## Acknowledgments:

The project has been funded wholly or in part by the United States Environmental Protection Agency under assistance agreement WS-96082901 and PO-00J08201 to Skagit County. The contents of this document do not necessarily reflect the views and policies of the Environmental Protection Agency, nor does mention of trade names or commercial products constitute endorsement or recommendation for use.

Thanks to John Lombard (Lombard Consulting, LCC), who provided an early review of Chapter 1 of the report and made a number of important contributions to this chapter, particularly on the history of development in the Skagit basin.

Thanks to Rob Norheim at the Climate Impacts Group for GIS support and figures, and to Lara Whitely Binder at the Climate Impacts Group for early internal review of the document.

The authors are also indebted to the report's technical reviewers, whose thorough evaluation, constructive criticism, and many useful suggestions greatly improved the manuscript:
