

Outline Updated 3/5/20

MISC NOTES

*Event schedule has yet to be announced for the Showdown on Wednesday, August 12th at the Skagit County Fair, but will run roughly 3p-9pm. Stay tuned for an exact schedule of events closer to the date.

*Since this is a very multi-layered, complex, first ever competition, rules are subject to change, thank you in advance for your patience and flexibility.

*Town representation-One individual can only compete for one town (not multiple). Need to live, work, attend school, or have some special connection with the town you are representing.

*free gate entry will only be provided to those participating in the Battle of the Bands. Although if you bring 5 cans of food (before 6pm) to the Cleveland Park gate, you will get in free, support a good cause and help your team in the food bank competition, so technically free gate entry is possible for anyone!

Competition Outline-
