Grantor: Washington State Department of Natural Resources
Grantee(s): City of Anacortes
Legal Description: Section 19, Township 35 North, Range 2 East, W.M.
Assessor's Property Tax Parcel or Account Number: P33185
Assessor's Property Tax Parcel or Account Number for Upland parcel used in conjunction with this Easement: Not Applicable

THIS AGREEMENT is made by and between the STATE OF WASHINGTON, acting through the Department of Natural Resources ("State"), and CITY OF ANACORTES, a government agency ("Grantee"). State has authority to enter into this Easement under Chapter 43.12 RCW, Chapter 43.30 RCW, and Title 79 of the Revised Code of Washington (RCW).

THE Parties agree as follows:

SECTION 1 GRANT OF EASEMENT

1.1 Easement Defined.

- (a) State grants and conveys to Grantee a nonexclusive easement, subject to the terms and conditions of this agreement, over, upon, and under the real property at Fidalgo Bay: described in Exhibit A. In this agreement, the term "Easement"

means this agreement and the rights granted; the term "Easement Property" means the real property subject to the easement.

- (b) This Easement is subject to all valid interests of third parties noted in the records of Skagit County, or on file in the Office of the Commissioner of Public Lands, Olympia, Washington; rights of the public under the Public Trust Doctrine or federal navigation servitude; and treaty rights of Indian Tribes.
- (c) This Easement does not include any right to harvest, collect or damage any natural resource, including aquatic life or living plants, any water rights, or any mineral rights, including any right to excavate or withdraw sand, gravel, or other valuable materials, except to the extent expressly permitted in Exhibit B.
- (d) This Easement does not include the right to grant easements and franchises to third parties. State reserves the right to reasonably grant, condition, or approve all third party easements and franchises regardless of whether the third party's use is incidental to the Easement. State shall not unreasonably condition or deny third-party easements or franchises necessary for continuation of utilities, including communication systems.

1.2 Survey and Easement Property Descriptions.

- (a) Grantee prepared Exhibit A, which describes the Easement Property. Grantee represents that Exhibit A is a true and accurate description of the Easement boundaries and the improvements to be constructed or already existing in the Easement area. Grantee's obligation to provide a true and accurate description of the Easement Property boundaries is a material term of this Easement.
- (b) State's acceptance of Exhibit A does not constitute agreement that Grantee's property description accurately reflects the actual amount of land used by Grantee. State reserves the right to retroactively adjust fees if at any time during the Term State discovers a discrepancy between Grantee's property description and the area actually used by Grantee.

1.3 Condition of Easement Property. State makes no representation regarding the condition of the Easement Property, improvements located on the Easement Property, the suitability of the Easement Property for Grantee's Permitted Use, compliance with governmental laws and regulations, availability of utility rights, access to the Easement Property, or the existence of hazardous substances on the Easement Property.

SECTION 2 USE

2.1 Permitted Use. Grantee shall use the Easement Property for:

construction, maintenance, repair, replacement, use of a road known as W Avenue; use of a road and utilities between the end of W Avenue and a leasehold defined in Aquatic Land Lease 22-A02664; and fill (the "Permitted Use"),

and for no other purpose, including utilities unless specifically identified as part of the Permitted Use. The Permitted Use is described or shown in detail in Exhibit B.

2.2 Restrictions on Use.

- (a) The limitations in this Paragraph 2.2 apply to the Property and adjacent state-owned aquatic land. Grantee's compliance with this Paragraph 2.2 does not limit Grantee's liability under any other provision of this Easement.
- (b) Grantee shall not cause or permit:
 - (1) Damage to natural resources,
 - (2) Waste, or
 - (3) Deposit of material, unless approved by State in writing and except to the extent expressly permitted in Exhibit B. This prohibition includes deposit of fill, rock, earth, ballast, wood waste, refuse, garbage, waste matter, pollutants of any type, or other matter.

