TEMPORARY CONSTRUCTION EASEMENT

The undersigned, Michael H. Jones and Marjorie N. Jones, husband and wife, (referred to individually herein as "Grantors") and Skagit County, a political subdivision of the State of Washington (referred to individually herein as "Grantee"); for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, hereby grants a temporary, non-exclusive construction easement and appurtenances thereto ("Temporary Easement"), as provided herein. Grantors and Grantee may be individually referred to herein as a "party", and may be collectively referred to herein as the "parties." The terms of this Temporary Easement are further provided as follows:

1. Nature and Location of Easement. The Temporary Easement hereby granted by Grantors herein shall be a temporary construction easement for the benefit of Grantee, Grantee's agents, employees, and contractors over, upon, across, through, a portion of real property located within and upon Grantors' Property, such Temporary Easement as legally described on *Exhibit "A"* and as further described and depicted on *Exhibit "B"*, attached hereto and incorporated herein by this reference, for the purpose of providing a temporary construction easement (and any related appurtenances thereto), including the right of ingress and egress with all necessary equipment for installation of a Project, including but not necessarily limited to, the installation of a new Polyethylene twelve inch (12") outfall pipe (as further described in *Exhibit "D"*) within said Temporary Easement, and for any and all other purposes reasonably related thereto. A legal description for the Grantors' Property is attached hereto as *Exhibit "C"*, and is hereby incorporated by reference. The Temporary Easement shall be for the purpose of a Project (described in *Exhibit "D"*).

2. Use of Easement. Except as provided herein to the contrary, the Grantee, Grantee's employees, agents, and contractors, shall have the sole right, without notice, and at all times, to enter upon the Grantors' Property within the Temporary Easement area (as described and depicted in *Exhibit "A"* and "*B*") for purposes of using the Temporary Easement for the Project (as described in *Exhibit "D"* attached hereto and incorporated by

reference). This includes the area needed for staging (stockpile of materials to be used in Project). Grantors shall not have the right to exclude Grantee, Grantee's employees, agents, contractors, or other third parties from the Temporary Easement. Grantors shall not place, construct, or cause to be placed or constructed or maintained any building, structure, obstruction, and/or improvements within or upon the Temporary Easement area (or otherwise alter, interfere with, or disturb the Project) while the Temporary Easement is in effect, without approval of the Grantee.

2.1 Grantors recognize and agree that the Project may result in drainage impacts to Grantors' Property (including, but not necessarily limited to, changes in the flow of water at Grantors' Property). Grantors specifically recognize and agree that the Grantee is not responsible or liable for any drainage impacts or damage to Grantors' Property resulting from the Project and/or this Temporary Easement. Grantors release and hold harmless Grantee from any drainage impacts or damage to Grantors' Property resulting from and/or related to the Project or this Temporary Easement. The Grantors specifically recognize and agree that Grantee is in no way obligated in the future to make, construct, operate, maintain, or repair the Project or any specific drainage facilities at (or within the vicinity of) Grantors' Property pursuant to the terms of this Temporary Easement. The terms of this Section 2.1 shall survive the termination or expiration of this Temporary Easement (and shall be perpetual in nature).

2.2 Grantee otherwise agrees to be responsible for all damage arising from negligent acts of its employees, agents, or representatives on Grantors' Property in exercise of Grantee's rights herein granted by this Temporary Easement. Grantors shall not be responsible or liable for the activities of Grantee (and/or Grantee's employees, agents and representatives) within the area of the Temporary Easement. Grantee assumes no liability for any alleged damage resulting subsequent to the termination of this Temporary Easement, or from any source other than as expressly set forth herein.

3. **Termination of Temporary Easement.** This Temporary Easement shall expire and terminate at such time as the Grantee has completed the Project or activity necessitating the use of the Temporary Easement as described hereinabove (as determined by Grantee). This Temporary Easement shall otherwise expire by its own terms and terminate on May 31, 2014, whichever is sooner.

4. **Governing Law; Venue.** This Temporary Easement shall be construed under the laws of the State of Washington. It is agreed by the parties that the venue for any legal action brought under or relating to the term of this Temporary Easement shall be in Skagit County, State of Washington.

5. **Entire Agreement.** This Temporary Easement contains the entire agreement between the parties hereto and incorporates and supersedes all prior negotiations or agreements. It may not be modified or supplemented in any manner for form whatsoever, either by course of dealing or by parol or written evidence of prior agreements and negotiations, except upon the subsequent written agreement of the parties. Waiver or breach of any term or condition of this Temporary Easement shall not be considered a waiver of any prior or subsequent breach.
