RIBBON ONLY CLASSES

Division M: Beef Bowl

Beef bowl is a team event where youth demonstrate their knowledge of the beef industry through lightning-fast reactions to questions. The contest will consist of teams of 4 or 5 members each. Teams will be determined based on the number of participants and age groups represented. The contest is made up of a written test and buzzer rounds.

Class N: Team Fitting Event

This event will be held in combination with FFA Beef exhibitors. Entries will be sorted into random teams based on entries. The goal is to include a Junior, Intermediate and Senior 4-H member and an FFA member on each team. Teams will have one hour to wash, blow, clip and fit their animals. This will be followed by a showmanship competition. The winning team will judge the alumni show on Saturday night.

Class O: Club Herdsmanship

Exhibitors will be judged on the condition of animals, cleanliness, attentiveness and how the exhibitor interacts with the public. At this time each club's stalls and educational decorations will be judged as well.

Other fun classes will be added if time allows.

JENNY STILES HUDSON GOLDEN SHOVEL AWARD

Awarded to the exhibitor who overcomes obstacles and "digs in" when the going gets rough.