2.3 Conformance with Laws. Grantee shall keep current and comply with all conditions and terms of any permits, licenses, certificates, regulations, ordinances, statutes, and other government rules and regulations regarding Grantee's use of the Easement Property.

2.4 Liens and Encumbrances. Grantee shall keep the Easement Property free and clear of any liens and encumbrances arising out of or relating to its use of the Easement Property, unless expressly authorized by State in writing.

2.5 Interference with Other Uses.

- (a) Grantee shall exercise Grantee's rights under this Easement in a manner that minimizes or avoids interference with the rights of State, the public or others with valid right to use or occupy the Easement Property or surrounding lands and water.
- (b) To the fullest extent reasonably possible, Grantee shall place and construct Improvements in a manner that allows unobstructed movement in and on the waters above and around the Easement Property.
- (c) Except in an emergency, Grantee shall provide State with written notice of construction or other significant activity on Easement Property at least thirty (30) days in advance. "Significant Activity" means any activity that may affect use or enjoyment by the State, public, or others with valid rights to use or occupy the Easement Property or surrounding lands and water.
- (d) Grantee shall mark the location of any hazards associated with the Permitted Use and any Improvements in a manner that ensures reasonable notice to the public.

SECTION 3 TERM

3.1 Term Defined. The term of this Easement is seventeen (17) years (the "Term"), beginning on the 3rd day of January, 2017 (the "Commencement Date"), and ending on the

2nd day of January, 2034 (the "Termination Date"), unless terminated sooner under the terms of this Easement.

3.2 Renewal of the Easement. This Easement does not provide a right of renewal. Grantee may apply for a new Easement, which State has discretion to grant. Grantee must apply for a new Easement at least one (1) year prior to Termination Date. State shall notify Grantee within ninety (90) days of its intent to approve or deny a new Easement.

3.3 End of Term

- (a) Upon the expiration or termination of this Easement, Grantee shall remove Improvements in accordance with Section 7, Improvements, and surrender the Easement Property to State in the same or better condition as on the Commencement Date, reasonable wear and tear excepted.
- (b) Definition of Reasonable Wear and Tear.
 - (1) Reasonable wear and tear is deterioration resulting from the Permitted Use that has occurred without neglect, negligence, carelessness, accident, or abuse by Grantee or Grantee's contractors, agents, invitees, guests, employees, affiliates, licensees, or permittees.
 - (2) Reasonable wear and tear does not include any deposit of material prohibited under Paragraph 2.2(b) unless expressly permitted by State in writing and regardless of whether the deposit is incidental to or the byproduct of the Permitted Use.
- (c) If Easement Property is in worse condition, excepting for reasonable wear and tear, on the surrender date than on the Commencement Date, the following provisions apply.
 - (1) State shall provide Grantee a reasonable time to take all steps necessary to remedy the condition of the Easement Property. State may require Grantee to enter into a right-of-entry or other use authorization prior to the Grantee entering the Easement Property to remedy any breach of this Paragraph 3.3.
 - (2) If Grantee fails to remedy the condition of the Easement Property in a timely manner, State may take any steps reasonably necessary to remedy Grantee's failure. Upon demand by State, Grantee shall pay all costs of such remedial action, including but not limited to the costs of removing and disposing of any material deposited improperly on the Easement Property, lost revenue resulting from the condition of the Easement Property prior to and during remedial action, and any administrative costs associated with the remedial action.

SECTION 4 FEES

4.1 Fee. For the Term, Grantee shall pay to State a fee of Forty-Eight Thousand, Two Hundred Dollars (\$48,200.00), which is due and payable on or before the Commencement Date. Any payment not paid by State's close of business on the date due is past due.

4.2 Payment Place. Grantee shall make payment to Financial Management Division, 1111 Washington St SE, PO Box 47041, Olympia, WA 98504-7041.

SECTION 5 OTHER EXPENSES

5.1 Utilities. Grantee shall pay all fees charged for utilities required or needed by the Permitted Use.

5.2 Taxes and Assessments. Grantee shall pay all taxes, assessments, and other governmental charges, of any kind whatsoever, applicable or attributable to the Easement and the Permitted Use.

