Parks & Recreation Comprehensive Plan

The Final Plan was deliberated upon and passed without much discussion. The process unfolded over about 18 months and park board members were ready to sign their names to the document and move on to other items of business.

Board Discussion

The procedure for naming parks was discussed. A discussion about naming Nichol's Bar after Ann Wolford was brought up. Ann still hasn't had a park named for her. Brian passes out a resolution that clearly said a park would be named for Ann Wolford. Brian brought up Wolford as a park name. Kevin thought it was important to give the park the entire name of Ann Wolford. This will be voted on at the March meeting. A discussion about policies and procedures on renaming parks will be discussed as well.

The plan for Cleveland Park was presented. A field trip to the park will be scheduled for April.

The stroller/ADA access project for Cascade Trail was discussed. An application will be brought forth for review and a vote will be scheduled for March.

The project scheduled for Clear Lake was discussed. Work may be started in spring.
