2.3 Unless Operator gives Notice to Landowner within 10 days after the occurrence of any of the following, and executes and delivers to Landowner modifications or supplements of this Agreement (and any financing statement which may be filed in connection with this Agreement) as Landowner may require, Operator will not: (a) change its name, identity, structure or jurisdiction of organization, (b) change the location of its place of business (or chief executive office if more than one place of business), or (c) add to or change any location at which any of the Collateral Property is stored, held or located.

2.4 If an Event of Default has occurred and is continuing, Landowner will have the remedies of a secured party under the Code, in addition to all remedies provided by this Agreement or existing under applicable law or in equity. In exercising any remedies, Landowner may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Landowner’s other remedies.

2.5 This Agreement shall also constitute a “fixture filing” for the purposes of the Code against all of the Collateral Property which is or is to become fixtures, and the recording hereof in the official records of the county in which such Collateral Property is located shall operate from the time of filing as a fixture filing with respect to such Collateral Property. The information provided in this Section is provided so that this Agreement shall comply with the requirements of Section 9502(c) of the Code. Operator is the “Debtor” and its name and mailing address are set forth in the preamble of this Agreement preceding the Recitals. Landowner is the “Secured Party” and its name and mailing address from which information concerning the security interest granted herein may be obtained are also set forth in the preamble of this Agreement preceding the Recitals. A statement describing the portion of the Collateral Property comprising the fixtures hereby secured is set forth in the definition of “Fixtures” hereof.

**ARTICLE 3. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER;
LANDOWNER IN POSSESSION**

- 3.1 As part of the consideration for the ~~Loan~~ **Leasing Agreements**, Operator absolutely and unconditionally assigns, sells and transfers to Landowner all of Operator's right, title and interest in and to all Rents. It is the intention of Operator to establish a present, absolute and irrevocable transfer and assignment to Landowner of all Rents and to authorize and empower Landowner to collect and receive all Rents without the necessity of further action on the part of Operator. Promptly upon request by Landowner, Operator agrees to execute and deliver such further assignments as Landowner may from time to time require. Operator and Landowner intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. Solely for purposes of giving effect to this absolute assignment of Rents, and for no other purpose whatsoever, Rents will not be deemed to be a part of the Collateral Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Collateral Property and it is the intention of Operator that in this circumstance this Agreement create and perfect a Lien on Rents in favor of Landowner, which Lien will be effective as of the date of this Agreement.
- 3.2 (a) After the occurrence of an Event of Default, Operator authorizes Landowner to collect, sue for and compromise Rents and directs each tenant of the Premises to pay all Rents to, or as directed by, Landowner. However, until the occurrence of an Event of Default, Landowner, subject to the provisions of any cash management agreement, grants to Operator a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Landowner and to ~~apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including~~ **and to apply all Rents as required pursuant to any Financing Documents (as defined in Section 8.4), including the payment of any monthly reserves for taxes or insurance payable to Financing Agent ("Imposition Reserve Deposits")**, and to pay the current costs and expenses of managing, operating and maintaining the Premises, including utilities, Taxes and insurance premiums (to the extent not included in Imposition Reserve Deposits), tenant improvements and other capital expenditures. So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Operator free and clear of, and released from, Landowner's rights with respect to Rents under this Agreement.
- (b) From and after the occurrence of an Event of Default, and without the necessity of Landowner entering upon and taking and maintaining control of the Premises directly, or by a receiver, Operator's license to collect Rents will automatically terminate and Landowner will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Operator will pay to Landowner upon demand all Rents to which Landowner is entitled. Any Rents collected by Operator from and after the occurrence of an Event of Default will be held by Operator in trust for Landowner's benefit hereunder. At any time on or after the date of Landowner's demand for Rents, (a) Landowner may give, and Operator irrevocably authorizes Landowner to give, notice to all tenants of the Premises instructing them to pay all Rents to Landowner, (b) no tenant will be

obligated to inquire further as to the occurrence or continuance of an Event of Default, and (c) no tenant will be obligated to pay to Operator any amounts which are actually paid to Landowner in response to such a notice. Any such notice by Landowner will be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Operator will not interfere with, and will cooperate with, Landowner's collection of such Rents.