5.3 Failure to Pay. If Grantee fails to pay any of the amounts due under this Easement, State may pay the amount due, and recover its cost in accordance with Section 6.

SECTION 6 LATE PAYMENTS AND OTHER CHARGES

6.1 Failure to Pay. Failure to pay any fees or other expenses is a default by Grantee. State may seek remedies in Section 14 as well as late charges and interest as provided in this Section 6.

6.2 Late Charge. If State does not receive any payment within ten (10) days of the date due, Grantee shall pay to State a late charge equal to four percent (4%) of the unpaid or Fifty Dollars (\$50), whichever is greater, to defray the overhead expenses of State incident to the delay.

6.3 Interest Penalty for Past Due Fees and Other Sums Owed.

- (a) Grantee shall pay interest on the past due fee at the rate of one percent (1%) per month until paid, in addition to paying the late charges determined under Paragraph 6.2. Fee not paid by the close of business day on the due date will begin accruing interest the day after the due date.
- (b) If State pays or advances any amounts for or on behalf of Grantee, Grantee shall reimburse State for the amount paid or advanced and shall pay interest on that amount at the rate of one percent (1%) per month from the date State notifies Grantee of the payment or advance. This includes, but is not limited to taxes, assessments, insurance premiums, costs of removal and disposal of unauthorized materials pursuant to Paragraph 2.2 above, costs of removal and disposal of improvements pursuant to Section 7 below, or other amounts not paid when due.

6.4 Referral to Collection Agency and Collection Agency Fees. If State does not receive payment within thirty (30) days of the due date, State may refer the unpaid amount to a collection agency as provided by RCW 19.16.500 or other applicable law. Upon referral, Grantee shall pay collection agency fees in addition to the unpaid amount.

6.5 No Accord and Satisfaction. If Grantee pays, or State otherwise receives, an amount less than the full amount then due, State may apply such payment as it elects. No endorsement or statement on any check, any payment, or any letter accompanying any check or payment constitutes accord and satisfaction.

SECTION 7 IMPROVEMENTS

7.1 Improvements Defined.

- (a) "Improvements," consistent with RCW 79.105 through 79.145, are additions within, upon, or attached to the land. This includes, but is not limited to, structures and fixtures.

- (c) Except in an emergency, Grantee shall not conduct any Work without State's prior written consent, as follows:
- (1) State may deny consent if State determines that denial is in the best interests of the State. State may impose additional conditions reasonably intended to protect and preserve the Easement Property. If Work is for removal of Improvements at End of Term, State may waive removal of some or all Improvements.
 - (2) Except in an emergency, Grantee shall submit to State plans and specifications describing the proposed Work at least sixty (60) days before submitting permit applications to regulatory authorities unless Grantee and State otherwise agree to coordinate permit applications. At a minimum, or if no permits are necessary, Grantee shall submit plans and specifications at least ninety (90) days before commencement of Work.

- (e) Grantee shall not commence or authorize Work until Grantee or Grantee's contractor has:
- (1) Obtained a performance and payment bond in an amount equal to one hundred twenty-five percent (125%) of the estimated cost of construction. Grantee shall maintain the performance and payment bond until Grantee pays in full the costs of the Work, including all laborers and material persons.
 - (2) Obtained all required permits.
 - (3) Provided notice of Significant Activity in accordance with Paragraph 2.5(c).
- (f) Grantee shall preserve and protect Improvements Owned by Others, if any.

At Grantee's expense, Grantee shall retain a registered professional engineer or licensed land surveyor to reestablish destroyed or disturbed Markers in accordance with U.S. General Land Office standards.
- (h) Before completing Work, Grantee shall remove all debris and restore the Easement Property, as nearly as possible, to the condition prior to the commencement of Work. If Work is intended for removal of Improvements at End of Term, Grantee shall restore the Easement Property in accordance with Paragraph 3.3, End of Term.
- (i) Upon completing work, Grantee shall promptly provide State with as-built plans and specifications.

