**Fees.** No fees are required for a policy or code change suggestion, per SCC 14.08.020(6).

**Docketing.** SCC Chapter 14.08 governs the process for docketing of Comprehensive Plan amendments; suggestions for changes to the development regulations are docketed following the same process. Docketing of a suggestion is procedural only and does not constitute a decision by the Board of County Commissioners as to whether the amendment will ultimately be approved. Amendments are usually concluded by the end of the year following the request. State law generally prohibits the County from amending its Comprehensive Plan more than once per year.

**Submission deadline.** Suggestions must be received by the last business day of July for docketing. Suggestions received after that date will not be considered until the following year's docket.

**How to Submit.** Submit your suggestion via email (preferred) to [pdscomments@co.skagit.wa.us](mailto:pdscomments@co.skagit.wa.us) or to Planning & Development Services at the address above.
