The Tribe specifically reserves its right to enact and enforce its laws with respect to all activity taking place or property located on, over or under the Service Line Agreement Area herein granted, and to otherwise assert the full measure of its jurisdiction over the Service Line Agreement Area without regard to whether the entity being regulated is a Tribal member, other Native American or non-Indian. This provision is an essential and indivisible part of this Service Line Agreement, any severability clause in this agreement to the contrary notwithstanding; should this provision, at the request of the PSE, any agent, officer, official or employee of PSE, or any person or entity acting in concert with PSE, be struck down, ruled unenforceable or ineffective, or in any manner limited, this agreement shall be void and the Service Line Agreement granted by this agreement shall immediately cease.