- (j) State shall not charge rent for authorized Improvements installed by Grantee during this Term of this Easement, but State may charge rent for such Improvements when and if the Grantee or successor obtains a subsequent use authorization for the Easement Property and State has waived the requirement for improvements to be removed as provided in Paragraph 7.4.

7.4 Grantee-Owned Improvements at End of Easement.

- (a) Disposition.
- (1) Grantee shall remove Grantee-Owned Improvements in accordance with Paragraph 7.3 upon the expiration, termination, or cancellation of the Easement unless State waives the requirement for removal.
 - (2) Grantee-Owned Improvements remaining on the Easement Property on the expiration, termination, or cancellation date become State-Owned Improvements without payment by State, unless State elects otherwise. State may refuse or waive ownership.
 - (3) If Grantee-Owned Improvements remain on the Easement Property after the expiration, termination, or cancellation date without State's consent, State may remove all Improvements and Grantee shall pay the costs of removal and disposal.
- (b) Conditions Under Which State May Waive Removal of Grantee-Owned Improvements.
- (1) State may waive removal of any or all Grantee-Owned Improvements whenever State determines that it is in the best interests of the State.
 - (2) If Grantee renews the Easement or enters into a new Easement, State may waive requirement to remove Grantee-Owned Improvements. State also may consent to Grantee's continued ownership of Grantee-Owned Improvements.
 - (3) If Grantee does not renew the Easement or enter into a new Easement, State may waive requirement to remove Grantee-Owned Improvements upon consideration of a timely request from Grantee, as follows:
 - (i) Grantee must notify State at least one (1) year before the Termination Date of its request to leave Grantee-Owned Improvements.
 - (ii) State, within ninety (90) days, will notify Grantee whether State consents to any or all Grantee-Owned Improvements remaining. State has no obligation to grant consent.

 - (2) Charge use and occupancy fee in accordance with RCW 79.105.200 of the Improvements from the time of installation or construction and
 - (i) Require Grantee to remove the Improvements in accordance with Paragraph 7.3, in which case Grantee shall pay use and occupancy fee for the Improvements until removal,
 - (ii) Consent to Improvements remaining and Grantee shall pay use and occupancy fee for the use of the Improvements, or

7.6 Disposition of Personal Property.

- (a) Grantee retains ownership of Personal Property unless Grantee and State agree otherwise in writing.
- (b) Grantee shall remove Personal Property from the Easement Property by the Termination Date. Grantee is liable for any damage to the Easement Property and to any Improvements that may result from removal of Personal Property.
- (c) State may sell or dispose of all Personal Property left on the Easement Property after the Termination Date.
 - (1) If State conducts a sale of Personal Property, State shall apply proceeds first to the State's administrative costs in conducting the sale, second to payment of amount that then may be due from the Grantee to the State, and State shall pay the remainder, if any, to the Grantee.

 - (2) As relates to the Permitted Use, Grantee shall exercise utmost care for the foreseeable acts or omissions of third parties with respect to Hazardous Substances, and the foreseeable consequences of those acts or omissions, to the extent required to establish a viable, third-party defense under the law.

8.3 Current Conditions and Duty to Investigate.

- (a) State makes no representation about the condition of the Easement Property. Hazardous Substances may exist in, on, under, or above the Easement Property.
- (b) This Easement does not impose a duty on State to conduct investigations or supply information to Grantee about Hazardous Substances.

