

The Skagit County Junior

Livestock Sale

Friday night at 6pm, August 14th

August 12th-15th

Students are working hard on their animal projects raising lambs, beef, goats, pork, rabbits, and poultry: chickens and turkeys. Exhibitors are learning animal husbandry, veterinary medicine, economics, business and marketing, as well as leadership skills. This experience is preparing them for a future as involved citizens, community leaders and wise decision makers. Career exploration includes agriculture and beyond.
