The Grantee is granted the right to construct, install, operate, maintain, protect, improve, repair, and abandon in place a natural gas pipeline or pipelines, regulation devices, and metering equipment under, over, through, and across the above-described property. The Grantee is further granted an easement for the nonexclusive right of access to and from said property for the purpose of utilizing the rights herein granted. The term "pipeline" includes gas lines, services, machinery, equipment, and facilities related to the operation or maintenance of said gas lines. The Grantor, on behalf of itself and its agents, invitees and licensees, agrees not to impair or interfere with the full use and enjoyment by the Grantee of the rights herein granted.

Without limiting the generality of the foregoing, the Grantor shall not erect any structure within the easement area, or conduct or permit any activities that may impair or interfere with the rights herein granted.

Grantor agrees to cooperate with Grantee to obtain all necessary permits, licenses and governmental action so that Grantee may enjoy the full use and benefit of this right-of-way easement.

The Grantee agrees to hold the Grantor harmless from any loss, cost, or damage resulting from the Grantee's negligence in connection with the operation or maintenance of any pipelines installed under or over the easement premises and the Grantor agrees to hold the Grantee harmless from any loss, cost, or damage caused by the Grantor, its agents, invitees, or licensees or from any breach of this easement.

This easement shall be binding upon the heirs, executors, administrators, personal representatives, successors, and assigns of the parties hereto.

In witness whereof, the undersigned have executed this easement this 1 day of October 2015.
