or agreed to by Grantor under this Deed of Trust. Grantor agrees that, in the event ownership of all or any part of the Mortgaged Property becomes vested in a person other than Grantor, Beneficiary may, without notice to Grantor, deal in any way with such successor or successors in interest with reference to this Deed of Trust, the other Loan Documents and the Obligations, without in any way vitiating or discharging Grantor's liability with respect thereto. Any such purchaser, transferee, lessee, pledgee or assignee shall confirm the above in writing at the request of Beneficiary and shall furnish any other performance or documentation required by Beneficiary.

No sale, conveyance, transfer, pledge, encumbrance, assignment or lease referred to in the immediately preceding Section, and no forbearance, extension or assumption by or to any person with respect to the Obligations or any of the Loan Documents, shall operate to release, discharge, modify, change or affect the liability of Grantor, either in whole or in part, unless Beneficiary specifically agrees in writing to the contrary.

3.9 Inspection. Grantor agrees that Beneficiary and/or its agents and independent contractors, shall have the right to the extent permitted hereunder to enter the Mortgaged Property upon reasonable prior notice during normal business hours, to inspect and test the Mortgaged Property, for the purpose of determining whether Grantor is in compliance with the provisions of this Deed of Trust and the other Loan Documents.

3.10 Security Agreement, Financing Statements and Fixture Filing.

3.10.1 This Deed of Trust is a real property Deed of Trust and a "security agreement" and a "financing statement" and a "fixture filing" within the meaning of the Commercial Code in effect in the State in which the Premises are located (the "Code"). The Mortgaged Property includes both real and personal property, including Timber to be cut, as-extracted collateral and goods, including goods which are or are to become fixtures, and all other rights and interests, whether tangible or intangible in nature, of Grantor in the Mortgaged Property. - (a) Grantor shall prevent any Code Collateral from being or becoming an accession to any property not subject to security interests created by this Deed of Trust.
- (b) From time to time hereafter at the request of Beneficiary, Grantor shall deliver to Beneficiary up to date schedules of any items of Code Collateral.
- (c) Grantor shall not change its name, its mailing address, its state of organization, its form of organization, its state-issued organizational identification number or the location of its chief executive office without giving at least thirty (30) days prior written notice to Beneficiary.

3.10.4 Without limiting the other remedies set forth herein, on the happening of any Event of Default or at any time thereafter: (a) the Beneficiary shall have and may exercise with respect to the personal property and other non-real estate collateral included in the UCC Collateral, all rights, remedies and powers of a secured party under the Code with reference to the UCC Collateral or any other items in which a security interest has been granted herein, including without limitation the right and power to sell at public or private sale or sales or otherwise dispose of, lease or utilize the UCC Collateral and any part or parts thereof in any manner to the fullest extent authorized or permitted under the Code after default hereunder, without regard to preservation of the UCC Collateral or its value and without the necessity of a court order; (b) the Beneficiary shall have, among other rights, the right to take possession of the UCC Collateral and to enter upon any premises where the same may be situated for the purpose of repossessing the same without being guilty of trespass and without liability for damages occasioned thereby and to take any action deemed appropriate or desirable by the Beneficiary, at its option and its sole discretion, to repair, restore or otherwise prepare the UCC Collateral for sale, lease or other use or disposition; and (c) at the Beneficiary's request, the Grantor, at Grantor's expense, shall assemble the UCC Collateral and make the UCC Collateral available to the Beneficiary at any place designated by the Beneficiary. To the extent permitted by law, the Grantor expressly waives any notice of sale or any other disposition of the UCC Collateral and any rights or remedies of the Beneficiary with respect to, and the formalities prescribed by law relative to, the sale or disposition of the UCC Collateral or to the exercise of any other right or remedy of the Beneficiary existing after default. To the extent that such notice is required and cannot be waived, the Grantor agrees that if such notice is given to the Grantor in accordance with the provisions of Section 5.8 below, at least ten (10) days before the time of the sale or other disposition, such notice shall be deemed reasonable and shall fully satisfy any requirement for giving said notice. Grantor shall pay to Beneficiary on demand any and all reasonable expenses, including reasonable legal expenses and attorneys' fees and disbursements, incurred or paid by Beneficiary in protecting its interest in the Code Collateral after an Event of Default and in enforcing its rights hereunder after an Event of Default with respect to the Code Collateral. Any notice of sale, disposition or other intended action by Beneficiary with respect to the Code Collateral sent to Grantor in accordance with the provisions hereof at least ten (10) days prior to such sale, disposition or action shall constitute reasonable notice to Grantor. The proceeds of any disposition of the Code Collateral, or any part thereof, may be applied by Beneficiary to the payment of the Obligations in such priority and proportions as Beneficiary in its discretion shall deem proper.

3.10.5 The Grantor hereby irrevocably authorizes the Beneficiary at any time and from time to time to file in any Uniform Commercial Code jurisdiction any initial financing statements and amendments thereto that (a) indicate the UCC Collateral as being assets of the Grantor or words of similar effect, regardless of whether any particular asset comprised in the

UCC Collateral falls within the scope of Article 9 of the Uniform Commercial Code of such jurisdiction, or with greater detail, and (b) contain any other information required by part 5 of Article 9 of the Uniform Commercial Code of the state where this Deed of Trust is recorded for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether the Grantor is an organization, the type of organization and any organization identification number issued to the Grantor and, (ii) in the case of a financing statement filed as a fixture filing or indicating Code Collateral that is as-extracted collateral or timber to be cut, a sufficient description of real property to which the Code Collateral relates and, if the Grantor does not have an interest of record in the real property, provide the name of the record owner. The Grantor agrees to furnish any such information to the Beneficiary promptly upon request. The Grantor also ratifies its authorization for the Beneficiary to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto if filed prior to the date hereof. Grantor shall promptly execute, file and record, at its sole cost and expense, such Code forms as are necessary to maintain the validity and priority of the lien of Beneficiary upon and security interest in the Code Collateral. In addition, Grantor shall promptly execute, file and record such additional Code forms or continuation statements and further assurances as Beneficiary shall deem necessary to insure the attachment, perfection and first priority of (other than Permitted Liens), and the ability of Beneficiary to enforce, the Beneficiary's security interest in any and all of the Code Collateral, and shall pay all expenses and fees in connection with the filing and recording thereof. Grantor hereby grants to Beneficiary an irrevocable power of attorney, coupled with an interest, to file with the appropriate public office on its behalf any financing or other statements signed only by Beneficiary, as secured party, in connection with the Code Collateral covered by this Deed of Trust.

3.10.6 For avoidance of doubt it is expressly understood and agreed that any terms included in the description of Code Collateral shall refer to any definitions thereof in the Code, as the same may be revised from time to time.

3.10.7 The security interest in any portion of the Timber constituting logs shall terminate at such time as the logs have been removed from the Premises and scaled or otherwise measured in the ordinary course of business.

3.11 Personal Property. Except as permitted by the Loan Agreement and the other Loan Documents, that portion of the Mortgaged Property consisting of personal property and equipment, shall be owned by Grantor and shall not be the subject matter of any lease or other transaction whereby the ownership or any beneficial interest in any of such property is held by any person or entity other than Grantor nor shall Grantor create or suffer to be created any security interest, other than a Permitted Lien, covering any such property as it may from time to time be replaced, other than the security interest created herein.

3.12 Subrogation. To the extent permitted by law and the provisions of the Loan Agreement, Beneficiary shall be subrogated, notwithstanding their release of record, to any mechanic's or vendor's lien or liens, superior titles, mortgages, deeds of trust, liens, encumbrances, rights, equities, and charges of all kinds heretofore or hereafter existing on the

Real Estate to the extent that the same are paid or discharged by Grantor, or by Beneficiary, whether or not from the proceeds of the Notes; provided, however, this Section shall not be deemed or construed to obligate Beneficiary to pay or discharge the same.