- 3.3 Operator represents and warrants to Landowner that Operator has not executed any prior assignment of Rents ~~(other than an assignment of Rents securing any indebtedness that has been paid off and discharged or which will be paid off and discharged with the proceeds of the Loan)~~, that Operator has not performed, and Operator covenants and agrees that it will not perform, any acts and has not executed, and will not execute, any instrument which would prevent Landowner from exercising its rights under this Article, and that at the time of execution of this Agreement there has been no anticipation or prepayment of any Rents for more than two months prior to the due dates of such Rents. Operator will not collect or accept payment of any Rents more than two months prior to the due dates of such Rents.
- 3.4 (a) If an Event of Default has occurred and is continuing, Landowner may, but will not be obligated to, regardless of the adequacy of Landowner's security or the solvency of ~~Landowner or~~ Operator and even in the absence of waste, enter upon and take and maintain full control of the Premises and the Collateral Property in order to perform all acts that Landowner in its discretion determines to be necessary or desirable for the operation, leasing and maintenance of the Premises, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of repairs to the Premises and the execution or termination of contracts providing for the management, operation or maintenance of the Premises, for the purposes of enforcing the assignment of Rents pursuant to Section 3.1, protecting the Premises or the security of this Agreement, or for such other purposes as Landowner in its discretion may deem necessary or desirable.
- (b) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Landowner's security, without regard to ~~Landowner's or~~ Operator's solvency and without the necessity of giving prior notice (oral or written) to Operator, Landowner may apply to any court having jurisdiction for the appointment of a receiver for the Premises to take any or all of the actions set forth in the preceding sentence. If Landowner elects to seek the appointment of a receiver for the Premises at any time after an Event of Default has occurred and is continuing, Operator, by its execution of this Agreement, expressly consents to the appointment of such receiver, including the appointment of a receiver ex parte if permitted by applicable law. Landowner or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Premises. Immediately upon appointment of a receiver or immediately upon Landowner's entering upon and taking possession and control of the Premises, Operator will surrender possession of the Premises to Landowner or the receiver, as the case may be, and will deliver to Landowner or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Premises and all Tenant Security Deposits and prepaid Rents. In the event Landowner takes possession and control of the Premises, Landowner may exclude Operator and its representatives from the Premises. Operator acknowledges and agrees that the exercise by Landowner of any of the rights conferred under this Section will not

be construed to make Landowner a mortgagee-in-possession of the Premises so long as Landowner has not itself entered into actual possession of the Land and Improvements.

- 3.5 If Landowner enters the Premises, Landowner will be liable to account only to Operator and only for those Rents actually received. Except to the extent of Landowner's gross negligence or willful misconduct, Landowner will not be liable to Landowner or Operator, or anyone claiming under or through Landowner or Operator or anyone having an interest in the Premises, by reason of any act or omission of Landowner under Section 3.4, and Landowner and Operator each release and discharge Landowner from any such liability to the fullest extent permitted by law.
- 3.6 If the Rents are not sufficient to meet the costs of taking control of and managing and operating the Premises and collecting the Rents, any funds expended by Landowner for such purposes will become an additional part of the ~~indebtedness as provided in the Security Instrument~~ **rent due under the Operating Lease**.
- 3.7 Any entering upon and taking of control of the Premises by Landowner or the receiver, as the case may be, and any application of Rents as provided in this Agreement will not cure or waive any Event of Default or invalidate any other right or remedy of Landowner under applicable law or provided for in this Agreement or in the ~~Security Instrument, the Loan Agreement or any other Loan Document~~ **Operating Lease**, or at law or in equity.

ARTICLE 4. ASSIGNMENT OF LEASES; LEASES AFFECTING THE PREMISES

- 4.1 As part of the consideration for the ~~Loan~~ **Leasing Agreements**, Operator absolutely and unconditionally assigns, sells and transfers to Landowner all of Operator's right, title and interest in, to and under the Leases, including Operator's right, power and authority to modify the terms of any such Lease, or extend, amend or terminate any such Lease. It is the intention of Operator to establish a present, absolute and irrevocable transfer and assignment to Landowner of all of Operator's right, title and interest in, to and under the Leases. Operator and Landowner intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. Solely for purposes of giving effect to this absolute assignment of the Leases, and for no other purpose whatsoever, the Leases will not be deemed to be a part of the Collateral Property. However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Collateral Property and it is the intention of Operator that in this circumstance this Agreement create and perfect a Lien on the Leases in favor of Landowner, which Lien will be effective as of the date of this Agreement.
- 4.2 Until Landowner gives Notice to Operator of Landowner's exercise of its rights under this Section, Operator will have all rights, power and authority granted to Operator under any Lease (except as otherwise limited by this Article or any other provision of this Agreement), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, the permission given to Operator pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Operator will comply with and observe Operator's obligations under all Leases, including Operator's obligations pertaining to the maintenance and disposition of Tenant Security Deposits. In

no event will Operator enter into, amend, extend or terminate a Lease which would constitute a breach of the ~~Loan~~this Agreement.