- UNNOTIFIED EASEMENT
- (2) The certificate(s) of insurance must reference additional insureds and the Easement number.
 - (3) Receipt of such certificates or policies by State does not constitute approval by State of the terms of such policies.
 - (d) State must receive written notice before cancellation or non-renewal of any insurance required by this Easement, as follows:
 - (1) Insurers subject to RCW 48.18 (admitted and regulated by the Insurance Commissioner): If cancellation is due to non-payment of premium, provide State ten (10) days' advance notice of cancellation; otherwise, provide State forty-five (45) days' advance notice of cancellation or non-renewal.
 - (2) Insurers subject to RCW 48.15 (surplus lines): If cancellation is due to non-payment of premium, provide State ten (10) days' advance notice of cancellation; otherwise, provide State thirty (30) days' advance notice of cancellation or non-renewal.
 - (e) Adjustments in Insurance Coverage.
 - (1) State may impose changes in the limits of liability for all types of insurance as State deems necessary.
 - (2) Grantee shall secure new or modified insurance coverage within thirty (30) days after State requires changes in the limits of liability.
 - (f) If Grantee fails to procure and maintain the insurance described above within fifteen (15) days after Grantee receives a notice to comply from State, State may either:
 - (1) Deem the failure an Event of Default under Section 14, or
 - (2) Procure and maintain comparable substitute insurance and pay the premiums. Upon demand, Grantee shall pay to State the full amount paid by State, together with interest at the rate provided in Paragraph 6.2 from the date of State's notice of the expenditure until Grantee's repayment.
 - (g) General Terms.
 - (1) State does not represent that coverage and limits required under this Easement are adequate to protect Grantee.
 - (2) Coverage and limits do not limit Grantee's liability for indemnification and reimbursements granted to State under this Easement.
 - (3) The Parties shall use any insurance proceeds payable by reason of damage or destruction to Easement Property first to restore the Easement Property, then to pay the cost of the reconstruction, then to pay the State any sums in arrears, and then to Grantee.

10.3 Insurance Types and Limits.

- (a) General Liability Insurance.
 - (1) Grantee shall maintain commercial general liability insurance (CGL) or marine general liability (MGL) covering claims for bodily injury, personal injury, or property damage arising on the Easement Property and/or arising out of the Permitted Use and, if necessary, commercial umbrella insurance with a limit of not less than One Million Dollars (\$1,000,000)

- per each occurrence. If such CGL or MGL insurance contains aggregate limits, the general aggregate limit must be at least twice the "each occurrence" limit. CGL or MGL insurance must have products-completed operations aggregate limit of at least two times the "each occurrence" limit.
- (2) CGL insurance must be written on Insurance Services Office (ISO) Occurrence Form CG 00 01 (or a substitute form providing equivalent coverage). All insurance must cover liability arising out of premises, operations, independent contractors, products completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another party assumed in a business contract) and contain separation of insured (cross-liability) condition.
- (3) MGL insurance must have no exclusions for non-owned watercraft.
- (b) **Workers' Compensation.**
- (1) **State of Washington Workers' Compensation.**
- (i) Grantee shall comply with all State of Washington workers' compensation statutes and regulations. Grantee shall provide workers' compensation coverage for all employees of Grantee. Coverage must include bodily injury (including death) by accident or disease, which arises out of or in connection with the Permitted Use or related activities.
- (ii) If Grantee fails to comply with all State of Washington workers' compensation statutes and regulations and State incurs fines or is required by law to provide benefits to or obtain coverage for such employees, Grantee shall indemnify State. Indemnity includes all fines; payment of benefits to Grantee, employees, or their heirs or legal representatives; and the cost of effecting coverage on behalf of such employees.
- (2) **Longshore and Harbor Workers' and Jones Acts.** Longshore and Harbor Workers' Act (33 U.S.C. Section 901 *et seq.*) and/or the Jones Act (46 U.S.C. Section 688) may require Grantee to provide insurance coverage in some circumstances. Grantee shall ascertain if such insurance is required and, if required, shall maintain insurance in compliance with law. Grantee is responsible for all civil and criminal liability arising from failure to maintain such coverage.
- (c) **Employers' Liability Insurance.** Grantee shall procure employers' liability insurance, and, if necessary, commercial umbrella liability insurance with limits not less than One Million Dollars (\$1,000,000) each accident for bodily injury by accident or One Million Dollars (\$1,000,000) each employee for bodily injury by disease.
- (d) **Business Auto Policy Insurance.**
- (1) Grantee shall maintain business auto liability insurance and, if necessary, commercial umbrella liability insurance with a limit not less than One

UNNOTIFIED DRAFT
Million Dollars (\$1,000,000) Dollars per accident. Such insurance must cover liability arising out of "Any Auto."

