

Housing Instability Insights

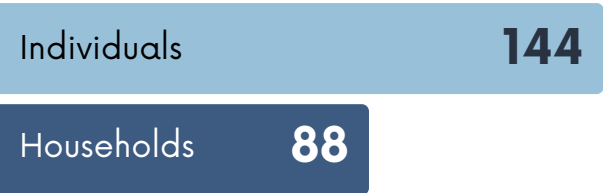

Skagit County - October 2025

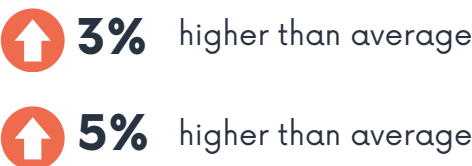

What is Coordinated Entry?

Coordinated Entry is a system used in Skagit County and other communities to ensure that all people experiencing homelessness are quickly and fairly connected to limited housing resources based on their level of need.

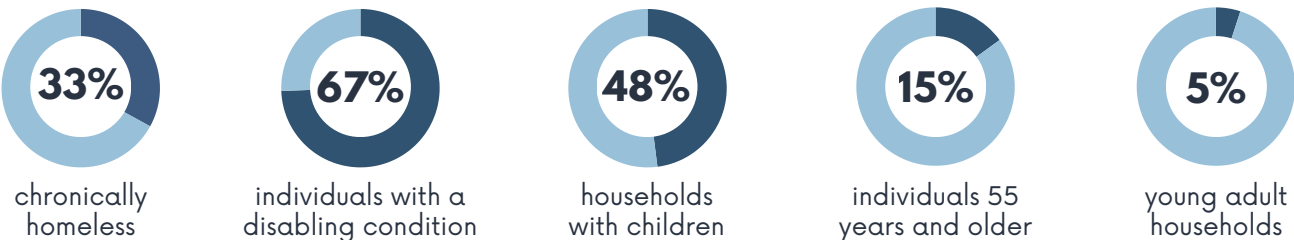

How many people sought and qualified for housing support?

How does this compare to other months in 2025?

Who sought housing support?

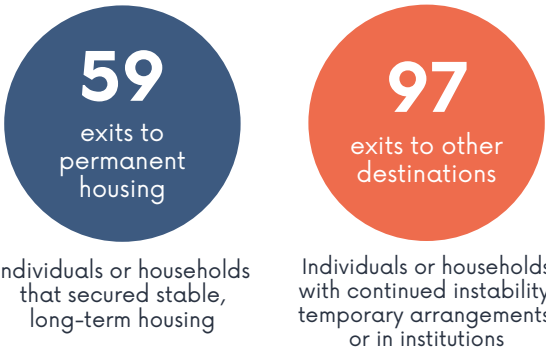

Referrals and Enrollments

	Referrals	Enrolled
Emergency Shelter	238	52
Rapid Rehousing	88	3
Prevention & Rental Assistance	102	22
Permanent Supportive Housing	118	0

Exit Destinations

When someone leaves housing or services part of the homeless response system, the next place they go is called an exit destination. Tracking this helps us understand how our response system is working.

Need help?

Call **1-800-223-8145** to talk with a trained professional who can connect you to the local services you need - including food, housing, treatment, and more!