- 4.3 Operator acknowledges and agrees that the exercise by Landowner, either directly or by a receiver, of any of the rights conferred under this Section will not be construed to make Landowner a mortgagee-in-possession of the Premises so long as Landowner has not itself entered into actual possession of the Land and the Improvements. The acceptance by Landowner of the assignment of the Leases pursuant to Section 4.1 will not at any time or in any event obligate Landowner to take any action under this Agreement or to expend any money or to incur any expenses. Except to the extent of Landowner's gross negligence or willful misconduct, Landowner will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Premises. Prior to Landowner's actual entry into and taking possession of the Premises, Landowner will not (a) be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease), (b) be obligated to appear in or defend any action or proceeding relating to the Lease or the Premises, or (c) be responsible for the operation, control, care, management or repair of the Premises or any portion of the Premises. The execution of this Agreement by Operator will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Premises is and will be that of Operator, prior to such actual entry and taking of possession by Landowner.
- 4.4 Upon delivery of Notice by Landowner to Operator of Landowner's exercise of Landowner's rights under this Article at any time after the occurrence of an Event of Default, and without the necessity of Landowner entering upon and taking and maintaining control of the Premises directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Landowner immediately will have all rights, powers and authority granted to Operator under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- 4.5 Operator will, promptly upon Landowner's request, deliver to Landowner an executed copy of each residential Lease then in effect. All residential Leases, including all resident care agreements and admission agreements, must be on forms approved by Landowner and must not include options to purchase.
- 4.6 Operator agrees as follows:
- (a) Operator will not enter into a Lease for any portion of the Premises for non-residential use without the prior written consent of Landowner, which may be conditioned upon Landowner receiving an assignment thereof in form acceptable to Landowner; **provided that Landowner's prior consent shall not be required for the execution, modification or termination of any non-residential lease if such non-residential lease (i) is for space of less than 2,000 square feet or the annual consideration of which applicable to or allocated to the Premises is not greater than \$50,000 with respect to the Premises, (ii) is with a tenant that is not an affiliate of Landowner, (iii) is on market terms and (iv) is not for space used in connection with the provision of home-health services.**
 - (b) Operator will not modify the terms of, or extend, renew or terminate, any Lease for non-residential use (including any Lease in existence on the date of this Agreement) without the prior written consent of Landowner; **provided that**

Landowner's prior consent shall not be required for the execution, modification or termination of any non-residential lease if such non-residential lease (i) is for space of less than 2,000 square feet or the annual consideration of which applicable to or allocated to the Premises is not greater than \$50,000 with respect to the Premises, (ii) with a tenant that is not an affiliate of Landowner, (iii) on market terms and (iv) is not for space used in connection with the provision of home-health services.

- (c) ~~Owner~~**Operator** will, without request by Landowner, deliver a fully executed copy of each non-residential Lease to Landowner promptly after such Lease is signed.
- (d) All non-residential Leases, ~~including~~ **entered into after the date of this Agreement and all** renewals or extensions of existing Leases, must specifically include the following provisions:
- (i) The Lease is subordinate to the Lien of the ~~Security Instrument~~**any security instrument in favor of any mortgagee of Landowner secured by the Premises**, with such subordination to be self-executing.
 - (ii) The tenant will attorn to Landowner and any purchaser at a foreclosure sale, such attornment to be self-executing and effective upon acquisition of title to the Premises by any purchaser at a foreclosure sale or by Landowner in any manner.
 - (iii) The tenant agrees to execute such further evidences of attornment as Landowner or any purchaser at a foreclosure sale may from time to time request.
 - (iv) The tenant will, upon receipt of a written request from Landowner following the occurrence of and during the continuance of an Event of Default, pay all Rents payable under the Lease to Landowner.
 - (v) If Landowner or a purchaser at a foreclosure sale so elects, the Lease shall not be terminated by foreclosure or any other transfer of the Premises.
 - (vi) After a foreclosure sale of the Premises, Landowner or any other purchaser at such foreclosure sale may, at Landowner's or such purchaser's option, accept or terminate such Lease without payment of any fee or penalty.
- 4.7 Operator will not receive or accept Rent under any Lease (whether residential or non-residential) for more than two months in advance.
- 4.8 Operator will send to Landowner copies of all notices, financial reports, survey results and other matters concurrently with providing such copies to Landowner under or pursuant to the Operating Lease.
- 4.9 Notwithstanding any provision of the Operating Lease to the contrary, in no event will Operator transfer any License or any right thereunder (or part thereof) to any other Person or location.

ARTICLE 5. REPRESENTATIONS AND WARRANTIES OF OPERATOR

5.1 Operator represents, warrants and agrees to the following:

- (a) Operator has good and marketable title to all of the Collateral Property (except fee simple title to the Premises is in Landowner and subject to the Operating Lease) and none of the Collateral Property is subject to any Lien except for Permitted Liens and the security interest created pursuant to this Agreement, ~~the Security Instrument, the Loan Agreement and any of the other Loan Documents~~ **or any Financing Documents and any other liens in favor of Landowner and/or Financing Agent to secure the obligations under the Operating Lease.**
- (b) During the term of this Agreement, Operator will not commence, or join with any other creditor in commencing any ~~Bankruptcy~~ **bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings** with respect to Landowner, without Landowner's prior written consent, and as of the date hereof, Operator has not filed and is not subject to any filing for ~~Bankruptcy~~ **bankruptcy or reorganization** under any applicable bankruptcy or insolvency laws. The Operating Lease is in full force and effect, Operator is not in default thereunder and Operator is not aware of any ongoing default thereunder by Landowner.

