EMS & TRAUMA CARE COUNCIL ADVISORY BOARD

June 1, 2021

Dan Laine
EMS Division Chief
Burlington Fire Department
350 E Sharon Ave
Burlington, WA 98233

Dear Chief Laine:

The Skagit County EMS & Trauma Care Council Advisory Board reviewed your Stryker Load System new initiative funding application on May 19, 2021. Unfortunately, the consensus of the advisory board was that this project was not in line with the intent of the new initiative funding process and/or did not benefit the greater community at large and therefore we are unable to fund this project.

Thank you for your submission and for your commitment to serving the Skagit County community.

Sincerely,
