DEED OF TRUST

Notwithstanding the foregoing and the covenants hereafter set forth, it is expressly agreed and acknowledged that none of the covenants, representations, or other obligations of Grantor set forth in this Deed of Trust are intended by Grantor and Beneficiary to secure or be the substantial equivalent of obligations of Grantor arising under any the Hazardous Substance Indemnity or other environmental indemnity agreement or provision, including without limitation any agreement or provision pertaining to hazardous or toxic wastes or substances, and any reference hereafter to the Loan Documents, Promissory Note, shall not include any such environmental indemnity agreement or provision included therein.

COVENANTS: Grantor(s) covenant(s) and agree(s) as follows:

1. To keep the Property in good condition and repair; to permit no waste of the Property; to complete any building, structure, or improvement being built or about to be built on the Property; to restore promptly any building, structure, or improvement on the Property which may be damaged or destroyed; and to comply with all laws, ordinances, regulations, covenants, conditions, and restrictions affecting the Property.
2. To pay before delinquent all lawful taxes and assessments upon the Property; to keep the Property free and clear of all other charges, liens, or encumbrances impairing the security of this Deed of Trust;
3. To keep all buildings now or hereafter erected on the Property continuously insured against loss by fire or other hazards in an amount not less than the total debt secured by this Deed of Trust. All policies shall be held by the Beneficiary, and be in such companies as the Beneficiary may approve and have loss payable first to the Beneficiary, as its interest may appear, and then to the Grantor(s). The amount collected under any insurance policy may be applied upon any indebtedness secured by this Deed of Trust in such order as the Beneficiary shall determine. Such application by the Beneficiary shall not cause discontinuance of any proceedings to foreclose this Deed of Trust. In the event of foreclosure, all rights of the Grantor(s) in insurance policies then in force shall pass to the purchaser at the foreclosure sale.
4. To defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and to pay all costs and expenses, including cost of title search and attorney's fees in a reasonable amount, in any such action or proceeding, and in any suit brought by Beneficiary to foreclose this Deed of Trust.
5. To pay all costs, fees, and expenses in connection with this Deed of Trust, including the expenses of the Trustee incurred in enforcing the obligation secured by this Deed of Trust and Trustee's and attorney's fees actually incurred, as provided by statute.
6. That, in the event Grantor(s) fails to pay when due any taxes, assessments, insurance premiums, liens, encumbrances, or other charges against the Property, Beneficiary may pay the same, and the amount so paid, with interest at the rate set forth in the note secured by this Deed of Trust, shall be added to and become a part of the debt secured in this Deed of Trust.
7. The Property may not be sold (by conveyance, contract to sell or otherwise), assigned, transferred or encumbered without the Beneficiary's consent; upon breach of this provision, in addition to any other remedies provided in the Note or Loan Documents, Beneficiary may declare all sums due under the Note and this Deed of Trust immediately due and payable, unless prohibited by applicable law.
8. In the event any portion of the Property is taken or damaged in an eminent domain proceeding, the entire amount of the award or such portion as may be necessary to fully satisfy the obligation secured by this Deed of Trust shall be paid to Beneficiary to be applied to said obligation.
9. By accepting payment of any sum secured by this Deed of Trust after its due date, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.

