If your real property is adjacent to property used for agricultural operations, or included within an area zoned for agricultural purposes, you may be subject to inconvenience or discomfort arising from such operations, including but not limited to, noise, odors, flies, fumes, dust, smoke, the operation of machinery of any kind during a twenty-four (24) hour period (including aircraft), the storage and disposal of manure, and the application by spraying or otherwise of chemical fertilizers, soil amendments, herbicides and pesticides. Skagit County has determined that the use of real property for agricultural operations is a high priority and favored use to the county and will not consider to be a nuisance those inconveniences or discomforts arising from agricultural operations, if such operations are consistent with commonly accepted good management practices and comply with local, State and Federal laws.