ARTICLE 6. COVENANTS OF THE OPERATOR

6.1 (a) Operator will:

- (iii) Restore or repair or cause to be restored or repaired promptly, in a good and workmanlike manner, any damaged part of the Collateral Property to the equivalent of its original condition, or such other condition as Landowner may approve in writing, whether or not Insurance Proceeds or condemnation awards are available to cover any costs of such restoration or repair; **provided, however, that Operator will not be obligated to perform such restoration or repair if (A) no Event of Default has occurred and is continuing and (B) Financing Agent has elected under the Financing Documents, if applicable, to apply any available insurance Proceeds and/or condemnation Awards to the indebtedness of Landowner secured by the Financing Documents, pursuant to the terms and provisions of the Financing Documents.**

Operator will take appropriate measures to prevent, and will not engage in or knowingly permit, any illegal activities at the Premises, including those that could endanger tenants or visitors, result in damage to the Premises, result in forfeiture of the Premises, or otherwise materially impair the Lien created by the Security Instrument or Lender's interest in the Premises. Operator will at all times maintain records sufficient to demonstrate compliance with the provisions of this Section 6.1(a)(vii).
- (b) Operator will not (and will not permit any tenant or other person to) remove, demolish or alter, other than in a commercially reasonable manner in the ordinary course of business, the Collateral Property or any part of the Collateral Property, except in connection with (i) any repairs or the replacements made in connection with the replacement of tangible Personalty, (ii) any repairs or replacements in connection with making an individual unit ready for a new occupant, (iii) any repairs or replacements in connection with keeping the Premises in good repair or in restoring any damaged part of the Premises to the equivalent of its original condition, and (iv) any "Property Improvement Alterations," as such term is used in the Financing Documents, provided that Landowner satisfies all of its conditions for such Property Improvement Alterations pursuant to the Financing Documents.

- (h) Operator will furnish to Landowner within 90 days after the end of each fiscal year of Landowner an accounting of all security deposits held pursuant to all Leases to which Operator is a party, including the name of the institution (if any) and the names and identification numbers of the accounts (if any) in which such security deposits are held and the name of the person to contact at such financial institution, along with any authority or release necessary for Landowner to access information regarding such accounts.

(iii) Has not been the subject of a final enforcement action relating to the AML Laws.

If Operator cannot provide such certification to Landowner and Financing Agent, Operator must promptly disclose to Landowner and Financing Agent the basis for why Operator cannot truthfully provide such certification. - (g) **At any time on or after the date of Financing Agent's demand for Rents to which it is entitled to hereunder, Financing Agent may give, and Operator hereby irrevocably authorizes Financing Agent to give, notice to all applicable tenants of the Premises instructing them to pay all Rents to which Operator would otherwise be entitled to Financing Agent. No tenant will be obligated to inquire further as to the occurrence or continuance of an event of default. No tenant will be obligated to pay to Operator any amounts which are actually paid to Financing Agent in response to such a notice. Any such notice by Financing Agent will be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Operator will not interfere with and will cooperate with Financing Agent's collection of such Rents to which Operator would otherwise be entitled.**
- 6.2 All expenses of protecting, storing, warehousing, insuring, handling and shipping of the Collateral Property, all costs of keeping the Collateral Property free of any Liens prohibited by this Agreement and of removing the same if they should arise, and any and all excise, property, sales and use taxes imposed by any state, federal or local authority on any of the Collateral Property or in respect of the sale thereof, will be borne and paid by Operator and if Operator fails to promptly pay any thereof when due, Landowner may, at its option, but will not be required to, pay the same whereupon the same will constitute Obligations and will be secured by the security interests granted hereunder ~~and by the Security Instrument and the Loan Agreement.~~

- 6.6 Operator will not take any action, or omit to take any action, if doing so would constitute a default of any provision of the ~~Security Instrument, the Loan Agreement or the other Loan Documents~~ **Operating Lease or any documents between Landowner and any mortgagee of Landowner secured by the Premises.**

- 6.7 Immediately upon Operator becoming aware of the existence of any Event of Default under and as defined in the Operating Lease, ~~or this Agreement or any other Loan Document~~, Operator will give Notice to Landowner that such Event of Default exists, stating the nature of the Event of Default to Operator's knowledge, the period of existence of the Event of Default, and what action Operator proposes to take with respect to the Event of Default.
- 6.8 Operator will execute and deliver to Landowner, from time to time, such financing statements, assignments, and other documents covering the Collateral Property as Landowner may request in order to create, evidence, perfect, maintain or continue its security interest in the Collateral Property (including any additional Collateral Property acquired by Operator after the date hereof) and will notify Landowner promptly upon acquiring any additional Collateral Property.
- 6.9 (a) Operator appoints Landowner, or any other Person, whom Landowner may from time to time designate, as Operator's attorney with power, after the occurrence and during the continuance of an Event of Default, to ask, demand, collect, receive, sue for, file claims for, waive, adjust or settle any and all Rents and/or other liabilities or obligations of parties to Leases or Material Contracts or otherwise arising under or with respect to the Collateral Property, including the power to endorse Operator's name on any checks, notes, acceptances, drafts, or other forms of payment or security that may come into Landowner's possession, to sign Operator's name on any invoice or bill of lading relating to any Collateral Property, on drafts against customers, on schedules and confirmatory assignments of Collateral Property, on notices of assignment, financing statements under the Code and other public records, on verifications of Collateral Property and on notices to customers, residents and other tenants at the Premises, to notify the post office authorities to change the address for delivery of Operator's mail to an address designated by Landowner, to receive and open all mail addressed to Operator, to send requests for verification of Collateral Property to customers residents and other tenants at the Premises and to do all things necessary to carry out this Agreement in each case to the extent, but only to the extent, such actions relate to the Collateral Property. Operator ratifies and approves all acts of the attorney taken within the scope of the authority granted. Neither Landowner nor the attorney will be liable for any acts of commission or omission nor for any error in judgment or mistake of fact or law. This power, being coupled with an interest, is irrevocable so long as any Indebtedness remains unpaid. Operator waives presentment and protest of all instruments and notice thereof, notice of default and dishonor and all other notices to which Operator may otherwise be entitled.
- (b) In connection with Landowner's mortgage financing relating to its ownership of the Premises, Landowner has assigned or will assign to Financing Agent, among other things, the powers of attorney granted in this Agreement and the Operating Lease. Operator acknowledges and consents to such assignments and agrees to recognize Financing Agent as Landowner's attorney-in-fact. Financing Agent's exercise of such power of attorney shall not cause Financing Agent to be construed as a mortgagee-in-possession, or constitute a waiver of any of Financing Agent's rights as a mortgagee, except as required by applicable law. Any and all action to be undertaken by Landowner hereunder (including those after an Event of Default) may be taken by Financing Agent in its stead.