3.13 Condemnation. Immediately upon Grantor's obtaining knowledge of the institution of any proceeding for the condemnation of, or for the exercise of the right of eminent domain with respect to, the Mortgaged Property, or any part thereof, Grantor shall notify Beneficiary of such fact. Grantor shall then file or defend its claim thereunder and prosecute and/or negotiate same with due diligence to its final disposition or settlement, subject to the reasonable review and approval of the actions of Grantor in connection with such proceeding, and shall pay or cause to be paid over to Beneficiary for disposition pursuant to the terms of this Deed of Trust any awards or settlements. Grantor may be the nominal party in such proceeding, but Beneficiary shall be entitled to participate in and to control same and to be represented therein by counsel of its own choice, and Grantor will deliver, or cause to be delivered, to Beneficiary such instruments as may be requested by Beneficiary from time to time to permit such participation. If the Mortgaged Property is taken or diminished in value, or if a consent settlement is entered, by or under threat of such proceeding, the award or settlement payable to Grantor by virtue of its interest in the Mortgaged Property shall be, and by these presents is, assigned, transferred and set over unto Beneficiary subject to the lien and security interest of this Deed of Trust, and if paid to Beneficiary in accordance with this Section may, at the Beneficiary's election, but subject to the provisions of the Loan Agreement, be used in any one or more of the following ways: (a) apply the same in the manner set forth in the Notes and the Loan Agreement, it being understood that any condemnation shall be subject to the Loan to Value Ratio and other tests under the Loan Agreement, so that any award, as well as additional amounts, may be required to be used to prepay the Loan, which prepayments shall be subject to the prepayment premium provisions of the Notes (if any); (b) use the same or any part thereof to perform or discharge any of the Obligations; (c) use the same or any part thereof to restore, repair or replace the Mortgaged Property to a condition satisfactory to the Beneficiary (with the disbursement of such funds being made in accordance with the procedures approved by Beneficiary); or (d) release the same to Grantor. Subject to the foregoing, Beneficiary is empowered to collect and receive the proceeds of any condemnation or eminent domain award or settlement; Grantor hereby irrevocably appoints Beneficiary as Grantor's attorney-in-fact (coupled with an interest) to collect and receive such proceeds. Beneficiary shall not be obligated to collect, and shall not be liable for failure to collect, any such proceeds.

3.14 Environmental Covenants. In the event Grantor shall fail to provide to Beneficiary any environmental assessment, audit or update or shall fail to remove or remediate Hazardous Substances as required under the Loan Agreement after the passing of the applicable cure period, Grantor grants to Beneficiary and its employees and agents an irrevocable and non-exclusive license subject to the rights of tenants to enter the Mortgaged Property to conduct testing to remove or remediate any such Hazardous Substances and the costs of such testing and removal shall immediately be due and payable by the Grantor upon demand by Beneficiary together with interest at the Default Rate provided in the Notes and shall be secured by this Deed of Trust. Grantor covenants and agrees that it shall comply with all Environmental Protection Laws which are applicable to the Mortgaged Property and shall not permit the Mortgaged

Property to be used for a mine, landfill, dump or other disposal facility and shall not permit any underground storage tanks of any kind or character on the Mortgaged Property and shall not permit the presence on the Mortgaged Property of any Hazardous Substances in violation of any environmental protection law.

3.15 HOLD HARMLESS. GRANTOR WILL DEFEND, AT ITS OWN COST AND EXPENSE, INDEMNIFY AND HOLD BENEFICIARY HARMLESS FROM, ANY ACTION, PROCEEDING OR CLAIM AFFECTING BENEFICIARY, THE COLLATERAL OR THE LOAN DOCUMENTS, OR RESULTING FROM OR ARISING OUT OF THE FAILURE OF GRANTOR TO PERFORM OR DISCHARGE THE OBLIGATIONS OR OTHERWISE TO COMPLY WITH THE PROVISIONS OF THE LOAN DOCUMENTS, INCLUDING ANY ACTIONS TAKEN BY BENEFICIARY UNDER SECTION 4.3 BELOW NOTWITHSTANDING THE SOLE, CONCURRENT OR COMPARATIVE NEGLIGENCE OF BENEFICIARY, AND ALL COSTS AND EXPENSES INCURRED BY BENEFICIARY IN PROTECTING ITS INTERESTS HEREUNDER (INCLUDING ALL COURT COSTS AND ATTORNEYS' FEES) SHALL BE BORNE BY GRANTOR, PROVIDED THAT GRANTOR SHALL HAVE NO OBLIGATION TO DEFEND, INDEMNIFY OR HOLD HARMLESS BENEFICIARY TO THE EXTENT ARISING OUT OF BENEFICIARY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

4. DEFAULT AND REMEDIES.

4.1 Events of Default. The term "Event of Default," as used in this Deed of Trust, shall mean the occurrence or happening, at any time and from time to time, of an "Event of Default" under the Loan Agreement, or any of the other Loan Documents, or any one or more of the following:

4.1.1 If Grantor shall cause or permit any default in the performance of or compliance with the Section hereof entitled "Transfer or Further Encumbrance of the Mortgaged Property;"

4.1.2 A default or event of default (as defined therein) or commencement of a foreclosure shall exist or occur under any other mortgage, deed of trust or other instrument encumbering all or any portion of the Mortgaged Property (whether superior or junior to this Deed of Trust and the lien hereof), in favor of a party other than Beneficiary, regardless of whether or not the creation of such mortgage, deed of trust or other encumbrance has been previously consented to by Beneficiary (without hereby implying Beneficiary's consent to the existence, placing, creating or permitting of any such lien or security interest); or

4.1.3 Without the prior written consent of Beneficiary, Grantor grants any easement or dedication, files any plat, condominium declaration, or restriction, or otherwise encumbers the Mortgaged Property, unless such action is expressly permitted by the Loan Agreement or consented to in writing by Beneficiary.

4.2 Rights and Remedies of the Beneficiary Upon Default.

4.2.1 Upon the occurrence and during the continuance of an Event of Default, Beneficiary may, at its option and without demand upon or notice to the Grantor, declare all or any part of the Obligations to be immediately due and payable, whereupon all such Obligations shall become due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived by the Grantor (provided, that all Obligations shall be automatically due and payable upon an Event of Default described in any of Section 7.1.9 through Section 7.1.12 (inclusive) of the Loan Agreement, and the Beneficiary may immediately enforce payment of all such amounts and may exercise any or all of its rights and remedies under this Deed of Trust, the Notes, any of the other Loan Documents and applicable law and equity). The Grantor also waives any and all rights the Grantor may have to a hearing before any judicial authority prior to the exercise by the Beneficiary of any of its rights under this Deed of Trust, the Notes, any of the other Loan Documents and applicable law.

4.2.2 If an Event of Default shall have occurred and be continuing, Grantor, upon demand of Beneficiary, shall forthwith surrender to Beneficiary the actual possession, and if and to the extent permitted by law, Beneficiary may enter and take possession, of all the Mortgaged Property, and may exclude Grantor and its agents and employees wholly therefrom.

4.2.3 If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without notice to Grantor or anyone claiming under Grantor, and without regard to the then value of the Mortgaged Property or the interest of Grantor herein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Mortgaged Property, and Grantor hereby irrevocably consents to such appointment and waives notice of any application therefor. Any such receiver or receivers shall have all the powers and duties available to receivers under law and all the powers and duties of Beneficiary in case of entry as provided above and shall continue as such and exercise all such powers until the date of confirmation of sale of the Mortgaged Property unless such receivership is sooner terminated.

