adjudge reasonable as attorneys' fees at trial and on any appeal. Whether or not any court action is involved, all reasonable expenses incurred by beneficiary, which in beneficiary's opinion are necessary at any time for protection of its interests or the enforcement of its rights, shall become part of the indebtedness payable on demand and shall bear interest at the same rate as provided in the Promissory Note from the date of expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, beneficiary's attorneys' fees whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction) appeals, and any anticipated post-judgment collection services, the costs of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, appraisal fees (including those related to any action for a deficiency judgment), title insurance and fees for the trustee, to the extent permitted by applicable law. Grantors also will pay any court costs, in addition to all of the sums provided by law.

6. Should Grantors fail to pay when due any taxes, assessments, insurance premiums, liens, encumbrances or other charges against the property hereinabove described, Beneficiary may pay the same, and the amount so paid, with interest at the rate set forth in the note secured hereby, shall be added to and become a part of the debt secured in this Deed of Trust.

7. **Due on Sale Clause.** Beneficiary may, at its option, declare immediately due and payable all sums secured by this Deed of Trust upon the sale or transfer of all or any part of the real property, or any interest therein, without the Beneficiaries' prior written consent. A "sale or transfer" means the conveyance of any property or any right, title or interest therein; whether legal or equitable, whether voluntary or involuntary, by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than ten years, lease/ option to purchase contract; sale, assignment or transfer of any beneficial interest in or to any land trust holding title to the real property or any other method of conveyance of real property interests. A sale of the corporation, limited liability company or partnership interest greater than 49% of the voting stock, partnership interests, or member interests after date of the recording the Deed of Trust or dilution of the current voting stock, partnership or member interests through issuance of additional shares or interests shall likewise constitutes a "transfer". In the case of a conveyance or contract to convey, the interest shall likewise increase to the default amount or the holder may consent to the conveyance or contract to convey and increase the interest rate provided for herein. However, this option shall not be exercised by Beneficiary if exercise is prohibited by federal or Washington law.

IT IS MUTUALLY AGREED THAT:

1. In the event any portion of the property is taken or damaged in an eminent domain proceeding, the entire amount of the award or such portion as may be necessary to fully satisfy the obligation secured hereby, shall be paid to Beneficiary to be applied to said obligation.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.

3. The Trustee shall reconvey all or any part of the property covered by this Deed of Trust to the person entitled thereto, on written request of the Grantors and the Beneficiary, or upon satisfaction

of the obligation secured and written request for reconveyance made by the Beneficiary or the person entitled thereto.

4. Upon default by Grantors in the payment of any indebtedness secured hereby or in the performance of any agreement contained herein, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In such event and upon written request of Beneficiary, Trustee shall sell the trust property, in accordance with the Deed of Trust Act of the State of Washington, at public auction to the highest bidder. Pursuant to RCW 62A.9-501(4), if this deed of trust encumbers both real and personal property, the trustee is authorized to sell all or any portion of the grantor's interest in the real and personal property at the trustee's sale. Any person except Trustee may bid at Trustee's sale. Trustee shall apply the proceeds of the sale as follows: (1) to the expense of the sale, including a reasonable Trustee's fee and attorney's fee; (2) to the obligation secured by this Deed of Trust; (3) the surplus, if any, shall be distributed to the persons entitled thereto.

5. Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser the interest in the property which Grantors had or had the power to convey at the time of his execution of this Deed of Trust, and such as he may have acquired thereafter. Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of law and of the Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bonafide purchaser and encumbrancers for value.

6. The power of sale conferred by this Deed of Trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy; Beneficiary may cause this Deed of Trust to be foreclosed as a mortgage.

7. In the event of a death, incapacity, disability or resignation of Trustee or the election of the beneficiary to replace the trustee, Beneficiary may appoint in writing a successor Trustee, and upon the recording of such appointment in the mortgage records of the county in which this Deed of Trust is recorded, the successor trustee shall be vested with all powers of the original trustee. The trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Grantors, Trustee or Beneficiary shall be a party unless such action or proceeding is brought by the Trustee.

8. This Deed of Trust applies to, inures to the benefit of, and is binding not only on the parties hereto, but on their heirs/devisees, legatees, administrators, executors and assigns. The term Beneficiary shall mean the holder and owner of the note secured hereby, whether or not named as Beneficiary herein.

9. As additional security, Grantors hereby give and confer upon Beneficiary the right, power, and authority, during the continuance of this trust, to collect the property income, reserving to Grantors the right, prior to any default by Grantors in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such property income as it becomes due and payable. Upon any such default, Beneficiary may at any time, without notice, either in person, by agent, or by a receiver, to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name, sue for or otherwise collect such property income, including that past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees,