- 6.10 (a) Within 10 days after a request from Landowner, Operator will deliver to Landowner a written statement, signed and acknowledged by Operator, certifying to Landowner or to any Person(s) designated by Landowner, as of the date of such statement: (a) that the Operating Lease and this Agreement are unmodified and in full force and effect (or if there have been any modifications thereof, that they are in full force and effect as modified, and setting forth such modifications), (b) that Operator is not in default under the Operating Lease or this Agreement (or if Operator is in default, setting forth the details thereof and the actions Operator is taking to cure such default), (c) that to its knowledge, Landowner is not in default under the Operating Lease or the Loan Documents, and (d) as to any additional factual matters Landowner may reasonably request.

 - (ii) It will not acquire, own, hold, lease, operate, manage, maintain, develop or improve any assets other than the Premises and such Personalty as may be necessary for the operation of the Premises and will conduct and operate its business as presently conducted and operated or as otherwise permitted under the Operating Lease.

- (xi) It will maintain its records, books of account, bank accounts, financial statements, accounting records and other entity documents separate and apart from those of any other Person and will not list its assets as assets on the financial statement of any other Person; provided, however, that Operator's assets may be included in a consolidated financial statement of its Affiliate provided that (A) appropriate notation will be made on such consolidated financial statements to indicate the separateness of Operator from such Affiliate and to indicate that Operator's assets and credit are not available to satisfy the debts and other obligations of such Affiliate or any other Person, and (B) such assets will also be listed on Operator's own separate balance sheet.
- (xii) Except for capital contributions or capital distributions permitted under the terms and conditions of its organizational documents, it will only enter into any contract or agreement with any general partner, member, shareholder, principal or Affiliate of Operator, or any general partner, member, principal or Affiliate thereof, upon terms and conditions that are commercially reasonable and substantially similar to those that would be available on an arm's-length basis with third parties.
- (xiii) It will not maintain its assets in such a manner that will be costly or difficult to segregate, ascertain or identify its individual assets from those of any other Person.
- (xiv) Other than as directed or authorized by this Agreement, it will not assume or guaranty the debts or obligations of any other Person, hold itself out to be responsible for the debts of another Person, pledge its assets to secure the obligations of any other Person or otherwise pledge its assets for the benefit of any other Person, or hold out its credit as being available to satisfy the obligations of any other Person **(except with respect to the Subsidiaries)**.

- (xvii) It will hold itself out to the public as a legal entity separate and distinct from any other Person and conduct its business solely in its own name, will correct any known misunderstanding regarding its separate identity and will not identify itself or any of its Affiliates as a division or department of any other Person **except for (i) business conducted under the Master Lease on behalf of the Master Operator by a Subsidiary (in its capacity as agent for the Master Operator pursuant to the Sub-Lease), (ii) business conducted under the Sub-Lease on behalf of the Master Operator by a Subsidiary (in its capacity as agent for the Company pursuant to the Sub-Lease) and (iii) for marketing purposes a trade name or trade reference common to Affiliates may also, from time to time, be used (but not for the purpose of obtaining credit)**.

- (xviii) It will maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations and will pay its debts and liabilities from its own assets as the same become due; **provided, however, nothing in this Section will require any member or partner of Operator to make any equity contribution to the Operator.**
- (xix) It will allocate fairly and reasonably shared expenses with Affiliates (including shared office space) and use separate stationery, invoices and checks bearing its own name.
- (xx) It will pay **(or cause the Sub-Operator to pay on behalf of the Operator from Operator's funds)** its own liabilities (including salaries of its own employees, if any) from its own funds; **provided, however, nothing in this Section will require any member or partner of Operator to make any equity contribution to Operator.**

ARTICLE 7. COLLECTIONS

- 7.1 Except as otherwise provided in this Agreement, Operator will continue to collect at its own expense, all amounts due or to become due to Operator with respect to the Collateral Property. In connection with such collections, Operator may take (and, at Landowner's direction, will take) such action as Operator or Landowner may deem necessary or advisable to enforce collection of any Awards, Proceeds, Rents, Other Earnings, Refunds, Payments, Third Party Care Payments, Third Party Miscellaneous Payments or Accounts; provided, however, that Landowner will have the right, at any time upon the occurrence of an Event of Default to notify the debtors and/or payors of any Awards, Proceeds, Rents, Other Earnings, Refunds, Payments, Third Party Care Payments, Third Party Miscellaneous Payments or Accounts of the assignment of such amounts to Landowner and to direct such debtors and/or payors to make payment of all amounts due or to

become due to Operator thereunder directly to Landowner. Upon such notification and at the expense of Operator, Landowner will have the right to enforce collection of such Awards, Proceeds, Rents, Other Earnings, Refunds, Payments, Third Party Care Payments, Third Party Miscellaneous Payments or Accounts and to adjust, settle, or compromise the amount or payment thereof in the same manner and to the same extent as Operator might have done.

