### Proposal Description

This legislative proposal would amend the Comprehensive Plan's Capital Facilities Plan Element to incorporate by reference the capital facilities plans from the City of Mount Vernon, City of Sedro-Woolley, and several school districts. The proposal would delete the adoption by reference of Mount Vernon codes in SCC 14.02, delete the incongruent definition of "district" in SCC 14.04, and amend SCC Chapter 14.30 to make the timeline for expenditure of impact fees consistent with the statute, delete a superfluous section for school district impact fees, and allow for the collection of impact fees on behalf of cities and towns for their urban growth areas.

A staff report summarizing the proposal is available at the website above.