4.2.4 If an Event of Default shall have occurred and be continuing, Beneficiary may, in person or by agent or by a receiver appointed by a court, with or without bringing any action or proceeding and without regard to the adequacy of its security, the solvency of Grantor or the existence of waste, enter upon and take possession of the Mortgaged Property, or any part thereof, in its own name or in the name of Trustee, and do any acts that it deems necessary or desirable to preserve the value, marketability or rentability of the Mortgaged Property, or part thereof or interest therein, to increase the income therefrom or to protect the security hereof; and, with or without taking possession of the Mortgaged Property, sue for or otherwise collect the Receipts, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including attorneys' fees, upon any indebtedness secured by this Deed of Trust, all in such order as Beneficiary may determine. The entering upon and taking possession of the Mortgaged Property, and the collection of such Receipts and the application thereof, as aforesaid shall not cure or waive any Event of Default or notice of default hereunder or invalidate any act done in response to such Event of Default or pursuant to such notice of default and, notwithstanding the continuance in possession of the Mortgaged Property and/or the

collection, receipt and application of Receipts, Trustee or Beneficiary shall be entitled to exercise every right provided for in any of the Loan Documents or by law upon occurrence of any Event of Default, including any right to exercise the power of sale;

4.2.5 If an Event of Default shall have occurred and be continuing, Beneficiary may, either with or without entry or taking possession as hereinabove provided or otherwise, proceed by suit or suits at law or in equity or any other appropriate proceeding or remedy (a) to enforce payment of the Loan Documents or the performance of any term thereof or any other right, (b) to foreclose this Deed of Trust and to sell the Mortgaged Property, in accordance with applicable law, and (c) to pursue any other remedy available to it under this Deed of Trust, at law or in equity, all as Beneficiary shall deem most effectual for such purposes. Beneficiary shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession, as Beneficiary may determine.

4.2.6 If an Event of Default shall have occurred and be continuing, Beneficiary may foreclose this Deed of Trust as a mortgage or cause any or all of the Property to be sold under the power of sale granted by this Deed of Trust in any manner permitted by applicable law. For any sale under the power of sale granted by this Deed of Trust, Beneficiary or Trustee shall record and give all notices required by law and then, upon the expiration of such time as is required by law, Trustee may sell the Property upon any terms and conditions specified by Beneficiary and permitted by applicable law. Trustee may postpone any sale by public announcement at the time and place noticed for the sale. If the Property includes several lots or parcels, Beneficiary in its discretion may designate their order of sale or may elect to sell all of them as an entirety. The Property, real, personal and mixed, may be sold in one parcel. To the extent any of the Property sold by the Trustee is personal property, then Trustee shall be acting as the agent of the Beneficiary in selling such Property. Any person permitted by law to do so may purchase at any sale, including, without limitation, Beneficiary and if Beneficiary is the highest bidder, Beneficiary may credit the portion of the purchase price that would be distributed to Beneficiary against the Secured Obligations in lieu of paying cash. At any such sale by virtue of any judicial proceedings, power of sale; or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, Grantor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Grantor, and against all other Persons claiming or to claim the property sold or any part thereof, by, through or under Grantor. Following the completion of a judicial foreclosure or a trustee's sale of all or a portion of the security for the obligations secured hereby, to the fullest extent permitted by law, Beneficiary may seek and obtain a deficiency judgment. Upon any sale, Trustee will execute and deliver to the purchaser or purchasers a deed or deeds conveying the Property sold, but without any covenant or warranty, express or implied, and the recitals in the Trustee's deed showing that the sale was conducted in compliance with all the requirements of law shall be prima facie evidence of such compliance. Beneficiary shall have the right at its option to foreclose this Deed of Trust subject to the rights of any tenant or tenants of the Property, and the failure to make any such tenants party defendants to any such foreclosure proceeding and to foreclose its rights will not be, nor be asserted to be by Grantor, a

defense to any proceedings instituted by Beneficiary to collect the sum secured hereby, or any deficiency remaining unpaid after the foreclosure sale of the Mortgaged Property.

4.2.7 Borrower shall pay all of Beneficiary's and Trustee's expenses incurred in any efforts to enforce any terms of this Deed of Trust, whether or not any suit is filed, including without limitation legal fees and disbursements, foreclosure costs, title charges, and expenses incurred in any bankruptcy, reorganization, liquidation, receivership or similar proceeding. All such sums, with interest thereon, shall be additional indebtedness of Borrower secured by this Deed of Trust. Such sums shall be immediately due and payable and shall bear interest from the date of disbursement at the lesser of the Default Rate provided in the Notes, or the maximum rate permitted by law.

4.2.8 Trustee may postpone sale of all or any portion of the Mortgaged Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement or subsequently noticed sale, and without further notice make such sale at the time fixed by the last postponement; or Trustee may, in its discretion, give a new notice of sale. Beneficiary may rescind any such notice of default at any time before Trustee's sale. The exercise by Beneficiary of the right of rescission shall not constitute a waiver of any default and demand for sale, or notices of default and of election to cause the Mortgaged Property to be sold, nor otherwise affect the Notes or this Deed of Trust, or any of the rights, obligations or remedies of Beneficiary or Trustee hereunder.

4.2.9 Without limiting the generality of the foregoing, upon the occurrence of an Event of Default and during the continuance thereof the Beneficiary at its option, shall have the right, power and authority to exercise and enforce any or all of the following rights and remedies with respect to Receipts and Agreements:

(a) to enforce the termination of the license granted to the Grantor hereunder to collect the Receipts, and, without taking possession, in the Beneficiary's own name to demand, collect, receive, sue for, attach and levy upon the Receipts (including all income received or receivable with respect to any of the Mortgaged Property), to give proper receipts, releases and acquittances therefor, and after deducting all necessary and reasonable costs and expenses of collection, including reasonable attorneys' fees, to apply the net proceeds thereof to the Obligations in such order and amounts as the Beneficiary may choose (or hold the same in a cash collateral reserve as security for the Obligations);

(b) without regard to the adequacy of the security, with or without any action or proceeding, through any person or by agent, or by a receiver to be appointed by court, to enter upon, take possession of, manage and operate the property or any part thereof for the account of the Grantor; make, modify, enforce, cancel or accept surrender of any lease; remove and evict any lessee; increase or reduce rents; cut, remove, sell and dispose of timber and exercise all rights under deeds or contracts and otherwise do any act, or incur any cost or expense the Beneficiary shall deem proper to protect the security hereof, as fully and to the same extent as the Grantor could and to apply any funds to the operation and management of the Mortgaged

Property (including payment of reasonable management, brokerage and attorneys' fees) and payment of any Obligations in such order and amounts as the Beneficiary may choose (or hold the same in cash collateral reserve as security);

(c) to require Grantor to transfer and pay over to Beneficiary any deposits and records thereof, together with all original Agreements;

(d) to take whatever legal proceedings may appear necessary or desirable to enforce any obligation or covenant or agreement of the Grantor under this Deed of Trust; and

(e) The collection of the Receipts and application thereof (or holding thereof in reserve) as aforesaid or the entry upon and taking possession of the Mortgaged Property or both shall not cure or waive any default or waive, modify or affect any notice of default under this Deed of Trust, or invalidate any act done pursuant to such notice, and the enforcement of such right or remedy by the Beneficiary, once exercised, shall continue for so long as the Beneficiary shall elect, notwithstanding that the collection and application aforesaid of the Receipts may have cured the original default. If the Beneficiary shall thereafter elect to discontinue the exercise of any such right or remedy, the same or any other right or remedy hereunder may be reasserted at any time and from time to time following any subsequent default.

