Restroom Agreement

All food establishments must provide restroom facilities for employees within 500 feet of the food service. A mobile unit must have access to a restroom if the unit is at a stationary location for more than one hour. This form must be completed if your food service does not have a plumbed restroom on the premises.

This restroom has:

- Hot water between 100°F and 120°F
- Hand soap
- Paper towels or approved drying device
- Sign or poster to remind employees to wash hands
- Access for customers if seating is provided by food service
- Availability during all hours of food service
