

An Ordinance Adopting the 2017 Comprehensive Plan Amendments

Whereas the Growth Management Act requires the County to have a process for receiving suggestions for amendments to the Comprehensive Plan policies, Comprehensive Plan map, and development regulations;

Whereas the County received twelve policy or code amendment proposals and three land use/zoning map amendment proposals by the last business day in July deadline established by SCC 14.08.030, and had twenty-one internal proposals;

Whereas, on December 20, 2016, the Board of County Commissioners established the 2017 Comprehensive Plan Amendment docket through Resolution R20160360, which included the following twenty-three proposals:

1. Proposed Land Use/Zoning Map Amendments:

P-7. Require permanent protection of CaRD open space on Guemes Island.

P-12. Rezone Rural Reserve on South Fidalgo Island to a new zone named South Fidalgo Rural Residential.

PL16-0352. Modify the designation of two Port-owned properties from Aviation Related (AVR) to Bayview Ridge Light Industrial.

2. Proposed Comprehensive Plan and Skagit County Code (Title 14) Amendments:

C-2. US Bike Route 10 (Coast to Cascades Trail) Corridor Study Revision.

C-3. Garage Setbacks in Bayview Ridge Residential.

C-4. Major Utility Development in Bayview Ridge Residential.

C-5. Temporary Events in Bayview Ridge Aviation and Industrial Zones.

C-6. Prohibit Creation of Multiple Lots in Small Scale Business.

C-7. Rural Freeway Service and Rural Center Development Size Limits.

C-8. Mobile Home Parks.

C-9. Similk Beach Septic.

C-10. Affidavit for Accessory Dwelling Unit.

C-11. Variance Chapter Formatting Error.

C-12. Repair, Replacement, and Maintenance of Water Lines.

C-13. Reorganize Personal Wireless Services Facilities

C-14. Update and Simplify the Airport Environs Overlay (AEO) Map.

C-15 - C-18. Amend OSRSI Policy and Code; Update OSRSI Map Designations.

C-19. Island International Artists Rural Business Correction.

C-20. Weide Mineral Resource Overlay Correction.

C-21. Jensen Rural Reserve Correction.

Whereas the County advertised public comment periods, and the Planning Commission held a public hearing on April 4, 2017 and separately deliberated and issued a Recorded Motion on May 16, 2017 (**Attachments 1 and 2**);

Whereas item C-13 was deferred until the 2018 Comprehensive Plan Docket;

Whereas the Planning Commission recommended approval of the docketed proposals with the exception of items P-7 (permanent protection of CaRD open space on Guemes Island) and P-12 (Rezone Rural Reserve on South Fidalgo Island to a new zone named South Fidalgo Rural Residential);

Whereas the Planning Commission recommended rejection of items P-7 and P-12 pursuant to the Findings of Fact and Reasons for Action as described in the Planning Commission's Recorded Motion (**Attachment 2**);

Whereas the Board of Commissioners has reviewed the public comments and the Planning Commission's Recorded Motion for the 2017 docket;

Whereas the Growth Management Act allows amendment of the Comprehensive Plan only once per year, and this action constitutes that amendment.

Now Therefore Be It Ordained by the Board of County Commissioners:

Section 1. Items P-7, PL16-0352, and C-2 through C-21 (with the exception of C-13) are adopted as shown in the Planning Commission's Recorded Motion.

Section 2. Item P-12 is deferred for further analysis and public review as part of the 2018 Comprehensive Plan Docket. The Board of County Commissioners adopts the following finding of fact concerning item P-12:

1. The Board requires additional analysis of the potential impact of the proposed South Fidalgo Island Rural Residential Zone on businesses and agriculture in the affected area.
2. Planning & Development Services should provide that analysis for the Board's consideration before considering the proposal for the 2018 Comprehensive Plan docket.

Witness Our Hands and the Official Seal of Our Office this 17th day of July, 2017.