4.2.10 It is specifically understood and agreed that the foregoing acceleration provisions will be applicable not only to the maturities recited in the original Notes but also to any substituted maturities created by extension or renewal. The failure of the holder(s) of the secured indebtedness to declare an acceleration of maturities when a ground therefor exists, even though such forbearance may be repeated from time to time, will not constitute a waiver of the right of such holder(s) to accelerate maturities upon a recurrence of the same ground therefor; nor will the act of such holder(s) in remedying any condition resulting from declaring an acceleration of maturities by reason of such default.

4.2.11 If Beneficiary shall expend any sum or sums for the protection of any of the Mortgaged Property or the lien of this Deed of Trust during the continuance of an Event of Default (such Beneficiary to have sole discretion as to the necessity of making any such expenditures), the repayment of such sum or sums on demand (with interest thereon at the highest rate allowed by law from the date of each expenditure) shall be the personal obligation of the Borrower; and such obligation to repay will constitute a part of the indebtedness secured hereby. The expenditures thus made reimbursable will include, without limitation, taxes, special improvement assessments, insurance premiums, repairs and maintenance expenses, security expenditures, sums paid to discharge prior liens, rents on premises in which mortgaged personalty may be situated, etc. The cost of any abstract or supplemental abstract procured by Beneficiary to facilitate foreclosure will also constitute a part of the reimbursable expenses secured hereby.

4.3 Advances by Beneficiary. If the Grantor shall fail to comply, after the expiration of any applicable notice and cure period, with the provisions hereof with respect to the securing of insurance, the payment of taxes, assessments and other charges, the keeping of the Mortgaged

Property in repair, the performance of the Grantor's obligations under any lease, the payment of any prior mortgages, or the protection of any of the Mortgaged Property or the lien of this Deed of Trust or the performance of any other term or covenant herein contained, the Beneficiary may, without further notice to or demand upon Grantor and without waiving or releasing any other right, remedy or recourse (but shall not be obligated to) make such payment or perform such act for the account of and at the expense of Grantor (such Beneficiary to have sole discretion as to the necessity of making any such expenditures), and shall have the right to enter upon the Mortgaged Property for such purpose and to take all such action as it may deem necessary or appropriate. The repayment of any such sum or sums on demand (with interest thereon at the at the Default Rate as provided for and as defined in the Notes) shall be the personal obligation of the Grantor; and such obligation to repay will constitute a part of the indebtedness secured hereby. The expenditures thus made reimbursable shall include, without limitation, taxes, special improvement assessments, insurance premiums, repairs and maintenance expenses, security expenditures, sums paid to discharge prior liens, and rents on premises in which mortgaged personalty may be situated. The Grantor agrees to repay all such sums advanced upon demand, with interest from the date such advances are made at the Default Rate as provided for and as defined in the Notes, or the highest rate permitted by law, whichever shall be less, and all sums so advanced with interest shall constitute Obligations and shall be secured hereby. The cost of any title abstract or report or supplemental abstract or report procured by Beneficiary to facilitate foreclosure will also constitute a part of the reimbursable expenses secured hereby.

4.4 Tenancy at Will. In the event of a trustee's sale hereunder and if at the time of such sale Grantor or any other party occupies the portion of the Mortgaged Property so sold or any part thereof, such occupant shall immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either tenant or Landlord, at a reasonable rental per day based upon the value of the portion of the Mortgaged Property so occupied, such rental to be due and payable daily to the purchaser. An action of forcible detainer shall lie if the tenant holds over after a demand in writing for possession of such Mortgaged Property.

4.5 Indemnification of Trustee. Except for gross negligence or willful misconduct, Trustee shall not be liable for any act or omission or error of judgment. Trustee may rely on any document believed by him in good faith to be genuine. All money received by Trustee shall, until used or applied as herein provided, be held in trust, but need not be segregated (except to the extent required by law), and Trustee shall not be liable for interest thereon. Grantor hereby indemnifies Trustee against all liability and expenses that he may incur in the performance of his duties hereunder.

4.6 Beneficiary's Right to Perform. Upon Grantor's failure to make a payment or perform an act required by the Loan Documents, then at any time thereafter, and without further notice to or demand upon Grantor and without waiving or releasing any other right, remedy or recourse, Beneficiary may (but shall not be obligated to) make such payment or perform such act for the account of and at the expense of Grantor, and shall have the right to enter upon the

Mortgaged Property for such purpose and to take all such action as it may deem necessary or appropriate.

4.7 Other Rights. Beneficiary may exercise any and all other rights, remedies and recourses granted under the Loan Documents now or hereafter existing in equity or at law for the protection and preservation of the Mortgaged Property.

4.8 Remedies Cumulative, Concurrent and Nonexclusive. Beneficiary shall have all rights, remedies and recourses granted in the Loan Documents and available at law or equity (including, without limitation, those granted by the Code and applicable to the Mortgaged Property, or any portion thereof), and same (1) shall be cumulative and concurrent, (2) may be pursued separately, successively or concurrently against Grantor or others obligated for the Obligations, or any part thereof or against any one or more of them, or against the Mortgaged Property, at the sole discretion of Beneficiary, (3) may be exercised as often as occasion therefor shall arise, it being agreed by Grantor that the exercise of or failure to exercise any of same shall in no event be construed as a waiver or release thereof or of any other right, remedy or recourse, and (4) are intended to be, and shall be, nonexclusive, and Beneficiary may pursue inconsistent remedies, and no action hereunder by Beneficiary shall be deemed to prejudice Beneficiary's right thereafter to foreclose this Deed of Trust. Nothing herein and no action of Beneficiary shall be construed as an election to proceed under any provision to the exclusion of any other provision or as prohibiting Beneficiary from seeking a deficiency judgment against Grantor to the extent such action is permitted by law.

4.9 Application of Proceeds. All payments received by the Beneficiary or the Trustee as proceeds of the Mortgaged Property, or any part thereof, as well as any and all amounts realized by the Beneficiary or the Trustee in connection with the enforcement of any right or remedy under or with respect to this Deed of Trust, shall be applied by the Beneficiary as follows (except as otherwise required by law): (i) to the payment of all necessary expenses of the Trustee or the Beneficiary incident to the execution of any foreclosure sale or sales or other remedies under this Deed of Trust, including attorneys' fees, appraisal fees, title search fees, foreclosure notice costs and reasonable compensation to the Trustee, (ii) to the payment in full of any of the Obligations that is then due and payable (including without limitation any money, with interest thereon at a rate equal to the Default Rate provided in the Notes which Beneficiary may have paid, or become liable to pay, or which it may then be necessary to pay for taxes, insurance, assessments or other charges, liens, or debts as hereinabove provided, principal, accrued interest and all other sums secured hereby) and to the payment of attorneys' fees as provided herein and in the Notes, all in such order as the Beneficiary may elect in its sole discretion, (iii) to a cash collateral reserve fund to be held by the Beneficiary in an amount equal to, and as determined by Beneficiary for, any of the Obligations that are not then due and payable, and (iv) the remainder, if any, shall be paid to the Grantor or such other person or persons as may be entitled thereto by law, after deducting therefrom the cost of ascertaining their identity.

4.10 Waiver of Appraisal Laws. The Grantor waives, to the fullest extent permitted by law, the benefit of all laws now existing or hereafter enacted providing for (i) any appraisal before sale of any portion of the Mortgaged Property (commonly known as

appraisal laws), or (ii) any extension of time for the enforcement of the collection of the Obligations or any creation or extension of a period of redemption from any sale made in collecting the Obligations (commonly known as stay laws and redemption laws).