- 7.2 (a) If no cash management agreement is in effect, then upon an Event of Default and during the continuation thereof, Operator will deposit into a collection account ("**Collection Account**") maintained with Landowner or ~~Loan Servicer~~ immediately upon receipt all payments and receipts of Collateral Property as described in Section 7.1 in the original form such payments are received, except for endorsement where necessary. Landowner is authorized and directed to apply all such collected funds to the payment of ~~the Landowner's obligations,~~ **including its indebtedness under the Financing Documents, and to all Secured Obligations** in the manner and in the priority determined by Landowner in the exercise of its sole discretion.
- (b) If a cash management agreement is in effect, then Operator will deposit into a collection account ("**Collection Account**") maintained with Landowner or ~~Loan Servicer~~ immediately upon receipt all payments and receipts of Collateral Property as described in Section 7.1 in the original form such payments are received, except for endorsement where necessary. - 7.3 Upon an Event of Default and during the continuation thereof, Operator will pay to Landowner all Rent and other charges, fees and reserves due and payable under the Operating Lease without abatement, set off, counterclaim or reduction. ~~Operator will not be obligated to pay Landowner any such amounts paid to Landowner.~~
- 7.4 All amounts received by Landowner pursuant to this Article 7 will be applied, at Landowner's election, to the operation, preservation, improvement and maintenance of the Premises and the Collateral Property and/or to the repayment of the ~~indebtedness~~ **obligations** of Landowner, **including under the Financing Documents,** and/or any amounts due from Operator to Landowner hereunder ~~or under any other Loan Document~~, all in such manner and order as Landowner may determine.

ARTICLE 8. ASSIGNMENT

- 8.1 If Landowner gives Notice to Operator that Landowner is exercising its rights under this Agreement and/or that an Event of Default has occurred, Operator will continue, at Landowner's direction (but on behalf of and as agent for Landowner), to perform all of Operator's obligations under the Operating Lease in accordance with the Operating Lease (but subject to the other provisions of this Agreement, including Section 7.3). Any rent payments or fees due to Landowner or Operator which become due and payable after the date Landowner gives Operator Notice under this Section will continue to be paid in accordance with the terms of the Operating Lease, subject to the terms of Section 7.3, notwithstanding any contrary direction from Landowner. However, Landowner neither assumes nor has any obligation to Operator to exercise its rights under this Agreement or

to declare a default under the ~~Loan Documents~~ **Operating Lease**. Landowner will have no obligation to pay for services performed by Operator as required by this Section.

8.2 Upon Notice to do so from Landowner or its successors or assigns or designee holding title to the Premises (as applicable, "New Owner") (which Notice may be given at New Owner's sole discretion), **(i) Master Operator will recognize the New Owner as the owner of the Premises for purposes of the Operating Master Lease and the Operating Master Lease will continue in full force and effect as a direct Operating Lease between Master Operator and Landowner or New Owner, (ii) Sub-Operator and Sub-Sub-Operator will each recognize the New Owner as the owner of the Premises for purposes of the respective Sub-Lease and Sub-Sub-Lease, and (iii) if New Owner terminates the Master Lease and enters into a new primary operating lease with a new operator, Sub-Operator and Sub-Sub-Operator each agrees to recognize such new primary operator and enter into a new sub-operating lease or sub-sub-operating lease, as applicable on substantially the same terms and conditions as the respective Sub-Lease or Sub-Sub-Lease, in each case** subject to the following terms and conditions:

- (a) Neither Landowner nor New Owner will **not** be:
- (i) Liable for any act or omission or misrepresentation, breach of warranty or any other default or negligence of Landowner, ~~or~~ any previous owner of the Premises, **or any previous lessor of the Premises.**
 - (ii) Subject to any offset claim, counterclaim, recoupment, credit or setoff, estoppel or defense of any nature which Operator might be entitled to assert against Landowner, ~~or~~ any previous owner of the Premises, **or any previous lessor of the Premises.**
 - (iii) Bound by any payment made by Operator to Landowner **(unless paid to New Owner)** or any previous owner of the Premises **or any previous lessor of the Premises** for more than one (1) month in advance of the date such payment or payments are due.
 - (iv) Bound by any modification or amendment of the Operating Lease made without the prior written consent of Landowner ~~or~~ New Owner.
 - (v) Bound by any of Landowner's liabilities or obligations under the Operating Lease which were to be paid or performed (or which arose or accrued) before New Owner became the owner of the Premises **or landlord under any Operating Lease.**
 - (vi) Bound by any obligation of Landowner, ~~or~~ any previous owner of the Premises **or any previous lessor of the Premises** to construct, maintain, repair or rebuild the Premises under the Operating Lease, or to reimburse Operator or otherwise pay for any such work.
 - (vii) Bound by any obligation to indemnify Operator under the Operating Lease.
 - (viii) Bound by any obligation of Landowner to apply or return any security deposit under the Operating Lease, or any reserve held thereunder, except