DEED OF TRUST

10. The Trustee shall reconvey all or any part of the Property covered by this Deed of Trust to the person entitled thereto, on written request of the Grantor(s) and the Beneficiary, or upon satisfaction of the obligation secured and written request for reconveyance made by the Beneficiary or the person entitled thereto.
11. Upon default by Grantor(s) in the payment of any indebtedness secured by this Deed of Trust or in the performance of any agreement contained in this Deed of Trust, all sums secured by this Deed of Trust shall immediately become due and payable at the option of the Beneficiary. In such event and upon written request of Beneficiary, Trustee shall sell the trust property, in accordance with the Deed of Trust Act of the State of Washington.
12. Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser all right, title and interest in the real and personal property which Grantor(s) had or had the power to convey at the time of the execution of this Deed of Trust, and such as Grantor(s) may have acquired thereafter. Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of law and of this Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchaser and encumbrancers for value.
13. The power of sale conferred by this Deed of Trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy; Beneficiary may cause this Deed of Trust to be foreclosed as a mortgage.
14. In the event of the absence, death, incapacity, disability, or resignation of Trustee, or at the discretion of the Beneficiary, Beneficiary may appoint in writing a successor trustee, and upon the recording of such appointment in the mortgage records of the county in which this Deed of Trust is recorded, the successor trustee shall be vested with all powers of the original trustee. The trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of an action or proceeding in which Grantor(s), Trustee, or Beneficiary shall be a party.
15. This Deed of Trust applies to, inures to the benefit of, and is binding not only on the parties hereto, but on his/her/their heirs, devisees, legatees, administrators, executors, and assigns. The term Beneficiary shall mean the holder and owner of the note secured hereby, whether or not named as Beneficiary herein.
16. This Deed of Trust shall be deemed a security agreement, as defined in the Uniform Commercial Code as adopted and amended by the State of Washington. The remedies for any violation of the covenants, terms and conditions of the agreements contained herein shall be as prescribed (i) herein, or (ii) by general law, or (iii) by the specific statutory consequences now or hereafter enacted, and specified in the Uniform Commercial Code as enacted by the State of Washington, all at Beneficiary's sole election. Grantor and Beneficiary agree that the filing of any financing statement in the records normally having to do with personal property shall not be construed as impairing the hereby stated intention of the parties that everything used in connection with the construction, management, maintenance and production of income from the Property together with all other rights and property described herein and comprising the secured property shall at all times and for all purposes in all proceedings, both legal and equitable, be regarded as part of the Property, whether physically attached or specifically identified or not.
17. As further security for the payment of all indebtedness and performance of all obligations secured hereby, Grantor irrevocably and absolutely assigns to Beneficiary, the rents, issues, profits and proceeds of contracts of the Property, together with all future leases, profits and contracts, and any and all extensions, renewals and replacements hereof. However, as long as no default shall exist in any obligation secured hereby, Grantor may collect assigned rents and profits as the same shall fall due. All rents or profits receivable from or in respect to the Property which Grantor shall be permitted to collect hereunder shall be received by it in trust to pay the usual and reasonable operating expenses of, and the taxes upon, the Property and the payment of all sums secured hereby. Upon the occurrence of any default in payment of any indebtedness or performance of any obligation secured hereby, all rights of the Grantor to collect and receive rents and profits shall wholly and immediately

terminate without notice, and Beneficiary shall thereafter have the absolute right to all such rents and profits. In addition to, and not in limitation of the foregoing, Beneficiary shall have the right to petition the Court of appropriate jurisdiction for the appointment of a Receiver of the rents, issues and profits of the Property and shall have in addition to the rights and powers customarily given to and exercised by such receiver, the right to enter upon and take possession of the Property and manage the same with all rights and options in regard thereto available to Grantor. Grantor expressly waives the posting of bond by such receiver, and waives any challenge to a proposed receiver based on affiliation with Beneficiary.

18. Beneficiary may commence, appear in, and defend any action or proceeding that may affect the Property or the rights or powers of Beneficiary or the Trustee under this Deed of Trust. Beneficiary may pay, purchase, contest or compromise any encumbrance, charge or lien which in its judgment appears to be prior or superior to the lien of this Deed of Trust, otherwise appears to impair the security hereof, or appears to have been created in violation of the terms hereof. If Grantor fails to make any payment or do any act required under the Loan Documents (including this Deed of Trust), Beneficiary, without any obligation to do so and without releasing Grantor from any obligations under the Loan Documents, may make the payment or cause the act to be performed in such manner and to such extent as Beneficiary may deem necessary to preserve and protect the Property. Beneficiary is authorized to enter upon the Property for such purposes. In exercising any of these powers Beneficiary may incur such expenses, in its absolute discretion, as it deems necessary. All expenses incurred or paid by Beneficiary hereunder shall be paid or reimbursed by Grantor on demand and shall bear interest at the default rate provided in the Note, and, if not so paid or reimbursed, shall become a part of the indebtedness secured hereby.