4.11 General Remedies. If an Event of Default shall have occurred and be then in existence, Beneficiary may take such action, without notice or demand, as it shall deem advisable to protect and enforce its rights against Grantor and in and to the Mortgaged Property or any part thereof or interest therein, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Beneficiary may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Beneficiary: (i) enter into or upon the Mortgaged Property, either personally or by its agents, nominees or attorneys and dispossess Grantor and its agents and servants therefrom, and thereupon Beneficiary may (A) use, operate, manage, control, insure, maintain, repair, restore, harvest and sell timber and otherwise deal with all and every part of the Mortgaged Property and conduct the business thereat, (B) complete any construction on the Mortgaged Property in such manner and form as Beneficiary deems advisable, (C) make alterations, additions, renewals, replacements and improvements to or on the Mortgaged Property, (D) exercise all rights and powers of Grantor with respect to the Mortgaged Property, whether in the name of Grantor or otherwise, including, without limitation, the right to make, cancel, enforce or modify, timber sale contracts, log or pulpwood sale contracts, stumpage sale agreements, leases, and other agreements and demand, sue for, collect and receive all earnings, revenues, rents, issues, profits and other income of the Mortgaged Property and every part thereof and (E) receive and collect the receipts from the Mortgaged Property, give proper receipts, releases and acquittances therefor, and apply the same to the payment of the Secured Obligations, after deducting therefrom all expenses (including reasonable attorneys' fees and expenses) incurred in connection with the aforesaid operations and all amounts necessary to pay the taxes, assessments, insurance and other charges in connection with the Mortgaged Property, as well as just and reasonable compensation for the services of the Beneficiary and its counsel, agents and employees, or (ii) institute proceedings for the complete foreclosure of this Deed of Trust in which case the Mortgaged Property may be sold for cash or upon credit in one or more parcels, or (iii) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Deed of Trust for the portion of the Secured Obligations then due and payable, subject to the continuing lien of this Deed of Trust for the balance of the Secured Obligations not then due, or (iv) sell for cash or upon credit the Mortgaged Property or any part thereof and all or any part of any estate, claim, demand, right, title and interest of Grantor therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law, and in the event of a sale, by foreclosure or otherwise, of less than all of the Mortgaged Property, this Deed of Trust shall continue as a lien on the remaining portion of or estate in the Mortgaged Property, or (v) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein or in the Notes or any other Loan Document, or (vi) recover judgment on the Notes or any guaranty either before, during or after any proceedings for the enforcement of this Deed of Trust or (vii) pursue such other remedies as Beneficiary may have under applicable law or equity. Further, once Beneficiary has exercised

any of its rights or remedies hereunder, or under the Loan Documents, during the existence of an Event of Default, all actions theretofore or thereafter taken by Beneficiary in pursuit of such rights and remedies shall not be affected by any cure of such Event of Default, unless Beneficiary shall accept the cure and terminate pursuit of any such right or remedy, in which case, the parties shall be restored to their position which existed prior to Beneficiary's exercise of its rights or remedies.

4.12 Waiver of Jury Trial. GRANTOR, TO THE FULLEST EXTENT PERMITTED BY LAW, HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, WAIVES, RELINQUISHES AND FOREVER FORGOES THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING, INCLUDING, WITHOUT LIMITATION, ANY TORT ACTION, BROUGHT BY GRANTOR AGAINST TRUSTEE OR BENEFICIARY AND/OR CO-BENEFICIARIES BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO OR IN CONNECTION WITH THE LOAN DOCUMENTS, THE LOAN OR ANY COURSE OF CONDUCT, ACT, OMISSION, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PERSON (INCLUDING, WITHOUT LIMITATION, SUCH PERSON'S DIRECTORS, OFFICERS, PARTNERS, MEMBERS, EMPLOYEES, AGENTS OR ATTORNEYS, OR ANY OTHER PERSONS AFFILIATED WITH SUCH PERSON), IN CONNECTION WITH THE LOAN OR THE LOAN DOCUMENTS, INCLUDING, WITHOUT LIMITATION, IN ANY COUNTERCLAIM WHICH GRANTOR MAY BE PERMITTED TO ASSERT THEREUNDER OR WHICH MAY BE ASSERTED BY BENEFICIARY OR ANY OF ITS AGENTS AGAINST GRANTOR, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THIS WAIVER BY GRANTOR OF ITS RIGHT TO A JURY TRIAL IS A MATERIAL INDUCEMENT FOR THE MAKING OF THE LOAN.

4.13 Expenses During Redemption Period. If this Deed of Trust is foreclosed as a mortgage and the Mortgaged Property sold at a foreclosure sale, then during any redemption period allowed, the purchaser may make such repairs or alterations on the Mortgaged Property as may be reasonably necessary for the proper operation, care, preservation, protection and insuring thereof. Any sums so paid together with interest thereon from the time of such expenditure at the lesser of the Default Rate under the Note, or the maximum rate permitted by law, shall be added to and become a part of the amount required to be paid for redemption from such sale.

5. MISCELLANEOUS PROVISIONS.

5.1 Waiver and Election. The exercise by the Beneficiary of any right, power or remedy given under the terms of this Deed of Trust shall not be considered as a waiver of the right to exercise any other right, power or remedy given herein, and the filing of a suit to foreclose the lien, security interest and assignment granted by this Deed of Trust, either on any matured portion of the Obligations or for the whole of the Obligations, shall not be considered an election so as to preclude foreclosure under power of sale after a dismissal of the suit; nor shall the publication of notices for foreclosure preclude the prosecution of a later suit thereon. No failure or delay on the part of the Beneficiary in exercising any right, power or remedy under this

Deed of Trust shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder or thereunder. No notice to or demand on the Grantor in any case shall entitle the Grantor to any other or further notice or demand in similar or other circumstances. The Grantor expressly waives the right to any notice of the assignment of the Notes or this Deed of Trust and the right to enforce the provisions of any applicable law requiring such notice.

5.2 Enforceability. If any provision of this Deed of Trust is held to be illegal, invalid, or unenforceable under present or future laws effective while this Deed of Trust is in effect, the legality, validity and enforceability of the remaining provisions of this Deed of Trust shall not be affected thereby, and in lieu of each such illegal, invalid or unenforceable provision there shall be added automatically as a part of this Deed of Trust a provision that is legal, valid and enforceable and as similar in terms to such illegal, invalid or unenforceable provision as may be possible.

5.3 Application of Payments. If the lien, assignment or security interest created by this Deed of Trust is invalid or unenforceable as to any part of the Obligations or is invalid or unenforceable as to any part of the Mortgaged Property, the unsecured or partially secured portion of the Obligations shall be completely paid prior to the payment of the remaining secured or partially secured portion of the Obligations, and all payments made on the Obligations, whether voluntary or under foreclosure or other enforcement action or procedures, shall be considered to have been first paid on and applied to the full payment of that portion of the Obligations that is not secured or not fully secured by said lien, assignment or security interest created hereby.

5.4 Applicable Law. The creation, perfection, lien priority, and the exercise of remedies and enforcement, and all other provisions of this Deed of Trust shall be governed by the internal laws of the State in which the Premises are located, without regard to principles of conflicts of laws. The Notes, the Loan Agreement and all other Loan Documents (other than mortgages or other security documents filed in other States which shall be governed by the laws of those States in which they were filed) shall be governed by the internal laws of the State of Washington, also without regard to principles of conflicts of laws. In the event of a conflict between the laws of the State of Washington and the laws of the State in which the Premises are located with respect to creation, perfection and enforcement of the lien and security interest created by this Deed of Trust, the laws of the State in which the Premises is located shall govern. Without limiting the foregoing, Borrower agrees that to the fullest extent permitted by law, Washington law without regard to its conflict of laws rules shall apply to all actions, defenses and remedies under the Loan Documents, including without limitation, the existence and calculation of any deficiency judgment upon foreclosure of this Deed of Trust and any right to collect any such deficiency judgment against any guarantor or any other person liable for the Obligations.

