The screenshot shows the 'County Clerk's E-Filing' interface. At the top, there is a navigation bar with links for 'Home', 'Services', 'MyRequests', and 'My Account'. The main heading is 'County Clerk's E-Filing'. Below this, there are several tabs: 'Start Here', 'Your Details', 'Application Information', 'E-File for an Existing Case', 'Document Upload', and 'Additional Services'. The 'Document Upload' tab is active. Underneath, there is a sub-heading 'Document Upload' and instructions: 'Upload all PDF documents you are submitting to be e-filed using the field below. Maximum file size allowed: 10MBs'. A large green-bordered box contains the text 'Drop files here to upload' and an 'Upload Here' button. Below this box, it says 'Accepted file types: .pdf' and 'Uploaded: 1 of 10'. A file named 'CIVIL.pdf' is listed with a red 'x' icon. Below the file list, there is a note: 'Please contact County Clerk if file size limitations occur.' Underneath that is an 'Additional Information' section with a text box for comments. At the bottom of the form are three buttons: 'Previous', 'Cancel', and 'Next'. The footer of the page includes the 'govService' logo and social media icons for Facebook, Twitter, and LinkedIn.

On the Additional Services tab - the customer has the option to select if they would like the uploaded documents to be signed in the Ex parte calendar. Currently, we are **Unable To Accept Fees** through Granicus. At this time, please select, 'No'. After that selection is complete, click the 'Next' button.
