Superintendent: Becky McClellan, 360-293-9667

1. Open to all enrolled 4-H members.
2. May enter more than one item per division, but no 2 alike. No more than 3 entries from the same medium.
3. Each entry must include a 3" x 5" card to explain what it is, where it will be used, why or how it was made, the medium used, along with exhibitor's name, age and club. Cloverbud members are not required to fill out 3" x 5" cards. Please specify if the artwork is the artist's own original design.
4. Artwork must be matted and/or framed. Artwork that is matted only without a frame does not need a hanging device. All artwork that is framed must have a hanging device securely attached. All entries with glass in the frame must have hanging wire mounted from side to side of frame. If the hanging device is inadequate or missing, artwork will not be displayed.
5. Charcoal and chalk drawings must be finished with a spray to set them or protected in a glass covered frame.
