

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Skagit County Hearing Examiner will hold a public hearing on **Wednesday, October 28, 2015** in the Board of County Commissioners Hearing Room, 1800 Continental Place, Mount Vernon, Washington, at **9:00 a.m.** or soon thereafter, for the purpose of determining the following:

Shoreline Substantial Development Permit #PL14-0364 and Administrative Critical Areas Variance #PL14-0365 for Seattle City Light for the placement of up to 18,300 cubic yards of material in the Copper Creek Pit. The material to be placed is being excavated from the Skagit River in Whatcom County to restore the generating capacity at the Diablo powerhouse. The site is designated Industrial Forest – Natural Resource Land in the Comprehensive Plan and as Conservancy in the Shoreline Management Master Program. The project is located northeast of Marblemount along State Route 20, within the SE ¼ of Section 21, Township 36 N, Range 11 E, WM (P51824 & P51825).

Your views for or against the requests are invited either by attendance, representation or letter. Comments and/or facsimiles must be received by Planning and Development Services **no later than 4:30 p.m. Tuesday, October 27, 2015 or be presented at the public hearing.** E-mail comments may be submitted with the PDS website under the current legal notices tab or to the Office of the Hearing Examiner.
