PERMANENT SLOPE EASEMENT

Bow Hill Road Reconstruction Project

The undersigned, the **Upper Skagit Indian Tribe**, a Federally recognized Indian Tribe ("Grantor" herein), for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, hereby conveys and warrants to **Skagit County**, a Political Subdivision of the State of Washington, ("Grantee" herein), and Grantee's successors, a perpetual, non-exclusive Permanent Slope Easement for road slope construction (including road slope stabilization structures and road slope retaining infrastructure), operation, maintenance and preservation, road slope drainage, mowing, vegetation management, and other potential infrastructure ("Easement") as provided herein. Grantor and Grantee may be individually referred to herein as a "party", and may be collectively referred to herein as the "parties." The terms of this Easement are further provided as follows:

1. Nature and Location of Easement. The Easement granted by Grantor herein shall be a permanent easement for the benefit of Grantee over, upon, across, through, and under portions of Grantor's Property, such Easement area as legally described on **Exhibit "A"**, and as further described and depicted on **Exhibit "B"**, attached hereto and incorporated herein by this reference, for the purposes of installing, laying, constructing, maintaining (including, but not limited to, mowing and vegetation management), inspecting, repairing, removing, replacing, renewing, using and operating road slope stabilization structures and road slope retaining infrastructure (including, but not necessarily limited to, soil nails and/or other structures), road slopes, related drainage structures, and/or other necessary related infrastructure (herein "facilities") including the right of ingress and egress with all necessary vehicles and equipment for said purposes, and for any and all other purposes reasonably related thereto; provided, that the Grantor specifically recognizes and agrees that Grantee is in no way obligated whatsoever to make, construct, operate, maintain, or repair any specific facilities at (or within the vicinity of) Grantor's

Property pursuant to the terms of this Easement. While the Grantee is not required to conduct any such maintenance, repair, or replacement of any specific facilities pursuant to the terms of this Easement, in the event that the Grantee does choose to do so, any such work shall be performed at the risk of the Grantee. A legal description for the Grantor's Property is attached hereto as *Exhibit "C"*, and is hereby incorporated by reference.

2. Construction Activity within Easement. Without notice and at all times as may be necessary, the Grantee shall have the right to (but shall not be required to) enter upon the Grantor's Property, within the Easement area (as described and depicted in Exhibit "A" & Exhibit "B"), to install, lay, construct, maintain, inspect, repair, remove, replace, renew, use and operate the facilities (specifically including, but not limited to, any road slopes that may extend onto Grantor's Property within the Easement area).

3. Encroachment/Construction Activity. Grantor shall not undertake, authorize, permit or consent to any construction or excavation including, without limitation, digging, tunneling, or other forms of construction activity at, on or near the Easement area which might in any fashion unearth, undermine, or damage the facilities or endanger the lateral, subjacent, and/or other support of the facilities (specifically including, but not limited to, road slopes). Grantor further agrees that no structure or obstruction including, without limitation, fences and foundations or rockeries shall be erected over, upon, under, or within the Easement area, and no trees, bushes or other shrubbery shall be planted or maintained within the Easement area, without written consent of Grantee, provided Grantor shall otherwise have full use of the surface of the real property within the Easement area, so long as such use does not interfere with the Grantee's maintenance and use of the Easement area or the facilities (specifically including, but not limited to, road slopes).

4. Binding Effect/ Warranty of Title. The Easement and the covenants, terms, and conditions contained herein are perpetual in duration, and shall run with the Grantor's Property and shall be binding upon Grantee and Grantor and their respective successors, heirs, and assigns. Grantor warrants that Grantor has good title to the Grantor's Property and warrants the Grantee title to and quiet enjoyment of the Easement area. The covenants and agreements of this Easement shall be binding upon the successors and assigns of the parties hereto.

5. Governing Law; Venue. This Easement shall be construed under the laws of the State of Washington. It is agreed by the parties that the venue for any legal action brought under or relating to the terms of this Easement shall be in Skagit County, State of Washington. The Grantor hereby grants a limited waiver of its sovereign immunity and consents to legal action by the Grantee seeking to enforce rights authorized by this Easement, whether brought in the courts of the State of Washington or in federal courts. The Grantor hereby consents to the jurisdiction of the State of Washington, but retains the right to remove appropriate cases to federal court as may be allowed by applicable law. This waiver does not extend to, nor create rights in, persons who are not parties to this Easement agreement, and is limited to actions arising directly out of or related to this Easement agreement, and to ensure compliance with this Easement agreement, and does not authorize punitive damages against either party. Upon execution of this Easement, and if requested by the Grantee, the Grantor will provide Grantee with resolution(s) from the governing body (or bodies) of the Grantor ratifying this Easement agreement and this waiver of sovereign immunity.