- (5) Designation, Allowed Uses, and Preservation of Open Space. Open space within a CaRD shall be designated per the following 6 categories, based on the zoning designation and characteristics of the site. Accessory structures to the primary use of each open space designation are allowable if allowed by the underlying zoning. CaRDs may contain more than 1 type of open space; provided that all open space shall be within 1 tract or lot. On Guemes Island, open space tracts other than Os-RSV must be permanently protected by a conservation easement that prohibits future residences or residential accessory uses within the open space tract.

P-12. Rezone Rural Reserve on South Fidalgo Island to new zone called South Fidalgo Rural Residential

Proposed redesignation/rezone to South Fidalgo Rural Residential (SF-RR):

Property on South Fidalgo Island zoned Rural Reserve (in orange on the map) would be changed to a new zone called South Fidalgo Rural Residential (SF-RR) on the Skagit County Land Use and Zoning Map.

Proposed Comprehensive Plan text and policy amendment authorizing the new SF-RR designation and zone:

Comprehensive Plan Rural Element, p. 63:

The residential land use designations in the Rural Area are:

- Rural Intermediate (RI)
- Rural Village Residential (RVR)
- Rural Reserve (RRv)
- South Fidalgo Rural Residential (SF-RR)

Comprehensive Plan, p. 64:

In contrast to Rural Village Residential and Rural Intermediate, the Rural Reserve designation covers those portions of the rural area that were not already developed at higher densities in 1990. The Growth Management Hearings Boards have generally said that rural area densities must be one residence per five acres or lower – equating to lot sizes of five acres or larger – unless the area is designated a LAMIRD. Land designated Rural Reserve may be developed at one residence per 10 acres, or two residences per 10 acres through a Conservation and Reserve Development (CaRD), a technique for allowing development while preserving open space that is discussed in greater detail in the Land Use Chapter. The South Fidalgo Rural Residential

designation applies to all rural lands on Fidalgo Island, generally west of Reservation Road, that were formerly designated Rural Reserve until the creation of the South Fidalgo Rural Residential designation and zone in 2017. South Fidalgo Rural Residential has the same base density as Rural Reserve—1 residence per 10 acres in standard land divisions—but allows many fewer special uses than Rural Reserve. The designation was established at the request of Fidalgo Island residents to maintain larger rural residential lots, protect the island’s rural character and aquifer, and limit increases in traffic congestion. Island residents raised these issues during the South Fidalgo Island subarea planning process but no plan was ever adopted.

Comprehensive Plan, p. 81:

Rural Residential Designations

Rural Reserve, Rural Intermediate, South Fidalgo Rural Residential, and Rural Village Residential are the main residential land use designations in the Rural area. There is also a Bayview Ridge-Urban Reserve (BV-URv) designation adjacent to the Bayview Ridge Urban Growth Area to allow expansion of the Urban Growth Area in the future if necessary. All lands designated Rural Intermediate and Rural Village Residential are considered to be part of a Limited Area of More Intensive Rural Development (LAMIRD) as described in policy 3B-1.2 and as authorized by RCW 36.70A.070(5)(d)(i). These designations reflect areas that were generally already developed or platted at land use densities of 1 residence (or “dwelling unit”) per 2.5 acres, or greater, when the Growth Management Act was implemented in 1990. The Rural Reserve designation identifies portions of the Rural area that were not already developed at these higher densities. The Rural designation and density criteria follow.

Goal 3C Provide for a variety of rural residential land use densities while retaining the rural landscape, character, and lifestyles.

policy 3C-1.1 **Rural Reserve (RRv).** The Rural Reserve designation applies to all rural areas outside of the following designations: Natural Resource Lands, Rural Intermediate, Rural Village, South Fidalgo Rural Residential, any of the various Rural commercial/industrial designations, Open Space of Statewide/Regional Significance, or Urban Growth Area. The maximum allowed residential gross density is 1 residence per 5 acres in conservation and reserve development (CaRD) land divisions, and 1 residence per 10 acres in standard land divisions.

policy 3C-1.2 –1.4 *No change*

policy 3C-1.5 South Fidalgo Rural Residential (SF-RR). The South Fidalgo Rural Residential designation applies to all rural lands on Fidalgo Island, generally west of Reservation Road, that were formerly designated Rural Reserve until the creation of the South Fidalgo Rural Residential designation and zone. South Fidalgo Rural Residential has the same base density as Rural Reserve—1 residence per 10 acres in standard land divisions—but allows many fewer special uses than Rural Reserve, [and does not allow CaRD land divisions.]