and to the extent such security deposit and/or reserves were received by ~~Landowner~~**New Owner** (and ~~Landowner~~**New Owner** was not obligated in a ~~Bankruptcy~~**bankruptcy proceeding** or otherwise to return them to Landowner).

- (ix) Bound by any abatements or reductions of rent or of other amounts payable under the Operating Lease, except to the extent expressly set forth in the Operating Lease.
- (x) Liable to Operator hereunder or under the Operating Lease beyond its interest in the Premises.

8.3 Operator agrees as follows:

- (a) After the date of this Agreement, no extension (other than pursuant to an express option set forth in the Operating Lease), amendment or termination of the Operating Lease will be valid as against Landowner unless Landowner has approved such extension, amendment or termination in writing.
- (b) Operator will not terminate the Operating Lease or cease to perform its obligations under the Operating Lease for any reason, including but not limited to Landowner's failure to make any payments to Operator, without giving Landowner thirty (30) days' prior Notice of such intention, in order that Landowner may, at its election, cure Landowner's default and/or exercise its rights under this Agreement.
- (c) Upon the occurrence of an Event of Default hereunder, ~~under the other Loan Documents~~ or under the Operating Lease, Operator may be removed and the Operating Lease terminated by Landowner or New Owner, without payment of any cancellation or termination fee, penalty or other liability, at any time upon Notice to Operator by Landowner or New Owner of such Event of Default and termination.
- (d) Upon the termination of the Operating Lease for any reason or upon the occurrence of an Event of Default, at Landowner's request, Operator will cooperate with Landowner and Landowner in all respects to facilitate and effect a transition and licensing of the operation of the Premises to a new operator. Such cooperation will include: (i) furnishing to any prospective operator designated by Landowner complete and accurate books, records, files, documents and information in Operator's possession, control or custody with respect to the operation, leasing, maintenance and construction of the Premises (including, but subject to Privacy Laws, (x) copies of all resident care agreements, resident admission agreements and all other Leases, and (y) copies of all other records pertaining to the residents at the Premises), (ii) entering into an operations transfer agreement (in customary form and acceptable to Landowner) with the new operator to permit continued operation of the Premises without interruption while Licenses and agreements with Governmental Authorities (including provider agreements) are obtained by the new operator, (iii) assigning such Material Contracts and other agreements to such new operator as it may request (and which may be assigned by Operator), including all residential Leases, and (iv) cooperating with such new operator as to the filing of required notices or applications for Licenses with applicable Governmental Authorities (to the extent

Operator's signature may be required or information in Operator's possession, control or custody may be required).

8.4 Subordination of Operating Lease.

- (a) Operator acknowledges that Landowner has entered into mortgage financing related to its ownership of the Premises and as part of such financing, Landowner has pledged, or may in the future pledge, its rights, title and interest in this Agreement, the Operating Lease, the rent due under the Operating Lease, any assignment of property management agreement, the Leases and any other Rents and has executed or delivered, or may in the future execute or deliver, such other documents and instruments as Landowner or the provider of such financing (together with its successors and assigns, the "Financing Agent") deems necessary or appropriate to consummate such transaction. Notwithstanding anything in the Operating Lease to the contrary, the Operating Lease and all estates, rights, options, liens and charges therein contained or created thereunder are and shall be subject and subordinate to any and all fee mortgages, deeds of trusts or other similar instruments (the "Security Instrument"), and any other documents executed and delivered in connection therewith as the same may be amended, restated or modified from time to time (together with the Security Instrument, the "Financing Documents"), and to all terms, covenants and conditions thereof, and all liens created thereunder, and all renewals, modifications, consolidations, severances, replacements, increases and extensions thereof and to any and all advances made or to be made thereunder, to the full extent of amounts secured thereby, it being understood and agreed that (1) Operator shall have no responsibility under such financing arrangements or any such Security Instrument, and (2) the Financing Agent shall have, in its sole and absolute discretion, among other rights with respect to the Premises, either (A) the right to terminate the Operating Lease upon completion of a foreclosure by Financing Agent under the Security Instrument or the granting by Landowner of a deed-in-lieu of foreclosure, and (B) the right to elect to recognize the Operating Lease and the interest of Operator thereunder, and not to disturb Operator's occupancy of the Premises during the term of the Operating Lease or any extensions or renewals thereof. If the Financing Agent or its designee has so elected to recognize the Operating Lease and not disturb Operator's occupancy of the Premises, Operator shall be bound to such entity under all of the terms, covenants and conditions of the Operating Lease with the same force and effect as if the Financing Agent or its designee were the landlord under such Operating Lease and Operator shall attorn to the Financing Agent or its designee if such Financing Agent or designee succeeds to the interest of Landowner under the Operating Lease. Operator further agrees that any fees payable to Operator pursuant to the applicable Operating Lease shall be subordinated in right to the prior payment in full of the indebtedness evidenced by and secured by the Financing Documents.
- (b) Notwithstanding anything contained in the Operating Lease, neither the Financing Agent nor its designee shall be:
- (i) liable for any act or omission or negligence of, or for the performance of any of the obligations of, Landowner or of any prior landlord

which shall have occurred or accrued prior to the date on which the Financing Agent or its designee succeeds to Landowner's interest in the Operating Lease;

