1. The property owner will notify the service provider in the event of any alarms or other abnormal conditions relevant to the TRD and operate the system in accordance with the guidelines set down by the State of Washington or () the local Department Of Health.
2. Any effluent samples required by local D.O.H. jurisdiction and costs thereof are the direct responsibility of the property owner. Pumping costs are the direct responsibility of the property owners.
3. Residential TRD 1000 systems installed will be serviced at the rate of \$25.00 per month. Billed annually each year for a total of \$300.00. The first bill will be due two years after the date of installation. Thereafter, billing will be annually. It must be noted that this \$25.00 per month or \$300.00 per year is subject to change, to keep pace with the cost of materials, labor and changes in state and local D.O.H. or other permitting agency requirements. Residential TRD1000 systems requiring additional maintenance, and commercial properties will be serviced at a cost to be determined at the time of design approval.
4. Your state Health Department may require additional separate equipment to function in conjunction with equipment manufactured by A.S.T.S., Inc. A.S.T.S., Inc. is not responsible for servicing, Mechanical, or electrical safety of such equipment that is not manufactured or supplied with the aerobic treatment unit by A.S.T.S., Inc. Particular care should be used in evaluating the electrical or mechanical safety of equipment manufactured by separate manufacturers. This may include, but not be limited to electrical control panels or pumps.
5. At the option of A.S.T.S., Inc. the sole and exclusive liability of this company shall be a refund of the service contract purchase price for the year. In no event shall A.S.T.S., Inc. be liable for any direct or indirect, incidental, consequential or special damages whatsoever arising out of this agreement by a prevailing party in any arbitration, action or appeal. Court awarded decisions will be assigned by the County of Skagit, in Washington State. This agreement will be governed by and construed under the laws of the State of Washington.
6. The owner of the residence or facility served by the A.T.U. is responsible for assuring the proper operation and providing timely maintenance of the A.T.U. and all other components of the on-site Wastewater Treatment and Disposal System. Your state may have other recommendations or requirements, other than those listed above. These must be addressed by your wastewater system designer.