- (2) Business auto coverage must be written on ISO Form CA 00 01, or substitute liability form providing equivalent coverage. If necessary, the policy must be endorsed to provide contractual liability coverages and cover a "covered pollution cost or expense" as provided in the 1990 or later editions of CA 00 01.

10.4 Financial Security.

- (a) At its own expense, Grantee shall procure and maintain during the Term of this Easement a corporate security bond or provide other financial security that State may approve ("Security"). Grantee shall provide Security in an amount equal to Zero Dollars (\$0), which is consistent with RCW 79.105.330, and secures Grantee's performance of its obligations under this Easement, with the exception of the obligations under Section 8, Environmental Liability/Risk Allocation. Grantee's failure to maintain the Security in the required amount during the Term constitutes a breach of this Easement.
- (b) All Security must be in a form acceptable to the State.
- (1) Bonds must be issued by companies admitted to do business within the State of Washington and have a rating of A-, Class VII or better, in the most recently published edition of Best's Reports, unless State approves an exception. Grantee may submit a request to the Risk Manager for the Department of Natural Resources for an exception to this requirement.
- (2) Letters of credit, if approved by State, must be irrevocable, allow State to draw funds at will, provide for automatic renewal, and comply with RCW 62A.5-101, *et. seq.*
- (3) Savings account assignments, if approved by State, must allow State to draw funds at will.
- (c) Adjustment in Amount of Security.
- (1) State may require an adjustment in the Security amount:
- (i) At the same time as revaluation, if any,
- (ii) As a condition of approval of assignment of this Easement,
- (iii) Upon a material change in the condition or disposition of any Improvements, or
- (iv) Upon a change in the Permitted Use.
- (2) Grantee shall deliver a new or modified form of Security to State within thirty (30) days after State has required adjustment of the amount of the Security.
- (d) Upon any default by Grantee in its obligations under this Easement, State may collect on the Security to offset the liability of Grantee to State. Collection on the Security does not (1) relieve Grantee of liability, (2) limit any of State's other remedies, (3) reinstate or cure the default or (4) prevent termination of the Easement because of the default.

SECTION 11 MAINTENANCE AND REPAIR

11.1 State's Repairs. State shall not be required to make any alterations, maintenance, replacements, or repairs in, on, or about the Easement Property, or any part thereof, during the Term.

11.2 Grantee's Repairs and Maintenance.

- (a) Grantee shall, at its sole cost and expense, keep and maintain the Easement Property and all improvements (regardless of ownership) in good order and repair, in a clean, attractive, and safe condition.
- (b) Grantee shall, at its sole cost and expense, make any and all additions, repairs, alterations, maintenance, replacements, or changes to the Easement Property or to any improvements on the Easement Property which may be required by any public authority having jurisdiction over the Easement Property and requiring it for public health, safety and welfare purposes.
- (c) Except as provided in Section 11.2(d), all additions, repairs, alterations, replacements or changes to the Easement Property and to any improvements on the Easement Property shall be made in accordance with, and ownership shall be governed by, Section 7, above.
- (d) Routine maintenance and repair are acts intended to prevent a decline, lapse or cessation of the Permitted Use and associated Improvements. Routine maintenance or repair that does not require regulatory permits does not require authorization from State pursuant to Section 7.