No changes are proposed to Rural Reserve. The Rural Reserve code is shown here for comparison with the proposed new South Fidalgo Rural Residential zone below, and the Planning Commission may recommend reversion of any portion of the new SF-RR zone to the status quo that exists as part of the Rural Reserve zone.

C-2. US Bike Route 10 (Coast to Cascades Trail) Corridor Study Revision

From the Transportation Element Technical Appendix (Comp Plan Appendix C), Exhibit 29, p. 454:

Description

This is an existing east / west multimodal transportation corridor from Fidalgo Island to the Town of Concrete and east County line utilizing State Route 20, City and County roads and trails. The study would consider shoulder widening where necessary and trail construction and/or existing trail improvements. Unused County right of way through agricultural land between Burlington and Bayview Ridge should not be considered as a potential future route for US Bike Route 10.

C-3. Garage Setbacks in Bayview Ridge Residential

Amend SCC 14.16.340(5)(c) as follows:

- (c) Setbacks.
 - (i) Primary Structures.

Front Setback	House	Garage
Road class 09 (local neighborhood streets)	20	25
Roads other than class 09	35	40

- (B) Side: 15 feet total, minimum of five feet on one side.
- (C) Rear: 20 feet.
- (D) Attached Garages. ~~New garages~~ Garages must be set back from house front a minimum of five feet unless located to the side or rear of the structure, or alley-loaded.

C-4. Major Utility Development in Bayview Ridge Residential

Make the following amendment to SCC 14.16.340(4):

- (4) Hearing Examiner Special Uses.

Skagit County Planning Commission's Recorded Motion Regarding the 2017 Comprehensive Plan and Code Amendments

Proposal publish date:	March 12, 2015
Proposal name:	2017 Comprehensive Plan and Code Amendments
Documents available at:	http://www.skagitcounty.net/2017cpa
Public hearing body:	Skagit County Planning Commission
Public hearing date:	Tuesday, April 4, 2017, at 6 p.m.
Written comment deadline:	Thursday, April 6, 2017, at 4:30 p.m.
PC deliberations:	Tuesday, May 16, 2017

After considering the written and spoken comments and considering the record before it, the Planning Commission enters the following findings of fact, reasons for action, and recommendations to the Board of County Commissioners.

Findings of Fact and Reasons for Action

1. With respect to P-7, the proposal would have no change on allowed uses under current zoning, but would preclude options for land use planning in the future which may be desirable if conditions change.
2. The true water situation on South Fidalgo is unknown. That lack of data inhibits good planning.
3. We lack evidence of the current South Fidalgo zone not working.
4. The current South Fidalgo zoning allows uses that are appropriate for that area.
5. Opposition to special use permit applications is not unique to South Fidalgo.
6. There was significant opposition to the South Fidalgo proposal.
7. The Planning Commission is sensitive to the fact that property purchasers have expectations for the allowed uses in the zone to continue to be allowed.
8. GMA instructs us to manage growth, but not stop it.
9. The Planning Commission supports proposals to correct errors, large and small.
10. The Planning Commission finds that the remainder of the proposal makes sense.

Recommendation

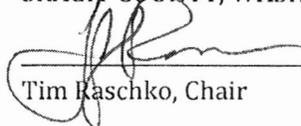

The Planning Commission recommends that the Board of County Commissioners **approve** the proposal with the following changes:

1. Not include P-7 regarding permanent protection of open space on Guemes Island.
2. Not include P-12 regarding a new South Fidalgo Rural Residential Zone.

This recorded motion approved May 16, 2017:
