Survey Notes

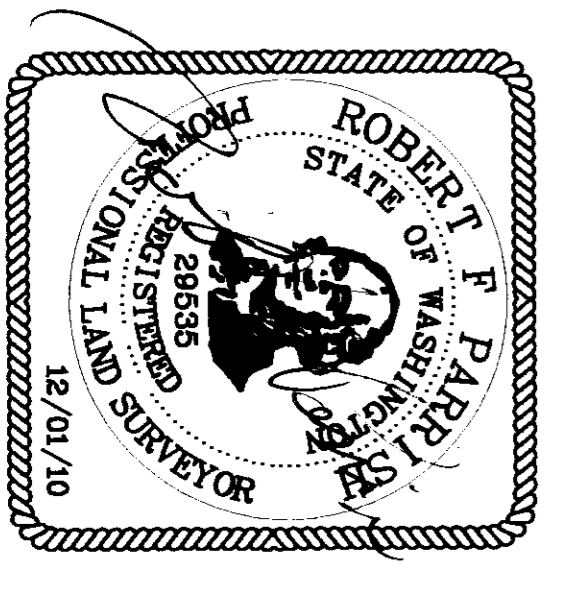

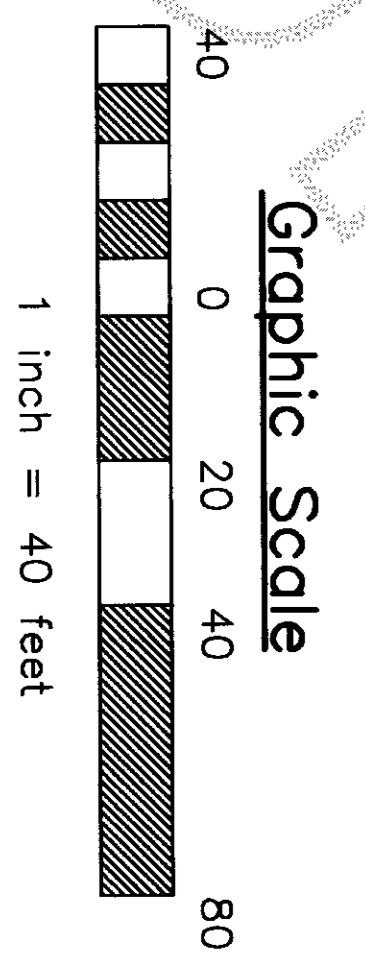

This survey plan has been prepared from a closed random traverse using an electronic instrument measuring angles to 3 seconds of arc and distances rounded to hundredths of feet.
 The purpose of this survey has been to locate and describe the existing boundaries of Lot 14 as shown.
 The seaward portion of this property, Parcel B, is described as presented in the current deed.
 Lot corner monuments, pipes and rebars as noted were found in substantial agreement with plot dimensions when compared to the cased monuments along Cove Place.

When oriented to the monuments shown along Cove Place, monuments along Door Way and Dover are found to depart slightly from the record locations.