5.5 Meaning of Particular Terms. Whenever used, the singular number shall include the plural and the plural, the singular, the pronouns of one gender shall include all genders; and

the words "Grantor," "Borrower," "Beneficiary" and "Trustee" shall include their respective heirs, personal representatives, successors and assigns.

5.6 Release or Extension by Beneficiary. The Beneficiary, without notice to the Grantor and without in any way affecting the rights of the Beneficiary hereunder as to any part of the Mortgaged Property not expressly released, may release any part of the Mortgaged Property or any person liable for any of the Obligations and may agree with any party with an interest in the Mortgaged Property to extend the time for payment of all or any part of the Obligations or to waive the prompt and full performance of any term, condition or covenant of the Notes, any of the Loan Documents, this Deed of Trust or any other instrument evidencing or securing any of the Obligations.

5.7 Partial Payments. Acceptance by the Beneficiary of any payment of less than the full amount due on the Obligations shall be deemed acceptance on account only, and the failure of the Grantor to pay the entire amount then due shall be and continue to constitute an Event of Default, and at any time thereafter and until the entire amount due on the Obligations has been paid, the Beneficiary shall be entitled to exercise all rights conferred on it by the terms of this Deed of Trust in case of the occurrence of an Event of Default.

5.8 Addresses for Notices. All notices, requests, demands and other communications provided for hereunder shall be in writing and shall be sent by Federal Express or other recognized national courier, personal service or United States mail, certified with return receipt requested, to the applicable party at its address indicated on the first page of this Deed of Trust or shall be sent in accordance with the Loan Agreement, and shall be deemed given upon receipt or refusal to accept, and any party may designate another address in accordance herewith or with the Loan Agreement. All notices to Beneficiary and/or Trustee shall also be sent to Pepple Johnson Cantu & Schmidt PLLC, 1501 Western Avenue, Suite 600, Seattle, WA 98101, Attention: Dan Pepple.

5.9 Absence of Obligations of Beneficiary with respect to Mortgaged Property. Notwithstanding anything in this Deed of Trust to the contrary, (1) to the extent permitted by applicable law, the Mortgaged Property is comprised of Grantor's rights, title and interests therein but not its obligations, duties or liabilities pertaining thereto, (2) Beneficiary neither assumes nor shall have any obligations, duties or liabilities in connection with any portion of the items described in connection with the definition of "Mortgaged Property" herein, either prior to or after obtaining title to such Mortgaged Property, whether by foreclosure sale, the granting of a deed in lieu of foreclosure or otherwise, and (3) Beneficiary may, at any time prior to or after the acquisition of title to any portion of the Mortgaged Property as above described, advise any party in writing as to the extent of Beneficiary's interest therein and/or expressly disaffirm in writing any rights, interests, obligations, duties and/or liabilities with respect to such Mortgaged Property or matters related thereto. Without limiting the generality of the foregoing, it is understood and agreed that Beneficiary shall have no obligations, duties or liabilities prior to or after acquisition of title to any portion of the Mortgaged Property, as lessee under any lease or purchaser or seller under any contract or option unless Beneficiary elects otherwise by written notification.

5.10 Titles. All section, paragraph, subparagraph or other titles contained in this Deed of Trust are for reference purposes only, and this Deed of Trust shall be construed without reference to said titles.

5.11 Construction and Presumption. This Deed of Trust may be construed as a deed of trust, mortgage, chattel mortgage, conveyance, assignment, security agreement, pledge, financing statement, hypothecation, or contract, or any one or more of them, in order fully to effectuate the lien, security interest and assignment created hereby and the purposes and agreements herein set forth. Although the initial draft of this Deed of Trust and the Loan Documents was drafted by Beneficiary, Grantor and Grantor's legal counsel have had full opportunity to review, negotiate and approve the final form of this Deed of Trust and the other Loan Documents. Accordingly, in the event of any ambiguity in the construction or interpretation of any provision of this Deed of Trust, or the Loan Documents, no presumption shall be indulged in favor of either party in the resolution of such ambiguity.

5.12 Collection Costs. The Grantor agrees to pay all reasonable costs, including reasonable attorneys' fees, incurred by the Trustee or Beneficiary in enforcing the Beneficiary's rights hereunder and in collecting or securing, or attempting to collect or secure, the Obligations, or any part thereof, or in defending or attempting to defend the priority of this Deed of Trust against any lien on the Mortgaged Property, or any part thereof, unless this Deed of Trust is herein expressly made subject to any such lien; and all reasonable costs incurred in the foreclosure of this Deed of Trust, either under the power of sale contained herein, or by virtue of the decree of any court of competent jurisdiction. The full amount of such costs incurred by the Trustee or the Beneficiary shall be a part of the Obligations, and shall bear interest at the Default Rate provided in the Notes or such lesser amount as shall be the maximum amount permitted by law, and shall be secured by this Deed of Trust.

5.13 Defeasance. If all of the Obligations (as defined herein) have been paid in full, including but not limited to all sums (principal, interest, premium and charges) payable under the Notes and any and all extensions and renewals of the same; and all sums due, or to become due, and payable by the Grantor under the terms of this Deed of Trust, the Loan Agreement and any of the other Loan Documents, including but not limited to advancements made by the Beneficiary pursuant to the terms and conditions of this Deed of Trust, and if there is no outstanding breach by Grantor of the obligations, covenants, duties, conditions and agreements herein and in the Loan Agreement, Notes and other Loan Documents imposed on or agreed to by the Grantor; then this conveyance and the grants and conveyances contained herein shall become null and void, and the Mortgaged Property shall revert to the Grantor, and the entire estate, right, title and interest of the Trustee and the Beneficiary will thereupon cease; and the Beneficiary in such case shall, upon the request of the Grantor and at the Grantor's cost and expense, deliver to the Grantor proper instrument(s) acknowledging satisfaction of this instrument; otherwise, this Deed of Trust shall remain in full force and effect. No release or modification of this conveyance, or of the lien, security interest or assignment created and evidenced thereby, shall be valid unless executed by Beneficiary.

5.14 Change in Ownership. If the ownership (legal or beneficial) of the Mortgaged Property or any part thereof becomes vested in a person or entity other than Grantor, or in the event of a change of Control (as defined in the Loan Agreement), Beneficiary may, without notice to Grantor, deal with such successor or successors in interest with reference to this Deed of Trust and to the Obligations in the same manner as with Grantor without in any way vitiating or discharging Grantor's liability hereunder or with respect to the Obligations and without affecting any default created hereunder by such ownership change, including, without limitation, all of Beneficiary's rights and remedies arising from such default. No sale of the Mortgaged Property, and no forbearance on the part of Beneficiary, and no extension of the time for the payment of the Obligations, shall operate to release or affect the original liability of Grantor.

5.15 Partial Release of Lien, Extension, etc. Any part of the Mortgaged Property or any other property which is security for the Loan may be released by Beneficiary without affecting the lien, security interest and assignment hereof against the remainder. Beneficiary shall release portions of the Mortgaged Property as provided in the Loan Agreement. The lien, security interest and other rights granted hereby shall not affect or be affected by any other security taken for the Obligations. The taking of additional security, or the extension or renewal of the Obligations or any part thereof, shall not release or impair the lien, security interest and other rights granted hereby, or affect the liability of any endorser or guarantor or improve the right of any permitted junior lienholder; and this Deed of Trust, as well as any instrument given to secure any renewal or extension of the Obligations, or any part thereof, shall be and remain a first and prior lien, except as otherwise provided herein, on all of the Mortgaged Property not expressly released until the Obligations are paid. From time to time at Beneficiary's option, by instrument executed by Beneficiary and recorded in the mortgage records where this Deed of Trust has been recorded, Beneficiary may subordinate the lien created by this Deed of Trust to any interest in the Mortgaged Property, provided, however, that any such subordination shall be solely at Beneficiary's option, and in no event shall Beneficiary be obligated to subordinate the lien created by this Deed of Trust.