- (ii) bound by any offset right or defense that Operator may have against Landowner;
 - (iii) bound by any payment of rent due under the Operating Lease that Operator may have made to Landowner before the date such rent due under the Operating Lease was first due and payable hereunder unless such sums are paid to Financing Agent;
 - (iv) bound by any amendment or modification of the Operating Lease that would reduce or shorten any economic obligations of Operator under the Operating Lease or materially impair Landowner's rights under the Operating Lease without the prior written consent of Financing Agent;
 - (v) liable for any security deposit paid by Operator to Landowner unless such deposit is delivered to Financing Agent;
 - (vi) obligated to complete any construction work required to be done by Operator pursuant to the provisions of the Operating Lease or to reimburse Operator for any construction work done by Operator;
 - (vii) liable for or obligated to pay for repairs, replacements, damages or allowances, including the result of a casualty or condemnation, not made, performed or paid by Landowner if such performance or payment was due prior to the date on which the Financing Agent or its designee succeeds to Landowner's interest in the Operating Lease;
 - (viii) required to make any capital improvements which the Landowner may have agreed to make, but had not completed, or to perform or provide any services not related to possession or quiet enjoyment under the Operating Lease;
 - (ix) liable for the payment of any leasing commissions, the triggering event for which arose or occurred prior to the date on which the Financing Agent or its designee succeeds to Landowner's interest in the Operating Lease, except to the extent that Financing Agent receives the benefit thereof; or
 - (x) liable under any indemnity provision of whatever nature contained in the Operating Lease, including any environmental indemnification which arose or occurred prior to the date on which the Financing Agent or its designee succeeds to Landowner's interest in the Operating Lease.
- (ac) Operator subordinates all contractual and statutory Liens (whether choate or inchoate) which Operator may be (or may become) entitled to assert against the Premises or any other property of Landowner which is subject to a Lien in favor of Landowner to all of the assignments and Liens securing the ~~Loan~~ any loan

~~from Financing Agent contemplated by the Loan Documents (including any future amendments), and Operator fully and completely waives any and all rights that Operator may have, now or in the future (and to the extent permitted by law, the rights that Operator's suppliers, and laborers may have now or in the future), to claim, directly or indirectly, a priority of Lien, in whole or in part, against or in the Premises or any other property of Landowner which is subject to a Lien in favor of Landowner over any assignments or Liens that Landowner may claim against the Premises or any other such property of Landowner under the Loan Documents (including any future amendments). This subordination will be self-operative and no further instrument of subordination will be required. However, in further confirmation of such subordination, Operator and Landowner will, promptly upon the request of Landowner execute, acknowledge and deliver to Landowner such instruments as Landowner reasonably requires.~~

- (bd) Operator agrees that (i) any amounts payable to Operator by Landowner pursuant to the Operating Lease are and will be subordinated in right of payment to the prior payment in full of the ~~Indebtedness~~**indebtedness of any loan from Financing Agent encumbering the Premises**, and (ii) the Operating Lease is and will be subject and subordinate in all respects to the Lien, terms, covenants and conditions of the Security Instrument and the other ~~Loan~~**Financing** Documents and to all advances heretofore made or which may hereafter be made pursuant to the Note, the Loan Agreement, the Security Instrument (including all sums advanced for the purposes of (x) protecting or further securing the Lien of the Security Instrument or the Loan Agreement, curing defaults by Landowner under the Security Instrument or the Loan Agreement or for any other purposes expressly permitted by the Security Instrument or the Loan Agreement, or (y) constructing, renovating, repairing, furnishing, fixturing or equipping the Premises) or the other Loan Documents.
- (ee) Without limiting the subordination or other provisions of this Agreement in any way, in the event of any conflict between the Operating Lease and the ~~Loan~~**Financing** Documents as to the rights to and/or disposition of any Awards or Insurance Proceeds, the provisions of the ~~Loan~~**Financing** Documents will be controlling.
- (df) This Agreement satisfies any requirement in the Operating Lease that Landowner provide Operator with a subordination, non-disturbance and attornment agreement (or similar agreement); and Operator waives any such requirement, condition or covenant provided in the Operating Lease.
- (eg) ~~Reserved~~**Reserved** Notwithstanding any of the prior provisions of this Section to the contrary, Landowner may elect to subordinate the Security Instrument to the Operating Lease; provided such election is in writing in a Notice to Operator; and provided further that in such event the rights and Liens of Landowner in and to Awards and Insurance Proceeds will continue to be superior to Operator's rights or Liens under the Operating Lease or otherwise.