SECTION 12 DAMAGE OR DESTRUCTION

12.1 Notice and Repair.

- (a) In the event of any known damage to or destruction of the Easement Property or any Improvements, Grantee shall promptly give written notice to State. State does not have actual knowledge of the damage or destruction of the Easement Property or any Improvements without Grantee's written notice.
- (b) Unless otherwise agreed in writing, Grantee shall promptly reconstruct, repair, or replace any Improvements in accordance with Paragraph 7.3, Construction, Major Repair, Modification, and Demolition, as nearly as possible to its condition immediately prior to the damage or destruction. Where damage to state-owned aquatic land or natural resources is attributable to the Permitted Use or related activities, Grantee shall promptly restore the lands or resources to the condition preceding the damage in accordance with Paragraph 7.3 unless otherwise agreed in writing.

12.2 State's Waiver of Claim. State does not waive any claims for damage or destruction of the Easement Property unless State provides written notice to Grantee of each specific claim waived.

12.3 Insurance Proceeds. Grantee's duty to reconstruct, repair, or replace any damage or destruction of the Easement Property or any Improvements on the Easement Property is not conditioned upon the availability of any insurance proceeds to Grantee from which the cost of repairs may be paid. The Parties shall use insurance proceeds in accordance with Paragraph 10.2(g)(3).

SECTION 13 CONDEMNATION

In the event of condemnation, the Parties shall allocate the award between State and Grantee based upon the ratio of the fair market value of (1) Grantee's rights in the Easement Property and Grantee-Owned Improvements and (2) State's interest in the Easement Property; the reversionary interest in Grantee-Owned Improvements, if any; and State-Owned Improvements. In the event of a partial taking, the Parties shall compute the ratio based on the portion of Easement Property or Improvements taken. If Grantee and State are unable to agree on the allocation, the Parties shall submit the dispute to binding arbitration in accordance with the rules of the American Arbitration Association.

SECTION 14 REMEDIES AND TERMINATION

14.1 Breach.

- (a) State may terminate this Easement upon Grantee's failure to cure a breach of its terms within sixty (60) days of State's written notice of breach.
- (b) For nonmonetary breach not capable of cure within sixty (60) days, State will not unreasonably withhold approval of a reasonable alternative cure schedule. Grantee must submit a cure schedule within thirty (30) days of a notice of breach. State shall not terminate if State approves the schedule and Grantee works diligently and in good faith to execute the cure. State may terminate if Grantee fails to timely submit a schedule or fails to cure in accordance with an approved schedule.
- (c) If breach arises from Grantee's failure to comply with restrictions on Permitted use under Paragraph 2.2, State may, without terminating this Easement, restore the natural resources or Property and charge Grantee restoration costs and/or charge Grantee damages. On demand by State, Grantee shall pay all costs and/or damages.

14.2 Termination by Nonuse. If Grantee does not use the Easement Property for a period of three (3) successive years, this Easement terminates without further action by State. Grantee's rights revert to State upon Termination by Nonuse.

14.3 Termination by Grantee. Grantee may terminate this Easement upon providing State with sixty (60) days written notice of intent to terminate. Grantee shall comply with Paragraph 3.3, End of Term.

14.4 Remedies Not Exclusive. The remedies specified under this Section 14 are not exclusive of any other remedies or means of redress to which the State is lawfully entitled for Grantee's breach or threatened breach of any provision of this Easement.

- (a) The waiver of any breach or default of any term, covenant, or condition of this Easement is not a waiver of such term, covenant, or condition; of any subsequent breach or default of the same; or of any other term, covenant, or condition of this Easement. State's acceptance of payment is not a waiver of any preceding or existing breach other than the failure to pay the particular payment that was accepted.
- (b) The renewal of the Easement, extension of the Easement, or the issuance of a new Easement to Grantee, does not waive State's ability to pursue any rights or remedies under the Easement.

16.6 Cumulative Remedies. The rights and remedies of State under this Easement are cumulative and in addition to all other rights and remedies afforded by law or equity or otherwise.

16.9 Invalidity. The invalidity, voidness, or illegality of any provision of this Easement does not affect, impair, or invalidate any other provision of this Easement.

16.10 Applicable Law and Venue. This Easement is to be interpreted and construed in accordance with the laws of the State of Washington.