5.16 Entire Agreement and Modification. There are no oral agreements between the parties. The Loan Documents contain the entire agreements between the parties relating to the subject matter hereof and thereof and all prior agreements relative thereto which are not contained herein or therein are terminated. The Loan Documents may not be amended, revised, waived, discharged, released or terminated orally but only by a written instrument or instruments executed by the party against which enforcement of the amendment, revision, waiver, discharge, release or termination is asserted, and any alleged amendment, revision, waiver, discharge, release or termination which is not so documented shall not be effective as to any party.

5.17 Relationship; Joint and Several Liability. The relationship of Beneficiary to Grantor under this Deed of Trust and with respect to the Loan Documents is strictly and solely that of creditor and debtor and nothing contained in this Deed of Trust or any other Loan Document is intended to create, or shall in any event or under any circumstance be construed to create, a partnership, joint venture, tenancy in common, joint tenancy or other relationship of any nature whatsoever between Beneficiary and Grantor, or in any way make Beneficiary a co-principal with Grantor with reference to the Mortgaged Property, and any inferences to the

contrary are hereby expressly negated. The parties which are together referred to herein as Grantor hereby each agree that each of them shall be jointly and severally liable for all obligations and liabilities of Grantor under this Deed of Trust and further each agree that Beneficiary may, in its sole discretion, take any action hereunder against both of them, or either of them, without prejudice to or effect on any future action against either or both of them, and that any notice to or from either of them shall be deemed to be received or given by them both.

5.18 Further Assurances. Grantor, upon the request of Beneficiary, will execute, acknowledge, deliver and record and/or file such further instruments and do such further acts as may be reasonably necessary, desirable or proper to carry out more effectively the purpose of the Loan Documents and to subject to the liens and security interests thereof any property intended by the terms thereof to be covered thereby, including specifically but without limitation, any renewals, additions, substitutions, replacements, betterments or appurtenances to the then Mortgaged Property.

5.19 Recording and Filing. Grantor will cause this Deed of Trust and any Financing Statements and all amendments and supplements thereto and substitutions therefor to be recorded, filed, rerecorded and refiled in such manner and in such places as Beneficiary shall reasonably request, and will pay all such recording, filing, rerecording and refiling taxes, fees and other charges

5.20 Successors and Assigns. All of the terms of the Loan Documents shall apply to, be binding upon and inure to the benefit of the parties thereto, their successors, assigns, heirs and legal representatives, and all other persons claiming by, through or under them, and all of the obligations and liabilities of Grantor contained herein and in the Loan Documents are intended by the parties to be, and shall be construed as, covenants running with the Mortgaged Property.

6. THE TRUSTEE.

6.1 Compensation of Trustee. The Trustee is and shall be entitled to reasonable compensation for all services rendered hereunder, or in connection with the trust herein created, and in addition, the Trustee shall be entitled to pay a reasonable sum for an examination of title at the date of sale to assure himself as to what person is entitled to receive any surplus which any remain after discharging the liens hereby created. The Trustee's compensation, together with any and all necessary and reasonable expenses, charges, attorneys' fees, including but not limited to fees for legal advice concerning his rights and duties with respect to this Deed of Trust and the Mortgaged Property, and other disbursements incurred by the Trustee in discharge of his duties as such, shall be a further charge and lien upon the Mortgaged Property and enforced in the same manner as the principal obligation due hereunder or under the Notes.

6.2 Bond, Oath, etc. The giving of bond, making of oath or filing of inventory by the Trustee herein, or his successors in trust, is hereby expressly waived.

6.3 Successor Trustees. The Beneficiary shall have the right, in its absolute discretion and without assigning any cause or reason whatsoever, and without giving notice to any of the parties named herein, the giving of notice being expressly waived by the Grantor, to remove the

Trustee named herein, or any successor Trustee at any time, and, without the necessity for the joinder therein of the Trustee named herein, to appoint a successor trustee by written instrument executed by the Beneficiary, and such successor trustee or subsequent successor trustees shall become vested with the same title to the Mortgaged Property and the same rights and powers and subject to the same duties as the Trustee originally named herein, and each appointment of a successor trustee by the Beneficiary shall be recorded in the Office of the Clerk in each county in which the Mortgaged Property is located. Such appointment may be executed by anyone acting in a representative capacity, and such appointment shall be conclusively presumed to have been executed with appropriate authority.

6.4 **Amendments.** Any amendment or modification of this instrument may be made between the Grantor and the Beneficiary without the necessity of joinder therein by the Trustee.

7. **ADDITIONAL COVENANTS AND AGREEMENTS OF GRANTOR.**

The Grantor covenants and agrees that, until the Obligations are paid in full and this Deed of Trust is discharged in writing by the Beneficiary:

7.1 **Additional Security Documents.**

(a) Grantor has simultaneously herewith executed and delivered to or for the benefit of Beneficiary counterpart originals of this Deed of Trust to be recorded in each County in the State of Washington where any of the Mortgaged Property is located.

(b) The Deed of Trust (and each counterpart thereof) shall each and all constitute security for the Notes, the indebtedness referred to therein and the Loan. The Beneficiary may enforce its rights, powers and remedies with respect to, and realize upon, such security or otherwise enforce its rights, powers and remedies with respect to, and realize upon, such security, either before or concurrently with or after a foreclosure or other enforcement of this Deed of Trust, any other such security or any of the other Loan Documents, and in any order as Beneficiary may choose (whether or not every aspect of any such foreclosure or other enforcement may be commercially reasonable), all without impairing or being deemed to have waived any rights, benefits, liens or security evidenced by or arising under or in connection with this Deed of Trust, any other such security or any of the other Loan Documents, and without being deemed to have made an election thereby or to have accepted the benefits of such security (or the proceeds thereof) in full settlement of the Obligations and of its rights with respect thereto. No judgment, order or decree rendered against Grantor with respect to any such other security or any of the other Loan Documents, whether rendered in any state in which any collateral is situated or elsewhere, shall in any manner affect the security of this Deed of Trust, and any deficiency or other debt represented by any such judgment, order or decree shall, to the extent permitted by law, be secured by this Deed of Trust to the same extent that the Loan shall have been secured by this Deed of Trust prior to the rendering of such judgment, order or decree. Grantor for itself and for any and all persons who may at any time claim through or under Grantor or who hereafter may otherwise acquire any interest in or title to all or any part of the Mortgaged Property or any other security for the Obligations, hereby irrevocably waives and

releases, to the extent permitted by law, all benefit of any and all laws that would limit or prohibit the effectiveness of anything set forth in this Section.

(c) Notwithstanding anything contained herein to the contrary, Beneficiary shall be under no duty to Grantor or any other person or entity, to exercise, exhaust or first resort to all or any of the rights, powers and remedies available to Beneficiary, whether under this Deed of Trust, the other Loan Documents, prior to the sale of the Mortgaged Property or any other enforcement of this Deed of Trust. Furthermore, Grantor and such other persons and entities waive all rights relating to marshaling and agree that Beneficiary shall not be compelled to release any part of the security of this Deed of Trust, the other Loan Documents, or be prevented from foreclosing or enforcing this Deed of Trust, the other Loan Documents, upon all or any part of such security unless the Obligations shall have been paid in full and that Beneficiary shall not be compelled to accept or allow any apportionment of the Loan to or among any of the property encumbered by this Deed of Trust or the other Loan Documents.

