

# Housing Instability Insights

Skagit County - January 2026

## What is Coordinated Entry?

Coordinated Entry is a system used in Skagit County and other communities to ensure that all people experiencing homelessness are quickly and fairly connected to limited housing resources based on their level of need.

## How many people sought and qualified for housing support?

Individuals **104**

Households **67**

## How does this compare to other months in 2026?

Data comparison will begin in February.

## Who sought housing support?

chronically homeless

individuals with a disabling condition

households with children

individuals 55 years and older

young adult households

## Referrals and Enrollments

	Referrals	Enrolled
Emergency Shelter	197	192
Rapid Rehousing	54	7
Prevention & Rental Assistance	72	6
Permanent Supportive Housing	27	2

## Exit Destinations

When someone leaves housing or services part of the homeless response system, the next place they go is called an exit destination. Tracking this helps us understand how our response system is working.

Individuals or households that secured stable, long-term housing

Individuals or households with continued instability, temporary arrangements, or in institutions