(d) In the event of any conflict or inconsistency between the terms and provisions contained in this Deed of Trust and those contained in the Loan Agreement, the terms and provisions of the Loan Agreement shall control.

7.2 After-Acquired Mortgaged Property. Grantor covenants and agrees that, if and to the extent that any of its respective rights, titles, estates and interests in any of the Mortgaged Property is not acquired until after delivery of this Deed of Trust, this Deed of Trust shall nonetheless apply thereto and the security interest of Beneficiary hereby created shall attach to such Mortgaged Property at the same time as Grantor acquires rights therein, without the necessity of any further grant, deed of trust, mortgage, charge, pledge, assignment or assurance and thereafter such Mortgaged Property shall be subject to the security interests created under this Deed of Trust.

7.3 Remedies Not Exclusive. Beneficiary shall be entitled to enforce payment and performance of the Obligations and to exercise all rights and powers under this Deed of Trust or under the Notes and other Loan Documents or any other agreement executed in connection herewith or any laws now or hereafter in force, notwithstanding some or all of the such indebtedness and Obligations may now or hereafter be otherwise secured, whether by mortgage, deed of trust, pledge, lien, assignment or otherwise. Neither the acceptance of this Deed of Trust nor its enforcement, whether by court action or other powers herein contained, shall prejudice or in any manner affect Beneficiary's right to realize upon or enforce any other security now or hereafter held by Beneficiary, it being agreed that Beneficiary shall be entitled to enforce this Deed of Trust and any other security now or hereafter held by Beneficiary in such order and manner as Beneficiary may in its sole and absolute discretion determine.

7.4 Waiver of Marshaling and Certain Rights. Grantor agrees, to the extent permitted by law, that neither Grantor nor any person at any time claiming through or under Grantor shall set up, claim or seek to take advantage of any appraisal, valuation, stay, notice of election to accelerate, mature or declare due the Obligations, extension, redemption or moratorium laws, any right of division, or any exemption from execution or sale, or any rights of dower, curtesy or homestead, now or hereafter in force, in order to prevent or hinder the

enforcement of this Deed of Trust after the occurrence of any Event of Default, the final and absolute sale of all or any part of the Mortgaged Property or the final and absolute putting into possession thereof, immediately after any such sale, of the purchaser or purchasers at such sale or the enforcement of any other rights or remedies of Beneficiary under this Deed of Trust or any other Loan Documents. Grantor, for itself and for all who may at any time claim through or under Grantor or who hereafter may otherwise acquire any interest in or title to all or any part of the Mortgaged Property, hereby waives, releases and renounces to the extent permitted by law, all benefit of any such law or laws, any and all rights of redemption from sale under any power of sale permitted by law or pursuant to any judgment, order or decree of foreclosure of this Deed of Trust, and any and all right to have the assets constituting the Mortgaged Property marshaled upon any foreclosure or other enforcement of this Deed of Trust or to direct the order in which any of the Mortgaged Property shall be sold in the event of any sale or sales pursuant hereto, as well as rights regarding the administration of estates of decedents or any other rights which might defeat, reduce or affect the right of Beneficiary to sell the Mortgaged Property for the collection of its obligations. Beneficiary or any court having jurisdiction to exercise or enforce rights with respect to this Deed of Trust may sell the Mortgaged Property in part or as an entirety. Beneficiary shall not be required to accept any part or parts of the Mortgaged Property in satisfaction of all or any part of the Secured Obligations. Beneficiary shall not be required to accept any apportionment of the Secured Obligations to or among any part or parts of the Mortgaged Property.

7.5 Statute of Limitations. Grantor hereby expressly waives and releases to the fullest extent permitted by law, the pleading of any statute of limitations as a defense to payment of any and all Secured Obligations secured by this Deed of Trust.

7.6 Time of Essence. Time is of the essence of the obligations of Grantor in this Deed of Trust and each and every term, covenant and condition made herein by or applicable to Grantor.

7.7 Multiple Originals. This Deed of Trust is being executed in multiple originals in order to be recorded simultaneously in each of the counties where the Mortgaged Property is located. All such originals shall constitute one and the same Deed of Trust. Beneficiary may cause a foreclosure sale or file an action to enforce any right or remedy under this Deed of Trust or applicable law as to all the Mortgaged Property regardless in which County the Mortgaged Property is located in any County in which some of the Mortgaged Property is located, in Beneficiary's sole and absolute discretion. Grantor consents to venue and jurisdiction in any such county as determined by Beneficiary.

7.8 Certain Matters Relating to Property Located in the State of Washington. With respect to the Mortgaged Property which is located in the State of Washington, notwithstanding anything contained herein to the contrary:

(a) Without limiting Beneficiary's remedies in Section 4.2 herein, at any time after the occurrence and during the continuance of an Event of Default, Beneficiary shall have the right to foreclose the lien on the Property non-judicially in accordance with the Washington Deed of Trust Act.

(b) Grantor represents and warrants to Beneficiary that (a) the Property is not used principally for agricultural purposes, and (b) the loan secured by this Deed of Trust was not made primarily for personal, family or household purposes.

(c) At Beneficiary's option, any written notice of default given to Grantor under this Deed of Trust or the other Loan Documents may be given in the form of a statutory notice of default under the Washington Deed of Trust Act.

(d) If this Deed of Trust is foreclosed as a mortgage and the Property sold at a foreclosure sale, the purchaser may during any redemption period allowed, make such repairs or alterations on the Property as may be reasonably necessary for the proper operation, care, preservation, protection and insuring thereof. Any sums so paid together with interest thereon from the time of such expenditure at the Default Rate provided in the Notes shall be added to and become a part of the amount required to be paid for redemption from such sale.

(e) Beneficiary shall have the right at its option to foreclose this Deed of Trust subject to the rights of any tenant or tenants of the Property.

(f) Notwithstanding anything to the contrary set forth herein or any of the Loan Documents, this Deed of Trust shall not secure the following obligations (the "**Unsecured Obligations**"): (a) any obligations evidenced by or arising under the Environmental Indemnity Agreement, and (b) any other obligations in this Deed of Trust or in any of the other Loan Documents to the extent that such other obligations relate specifically to the presence on the Property of Hazardous Substances and are the same or have the same effect as any of the obligations evidenced by or arising under the Environmental Indemnity Agreement. Any breach or default with respect to the Unsecured Obligations within the applicable notice and cure period, if any, specified in such documents shall constitute an Event of Default hereunder, notwithstanding the fact that such Unsecured Obligations are not secured by this Deed of Trust. Nothing in this Section shall impair or limit Beneficiary's right to obtain a judgment in accordance with applicable law after foreclosure for any deficiency in recovery of all obligations that are secured by this Deed of Trust following foreclosure.

(g) To the extent the Washington Deed of Trust Act, as now existing or hereafter amended, or other statute requires that the "fair market value" or "fair value" of the Property be determined as of the foreclosure date in order to enforce a deficiency against Borrower or any other party liable for repayment of the Secured Obligations, the term "fair market value" or "fair value" shall include those matters required by law and the additional factors set forth below:

(i) The Property shall be valued "as is" and "with all faults" and there shall be no assumption of restoration or refurbishment of Improvements, if any, after the date of the foreclosure.

(ii) An offset to the fair market value or fair value of the Property, as determined hereunder, shall be made by deducting from such value the reasonable estimated closing costs related to the sale of the Property, including but not

limited to brokerage commissions, title policy expenses, tax pro-rations, escrow fees, and other common charges that are incurred by the seller of real property.

Borrower shall pay the costs of any appraisals and other expenses incurred in connection with any such determination of fair market value or fair value.

(h) **ORAL AGREEMENTS OR ORAL COMMITMENTS TO LEND MONEY, EXTEND CREDIT, OR FORBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.**
